LETTER TO THE EDITOR

Vote Yes on 469: Fund the Projects to End Pinal County Gridlock

As a business owner and former President of Pinal Partnership, which was formed to increase economic development opportunities and our quality of life, I have not only witnessed Pinal County's rapid growth but also the lingering traffic problems that need attention now. We just can't wait any longer.

Without the new roads and freeways funded by Proposition 469, our traffic will go from really bad to worse, job creators will look elsewhere, and first responders will get stuck in traffic.

The new infrastructure will help lure new companies to the area creating more local jobs so fewer residents will have to commute. The projects include the "Casa Grande Connector" project that involves four lanes from the City of Casa Grande, to the future alignment of the North-South Corridor Parkway to the East, located in the City of Coolidge. This system allows residents to travel north to south and east to west in Pinal County without the gridlock.

This transportation plan was written so that every part of Pinal County benefits. There is also a long list of projects designed to keep traffic moving in every community in Pinal County, as well as funding for dial-a-ride services which helps seniors and the disabled.

As the owner of Windmill Winery in Florence, I feel this infrastructure will help local businesses attract more customers as well as move goods and services. It will sure make it easier to get to my business just as it will for thousands of others in Pinal County.

The transportation plan and its funding were approved by Pinal County voters in 2017. Unfortunately, Phoenix special interests convinced the Arizona Supreme Court to rescind the funding earlier this year, while leaving the transportation plan in place. Prop 469 simply reauthorizes the funds. It is not a tax hike. And it is modeled after the way other counties in Arizona fund critical new roads and freeways.

Now is the time to finally end the gridlock and begin a new era for Pinal County. Please vote yes on Proposition 469.

Season winding down for local volleyball teams

By Nathaniel A. Lopez
Copper Basin News

The Ray volleyball team had a split week on the court with one match win and one match loss last week.

The Lady 'Cats started their week off with a home match win over Desert Christian, winning 3 of the 4 sets that were played.

Later in the week, they traveled to Duncan to take on the Wildkats. The girls suffered a tough loss against them, losing all three of the sets that were played.

The only match this week for the Lady Bearcats was Monday against Dishchii'bikoh. Results from that match were not available at press time.

The Lady Lobos had a busy time on the

volleyball court this past week.

The week started off with an away match against Morenci. The girls suffered a tough loss, losing all three of the matches that were played. The following day, the Lady Lobos traveled to Superior. Once again the girls were unable to walk away with the victory, but were able to win one of the four sets that were played. The scores were 15-25, 25-11,

18-25, and 23-25. For the last match of the week, the girls traveled to Cibecue to take on Dishchii'bikoh, where they suffered the same fate as the match before, winning one set of the four played. The scores were 17-25, 25-20, 13-25, and 21-25.

The Lady Lobos took on the Duncan Wildkats on Oct. 25. Results from that match were not available at press time.

The Buddy Project: Kearny area low cost spay and neuter clinic

Pets in Need Action League (P.I.N.A.L.) has received a grant for spaying and neutering cats or dogs.

This grant is focused specifically toward helping the Kearny area and for low-income pet owners.

Once pet owners are approved, the cost of the spay or neuter fee is \$20 and will need to be paid at the time of surgery.

Dr. King DVM is

participating in the P.I.N.A.L. spay and neuter clinics, providing for small dogs and cats at her Kearny office. For dogs that are 40 lbs. or over, they will be spayed or neutered at her Florence office.

The clinic for Nov. 2 is fully booked. The next clinic will be held on Nov. 30 and currently still has openings available.

P.I.N.A.L. applications will

be at the Kearny Public Library and later at Dr. King's office.

Applying is a simple, fast process. Complete and sign the one-page application form. Provide required documentation and mail to the address shown on the application. Or you can email a request for an application from The Buddy Project at thebuddyprojectaz@gmail.com.

The P.I.N.A.L. email will then be provided to send your application for quick processing.

Free virtual
diabetes
prevention
program

One in three adults are estimated to have prediabetes, and most do not know it. In Arizona, this means around 1.8 million adults are at high risk for type 2 diabetes.

In response to this increasing problem, the University of Arizona Cooperative Extension offers the National Diabetes Prevention Program (National DPP) across Arizona.

The National DPP is an initiative to address the growing problem of Type II diabetes. It is designed for those who are at high risk of developing Type II diabetes or who have been diagnosed with prediabetes by blood test or questionnaire, who are over 18 years of age and have a B.M.I of over 25. The program lasts 12 months.

“Our program is changing lives by encouraging the following lifestyle modifications.” Mary M. Gonzalez shared. She continued, “Eat healthy, learn tips for eating well, building healthy meal plans, and avoiding food triggers. Get moving, discover the benefits of getting and staying active. Manage stress, find out how to manage stress and deal with common barriers to change.”

Class will be starting soon and will be held on Zoom. The first class is Tuesday, Jan. 3, at 6 p.m. Sign up online at <https://bit.ly/3CGU3R6>. Contact Mary Gonzales at marygonzales@arizona.edu for more information.
