Deborah Ann Montano

Deborah Ann Montano, known to her loved ones as Deb, passed away peacefully on Oct. 19, 2021 from natural causes. She was 62 years old.

Deb was born in Superior, AZ on Aug. 18, 1959, to her loving parents, David and Verna Lira. She quickly emerged as a leader and was active throughout school and

her community in Student Council, Rainbow, and the Presbyterian Church of Superior. She was a talented musician, playing both the piano and flute, and played at

many local, state, and even nationwide events. One of her greatest achievements was being named Grand Arizona Flag Bearer in Rainbow.

After graduating from Superior High School, Deb went on to achieve both her Bachelor's and Master's degrees from the University of Phoenix, while working full-time. She followed in her father's footsteps, joining the copper mining industry.

She was praised by supervisors and peers for her stellar work ethic, striking intelligence, and particularly her caring, loving nature. Deb made many life-long friends in her years at Magma Copper Company, BHP, Phelps Dodge, and Freeport McMoran. While with Phelps Dodge, she was offered a Senior Controller position in Chicago, however, she was unable to accept the position as it had become increasingly difficult for her to travel due to a debilitating health issue. It was this that eventually forced her into early retirement.

One of the roles in life that gave her the most pride and joy was that of being a mother. Her daughter, Aja was born to her in January of 1980, and her son David in March of 1988. She also considered her stepsons Isacc and Santiago "Jimmy" Montano her children and opened her heart and home to them. Deb married David, Isacc, and Jimmy's father, Ildefonso "JR" Montano, and although they were divorced later in life, she remained close to her brothers and sisters in the Montano family.

Deb is survived by her parents, David and Verna; her sisters, Cheryl (Ruben) and Elaine (Charles); daughter, Aja (Josh); and her stepsons, Isacc and Jimmy. She was preceded in death by her son, David, as well as her paternal grandparents, Harry and Refugia "Cookie" Lira, and maternal grandparents, Otto and Cornelia Albert.

Services for Deb will be held Thursday, Oct. 28, 2021. Funeral service will take place via Facebook Live at 9:30 a.m.

Inurnment will take place after at 11 a.m. at Fairview Cemetery. Family requests anyone who attends to wear purple.

Copper Corridor Communities Seeing Increase of COVID-19 Cases

	Oct. 11, 2021	Oct. 27, 2021	Total Increase
Globe	1889	2046	157
Hayden	71	82	11
Kearny	299	325	26
Mammoth	219	224	5
Miami	539	594	55

San Manuel	401	429	28
Superior	413	423	10
Winkelman	215	225	10

Recently, State and National media have reported an increase in positive COVID-19 Cases. The communities of the Copper Corridor have also started to see an increase in positive cases. The new Delta variant of COVID-19 has been reported as highly transmissible. The CDC and other health officials warn that those who are not vaccinated should continue to practice physical distancing, wear masks in public and avoid crowded places and is also strongly recommending everyone wear a mask indoors and in group settings.

Governor Doug Ducey has signed executive orders that prohibit Cities and Towns from mandating mask wearing, limiting restaurant capacity or other enacting other physical distancing requirements. At this time there is no indication that there will be any restrictions put into place. Local schools are also prohibited from requiring masks be worn on campus.

COVID Vaccines are readily available at local clinics in the region including Cobre Valley Clinics in Superior and Kearny, Pinal County Public Health and Sun Life Clinics. Other chain pharmacies such as Walgreens, grocery store pharmacies and CVS also have vaccines available.

We last reported daily COVID-19 case increased on Oct. 11, 2021. Above is a chart showing our last reported number and the current number of total cases for each of the Copper Corridor communities through Oct. 25, 2021. Keep in mind that zip code data also includes unincorporated areas around a community. For instance, Riverside/Kelvin area is included in the Kearny zip code. Aravaipa and Dudleyville are included in the Winkelman zip codes, etc.

Those experiencing COVID-19 symptoms should seek testing and quarantine until they can confirm a negative test.

Working together, we can slow the spread of the virus across the Copper Corridor. Wear a mask in public, remain physically distant (6ft apart or more), practice good hygiene (wash your hands frequently, sanitize high touch areas) and stay home if you are not feeling well.
