Superior Chamber of Commerce presents 2021 Burro Run and Apache Leap Mining Festival

The Superior Chamber of Commerce is excited to bring back two of the town's most popular events: the Superior Burro Run and the 33rd Annual Apache Leap Mining Festival. Held over the weekend of Oct. 22-24, 2021, these one-of-a-kind events will celebrate Superior's rich history as a mining town with a series of fun, family-friendly activities, ranging from pack burro racing to a hands-on

mining competition and more.

With a long history in Colorado, where it is recognized as the state's official summer heritage sport, pack burro racing debuted in Arizona in 2019 with the inaugural Superior Burro Run. The sport is a throwback to mining days, when "burros" (the Spanish term for donkeys) were used to pack supplies and ore. For this year's event, teams consisting of one human partner and one burro partner will compete for glory — and gorgeous custom prizes! — in one of three course lengths: three-, six- or 12-mile. On

Saturday, Oct. 23, the teams will race down Main Street and out onto Forest Service trails, navigating together to see who has the best partnership and the fastest feet. Each course will conclude back on Main Street, where spectators can watch the teams dash across the finish line. Spectators are encouraged to attend this exciting event, which will also feature a beer garden, live music and other entertainment, as well as trained burro adoptions from the Bureau of Land Management (BLM).

MINING FESTIVAL

Continued from page 2

A long-cherished annual tradition in Superior, the Apache Leap Mining Festival showcases the town's history, with a focus on the past, present and future of the mining industry. The Festival will launch on Friday, Oct. 22, with a carnival, vendors selling handcrafted goods, music and dancing on Main Street. The fun will continue on Saturday and Sunday, and will include the annual parade, with

burros and big rigs and hilarious Chihuahua races, which feature a runoff between the fastest small dog and the fastest Chihuahua. Live entertainment will contribute to the upbeat atmosphere throughout the event. Attendees of all ages will not want to miss the Festival's popular hands-on activities, including a mining competition in

Copper Corridor Communities Seeing Increase of COVID-19 Cases

	Oct. 4, 2021	Oct. 11, 2021	Total Increase

Winkelman	213	215	2

Recently, State and National media have reported an increase in positive COVID-19 Cases. The communities of the Copper Corridor have also started to see an increase in positive cases. The new Delta variant of COVID-19 has been reported as highly transmissible. The CDC and other health officials warn that those who are not vaccinated should continue to practice physical distancing, wear masks in public and avoid crowded places and is also strongly recommending everyone wear a mask indoors and in group settings.

Governor Doug Ducey has signed executive orders that prohibit Cities and Towns from mandating mask wearing, limiting restaurant capacity or other enacting other physical distancing requirements. At this time there is no indication that there will be any restrictions put into place. Local schools are also prohibited from requiring masks be worn on campus.

COVID Vaccines are readily available at local clinics in the region including Cobre Valley Clinics in Superior and Kearny, Pinal County Public Health and Sun Life Clinics. Other chain pharmacies such as Walgreens, grocery store pharmacies and CVS also have vaccines available.

We last reported daily COVID-19 case increased on Oct. 4, 2021. Above is a chart showing our last reported number and the current number of total cases for each of the Copper Corridor communities through Oct. 11, 2021. Keep in mind that zip code data also includes unincorporated areas around a community. For instance, Riverside/Kelvin area is included in the Kearny zip code. Aravaipa and Dudleyville are included in the Winkelman zip codes, etc.

Those experiencing COVID-19 symptoms should seek testing and quarantine until they can confirm a negative test.

Working together, we can slow the spread of the virus across the Copper Corridor. Wear a mask in public, remain physically distant (6ft apart or more), practice good hygiene (wash your hands frequently, sanitize high touch areas) and stay home if you are not feeling well.

Support Local: Silver King Smokehouse & Saloon

In April 2020, COVID-19 brought much of Arizona's economy to a screeching halt. All businesses not deemed "essential" were ordered closed by Arizona's governor Doug Ducey.

The lockdown continued for nearly two months. When Gov. Ducey finally gave the go ahead to reopen, businesses slowly began the road to recovery. Even those listed as "essential" had a challenge with this economic recovery.

Many small businesses and non-profits in Arizona didn't survive the lockdown. The businesses that did survive are hanging on as best they can. *Copper Area News* wanted to give something back to the local business community as a thank you for supporting us through these troubled times. Our newspapers (*Copper Basin News*, *Superior Sun* and *San Manuel Miner*) have been featuring local businesses and non-profits since the beginning of 2021, encouraging our readers to Shop at Home, stay local and support our local businesses. To date, *Copper Area News* has featured 115 businesses and groups in the Copper Corridor.

The Silver King mine has a storied history, and was the first mine in the area that determined the riches of the ore bodies in and around the Superior. Once Silver was no longer the king mineral, prospectors mined for copper and other minerals to make their riches.

While most in the restaurant, bar and travel sectors struggled to navigate the pandemic, Superior as a community actually saw new businesses open, a wine bar, a new diner and a new restaurant moved into the old Porters Saloon. Over the last decade the former home of the Porters Antiques and car repair shop, has been the home of many restaurant most recently the Silver King Smokehouse and Saloon.

Justin Evans and his business partner Tony Fatica, found an opportunity in downtown Superior and with their friend and colleague Dell Morris decided to open a barbecue restaurant in their portfolio of bars and restaurants, in Superior. They are the owners of several concepts throughout the State of Arizona, including The Golden Pineapple, The Theodore, Hops on Birch, The Wandering Tortoise and the Sleepy Whale. Justin and Tony have been working in the Food and Beverage industry since they were in their teens, and developing these concepts have become natural to them. Chef Dell Morris, hails from the Four

Seasons, and the menus at the Silver King Smokehouse and the Golden Pineapple in Tempe.

Justin explained that when they found the location in Superior it was important to them to honor and showcase the history of the area, they chose the Silver King mine as part of the history they wanted to showcase. At first they wanted to call it the Silver Queen, but after talking with the locals, they determined it was best to name it the Silver King after the mine.

The pandemic created many challenges for their company and despite the challenges they determined that opening a location in Superior was an opportunity they could not pass up. They determined that smoked meats and BBQ would be a great addition to the culinary options in Superior and it would be different from other restaurants in the area. Chef Dell was excited to work with the smoker once again. Their menu is designed to avoid food waste and offer maximum freshness. Many will notice that many of their "From the Kitchen" menu items such as burgers are not available on the weekends – this allows them to focus on serving the smoked meats. Guests are encouraged to arrive early, as they often run out of the smoked meats on the menu as the quantity is limited.

Their first craft beer bar concepts in the Valley only sell drinks and do not offer food; the Golden Pineapple the Silver King Smokehouse are the first food and beverage concepts they have opened. For the Silver King Smokehouse, they offer a variety of craft beers, domestic beers and many custom drinks from their full bar. The local drink the "Supie Splash" is a custom drink on the menu designed to represent Superior.

Across all of their concepts they have a team of 75 to 80 staff members, some of which rotate across each of the businesses which includes four craft beer bars and two restaurants. They will be opening another craft beer concept in Gilbert, called the Beer Barn. The Silver King Smokehouse, located at 404 Main St., is open Thursday through Sunday 11 a.m. to 8 p.m. They do close at 6 p.m. on Sunday for their Summer Hours. They plan to open more days per week beginning in mid-October.

You can follow the Silver King Smokehouse on Facebook, Instagram or online at www.silverkingbbq.com. They can accommodate take out or pre-orders by calling 520-689-7100.

Silver King Smokehouse & Saloon is Superior's newest eatery. Why not stop by for some good eats?
