Pinal County Supervisor McClure hosts town hall meeting in Mammoth

By **Nathaniel A. Lopez**
Copper Area News

On Friday, Oct. 6, a town hall meeting was held in Mammoth at the Lions Club. The meeting was hosted by Pinal County District 4 Supervisor, Jeffery McClure. Those in attendance were treated to pizza, salad and beverages, served up by Supervisor McClure's wife Barbara McClure.

The main topic of this meeting was to discuss citizen's current power provider, San Carlos Irrigation Project. "S.C.I.P. was started in 1924, by an Act of Congress. It was to provide water for irrigating first, then allotted to Pima Indians on Gila River Reservation. Second, other lands and public comprised ownership. In which the opinion of the

secretary of the interior could be served without diminishing the supply necessary for Indian land. That's it," began Supervisor McClure, "The irrigation project is the Coolidge dam that holds back the San Carlos reservoir. So, it was started to hold water back with irrigation canals throughout the entire county. They go all the way across up to Maricopa County, all over the place, hundreds of miles. The dam was put into place to provide hydro-electric power for the approximately 100 water wells that are also out there that are providing water into those reservoirs. It wasn't to provide power to homes. So that was done in 1928, when it actually started making power. There weren't a whole lot of people out here, so they had extra power, so for a lot of that until 1939 they were supplying power up to mines in Hayden, and then a few homes and farmhouses. They never expected to have tens of thousands of homes in the county.

"In 1983, there was a big rainstorm and flood that whipped out the power station at the Coolidge Dam, so they could no longer put any power out. Then they had to start buying their power from WAPA, the Western Area Power Administration, and that's 11 states essentially, and they give power from Hoover Dam, and other dams that are around. They (SCIP) used to get it from the generation station that was out here, then they closed that down. That was 537 Megawatts of power that they lost out on, and a couple thousand jobs, so now they have less power and they serve more people, so they had to start buying more power. They get it from WAPA. But now they don't have enough power to supply everybody.

"WAPA runs all the other dams, their main purpose is to run the dams, and provide power for irrigation and some of the cities, but really for making sure that there's water for irrigation and for navigable rivers. None of them specify in powering homes. So then they (SCIP) buy spot power from APS and SRP, wherever they can buy power from, and that's

what's happening to you now, that's that PCHR at the bottom of your bill. They're blaming it on the high price of natural gas, I hate to tell you natural gas isn't high right now. In my meeting with BIA (Bureau of Indian Affairs), a week and a half ago that's what they were telling me."

Supervisor McClure went on to talk about the numerous years that the state government has spent trying to divest SCIP of power operations, and allow other power providers such as APS, or TRICO, to pick up the areas that would no longer be powered by SCIP. Meetings between Congress members, BIA and SCIP have been taking place more recently, and they have had more productive outcomes. They want to push a bill during the next session that will divest SCIP of power operations, and allow new providers to come into their former areas. If this bill passes, a company like APS or TRICO will likely be the ones to take over power to Oracle and Mammoth. This process would take some time due to SCIP's outdated equipment, such as lines and transformers, that would need to be updated to be most beneficial.

For now, the citizens are stuck playing the waiting game to see if any change will actually occur.

"That's kind of where we are at the moment. The county can't really do anything for you, but we're working with the federal government to try to make it happen," commented Supervisor McClure.

McClure went on to discuss current conversations with SCIP of trying to have them agree to setting up a structured payment program, and to not shut off people power when they can't afford it.

The rest of the meeting was talk between citizens and Supervisor McClure on the possibilities of different power companies that would best fit the area, and also government programs that could help citizens that are struggling to make bill payments.

The whole team of local miners pause for a photo after reaching a milestone in the Resolution Copper #10 shaft.

Resolution Copper remains resolute, reaches milestone

It was a big job, but somebody had to do it.

To nobody's surprise Resolution Copper got it done. Shaft 10 was a challenge, but their incredible team of local miners from Superior rose to the occasion, pouring their heart and soul into the complex project. It was a true showcase of teamwork at its absolute finest.

The team at Resolution Copper reached a major milestone. The ductwork in Shaft #10 is complete!

Highlights of this project, achieved by this stalwart crew are over 2,200 feet of ducting removed, 29 shifts dedicated to duct removal, an average of 73 feet removed per shift and a jaw-dropping maximum of 150 feet removed in a single shift. Not to mention, as one unnamed crew member shared, at least two unforgettable renditions of Rihanna's 'Diamonds' on the work deck!

One member of the team, A.J., was properly praised for unwavering dedication and leadership over the past two months as they steered the crew to complete the job without a single incident, leading to a work environment where all on the crew were genuinely excited to work and proud of their monumental achievement.

Another member, Charles, orchestrated the engineering,

procurement and fabrication of a custom vent duct-slinging bridal and the necessary modification to existing assets, all within a matter of weeks.

This achievement is a testament to #Teamwork and

the unbreakable spirit of #CopperStrong. Together, they conquered Shaft 10 and showed the world what our local miners are made of.

Congratulations to the whole team!

OBITUARIES

Alfred Trejo Jr.

Alfred (Al) Trejo Jr., 65, of Oracle, AZ passed away in his home on Oct. 10, 2023. He was surrounded by loved ones as God welcomed him to eternal life, ending his two-year battle with lung cancer.

Alfred was born in San Manuel, AZ on Aug. 11, 1958. He was the first-born son of Angelita and Alfredo Trejo. He attended San Manuel High School and graduated in 1976. After graduation, Alfred enlisted in the United States Navy, where he served as a submariner on the USS Andrew Jackson SSBN 619 in Groton, CT. Alfred married Carmen Marie Garcia on July 28, 1977. They began their married life on the east coast and welcomed a son, Julian David (JD) in 1979.

In 1980, Alfred and Carmen returned to Arizona where he began his work in youth sports and enrolled in college classes working towards his education degree. He also returned to Military Service as a Reservist. Carmen and Alfred had their second child, Amanda, in 1985.

Alfred graduated from the University of Arizona in 1993 and accepted a teaching position at Gardner Middle School. He was active as a football, wrestling and track coach in San Manuel. He simultaneously completed his coursework for a master's degree from Northern Arizona University in 2000 and continued to rise in his military career from which he retired in 2006 with the rank of Master Chief. He spent the latter part of his education career as the Assistant Principal and Athletic Director of San Manuel Junior-Senior High School, retiring in 2014. Alfred was a proud San Manuel Miner and he loved to wear his red and blue, especially on Fight Song Friday.

Upon his retirement, Alfred worked part-time alongside his brother, Angel. He also returned to the sports world as a wrestling referee and Senior Olympian alongside Carmen.

Alfred was blessed to coach and referee many athletes across the state of Arizona. He lived a life dedicated to service of others and was the Grand Knight of the Knights of Columbus Council #5542, and active through various ministries at St. Bartholomew and St. Helen's Catholic Churches.

Camping, fishing and hunting trips with family and friends, tending to his garden while listening to his favorite and varied music always brought him great joy. His love of family was especially evident during his last years of life as he had time to reflect while he fought his cancer battle. His wife Carmen was his light during the dark moments, and he loved her beyond measure.

Alfred is survived by his wife, Carmen; son, Julian Trejo (James Patterson) of Oklahoma City; daughter, Amanda Pellman (Heath) of Marana; grandchildren, Riley, Rhett and Eleora; parents, Alfredo "Teddy Bear" and Angie Trejo of San Manuel; brother, Angel Trejo (Carol); sisters, Debbie Gallardo (Frank), Cindy Navarro (Manny), Diana Trejo and Charlene Ochoa (Alex); mother-in-law, Carmen Garcia; and numerous in laws, nephews, nieces, and friends. He is preceded in death by his father-in-law, Thomas Garcia (2018).

Memorial services will be held at Santa Catalina Catholic Church in Catalina, AZ on Oct. 24, 2023. The Rosary will begin at 10:30 a.m., and the funeral mass at 11 a.m.

Patricia Carol Carter

Patricia Carol Carter, 72, of Apache Junction, AZ peacefully passed on Sept. 26, 2023.

Patricia was preceded in death by her parents; brothers, Harold and Mark Carter; Patricia's stepdaughter, Debbie (Johnny Bailey Sr.); and stepson, Patrick (Sheri) Martindale; and great-grandson, Quinten William Tramp, III.

She is survived by her younger brother, Harley; daughter, DeAnn (Brad Tassainer); and son, David Martindale (Edi Rector). She is also survived by her grandchildren, Carly (Shawn McEuen), Jessica (Zachary Thompson) and "Little" David Lee Martindale; and her great-grandsons, Greyson and Lincoln McEuen.

Patricia was born on Feb. 24, 1951, in Casa Grande, AZ to Bill and Billie Carter. She grew up in Ray along with her three brothers, Harold, Harley and Mark. The family settled on some property in Dudleyville, AZ where they had a family meat cutting business, "Carter's Custom Meat Cutting".

After graduating Ray High School in 1969, Patricia traveled the United States where along the way she met and fell in love with Roy Martindale, later settling in Dudleyville, AZ. Patricia worked for Asarco Smelter as an overhead crane operator. In a trade and work environment made up primarily of men, Patricia had to deal with chauvinistic men but always stood proud and

worked for 17 years while raising her children. In her later years, Patricia and her dog Tigger settled in with her daughter DeAnn (Brad Tassainer) in Apache Junction, AZ.

Patricia loved her friends and family immensely and enjoyed sewing, crafts, baking, and was a wonderful cook. She was an avid romance novel reader and a crossword wizard. Enduring 11 years of dialysis, she never complained about anything. Her favorite thing was watching and getting to know her grandson, David Lee Jr., and great-grandsons Greyson and Lincoln, of whom she couldn't get enough.

A celebration of life will be held at 2:30 p.m. on Oct. 21, 2023, at Countryside Park at 3130 E. Southern Ave., Mesa, Arizona 85204. Please enter from Los Alamos Rd. on the West side of the park. This is a potluck dinner.

Hayden to make run for state title

By Nathaniel A. Lopez
Copper Area News

The Lobos finished the regular season at the top of the heap: first in the 1A East Division and seeded number one in the 1A rankings. They have a bye this week and enter the championships in the quarter-final round on Oct. 27. They will host the winner of Friday's San Manuel-St. David game.

The Hayden football team brought a close to their regular season last Friday, Oct. 13, with an away game at St. David. As usual, the Lobos came out with their heads on straight and focused.

The first quarter of the game saw the boys score 33

points, while keeping the Tigers' offense pinned down. The second quarter saw the Lobos create a larger score gap with 17 more points. By the half, the game sat at 50-0 with Hayden dominating. The third quarter saw no increase in points on either side of the ball. The final quarter saw the boys bring in 6 more points, and another Lobo victory. The final score of the game was 56-0.

The Lobos concluded their regular season with a 9-0 record. Now, Hayden will advance into the playoffs to continue their quest for the 1A football state title.

San Manuel heads to the playoffs, seeded eighth – will host St. David Friday

By Nathaniel A. Lopez
Copper Area News

The Miners are headed to the playoffs!

The local Boys of Fall finished the season first in the 1A South Division, with a 5-1 regional record tied with St. David. Because San Manuel beat St. David, first place went to the Miners and second place to St. David.

St. David will return to San Manuel Friday for the first round of playoffs. The winner will play Hayden in the quarter-finals on Oct. 27.

Last Friday, Oct. 13, the San Manuel football team traveled to take on Baboquivari to close out their regular

season. The Miners put up a tough fight, but fell short against the Warriors. The night ended in an unfortunate loss for the boys, with a final score of 22-38, ending their six-game win streak.

The boys closed out their regular season with a 6-3 overall record.

The Miners will continue to gear up for the 1A State Football Playoffs, where they will test their strength and see if they can go the distance.

(More information on the 1A State Football Playoffs, brackets, game dates/times/locations is available on AZPrep365.com. Tickets for Friday's game are available at <https://gofan.co/event/1167931>.)

Lady Panthers post win over Ray

By Nathaniel A. Lopez
Copper Area News

The Lady Panthers had a busy time on the volleyball court last week. They kicked their week off with an away match at Ray.

The set scores were: 25-16, 20-25, 23-25, 25-21, and 15-11. The girls claimed the 3-2 match victory. Later in the week they saw Fort Thomas, and those set scores were: 13-25, 25-23, 25-22, 14-25, and 10-15. The Lady Panthers unfortunately lost this well-played 2-3 match.

POWER COST ADJUSTMENT

Pursuant to the Bureau of Indian Affairs regulations governing our electric power utilities, found at 25 CFR 175, notice is hereby given that the San Carlos Irrigation Project (SCIP) is adjusting the purchased Power Cost Adjustment (PCA) component of our rates. Effective September 1, 2023, all customers except Irrigation Project Pumps will be charged \$0.056 per kilowatt-hour (kWh) billed in addition to our existing electric power rates published in the Federal Register (87 FR 77628, Dec. 19, 2022). This will replace the April 1, 2023, PCA of \$0.0249 per kWh.

While SCIP has long-term contracts for power from the Western Area Power Authority, most of SCIP's power supply is purchased through short-term transactions based on current and forecasted market rates. Recent weather-related events combined with the high demand for energy resources have increased power market rates. Because purchased power costs are in part determined by market rates that are not under our control, we need to immediately implement the PCA to meet our financial and statutory requirements. We will continue to monitor energy rates and adjust the PCA as needed.

Please direct questions via e-mail to scippca@bia.gov or mail to San Carlos Irrigation Project, P.O. Box 250, Coolidge, Arizona, 85128.
