Recently, State and National media have reported an increase in positive COVID-19 Cases. The communities of the Copper Corridor have also started to see an increase in positive cases. The new Delta variant of COVID-19 has been reported as highly transmissible. The CDC and other health officials warn that those who are not vaccinated should continue to practice physical distancing, wear masks in public and avoid crowded places and is also strongly recommending everyone wear a mask indoors and in group settings.

Governor Doug Ducey has signed executive orders that prohibit Cities and Towns from mandating mask wearing, limiting restaurant capacity or other enacting other physical distancing requirements. At this time there is no indication that there will be any restrictions put into place. Local schools are also prohibited from requiring masks be worn on campus.

COVID Vaccines are readily available at local clinics in the region including Cobre Valley Clinics in Superior and Kearny, Pinal County Public Health and Sun Life Clinics. Other chain pharmacies such as Walgreens, grocery store pharmacies and CVS also have vaccines available.

We last reported daily COVID-19 case increased on Sept. 27, 2021. Above is a chart showing our last reported number and the current number of total cases for each of the Copper Corridor communities through Oct. 4, 2021. Keep in mind that zip code data also includes unincorporated areas around a community. For instance, Riverside/Kelvin area is included in the Kearny zip code. Aravaipa and Dudleyville are included in the Winkelman zip codes, etc.

Those experiencing COVID-19 symptoms should seek testing and quarantine until they can confirm a negative test.

**Working together, we can slow the spread of the virus across the Copper Corridor. Wear a mask in public, remain physically distant (6ft apart or more), practice good hygiene (wash your hands frequently, sanitize high touch areas) and stay home if you are not feeling well.**

# San Manuel's winning streak quashed at Homecoming

By **Nathaniel A. Lopez**  
San Manuel Miner

On October 1, the San Manuel football team held its annual homecoming game. The 5-0 Miners were set to play the 4-1 St. David Tigers.

The first quarter started with a battle to score some points: the Miners posting 8 points, while the Tigers posted 14. By halftime, St. David held a 20-point lead over San Manuel. The Miners fought hard, and were able to put another 6 points on the scoreboard.

The game ended with a 14-48 final score, leaving the Miners with their first loss of the season, marking their record 5-1 now.

"We didn't have a good game we had a lot of mistakes. We played a team that was senior strong and we are

sophomore strong so we had to be on our A game," commented head coach Ernie Ivy, "We have some work to do to push forward."

The Miners will host a game against Cibecue on Friday, Oct. 8, with a kick-off time of 7 p.m. at Littau Field.

Isaiah Lopez runs the ball.

# Once-maligned trophies at home once again in San Manuel Gym

By Nathaniel A. Lopez  
San Manuel Miner

In August 2020, one photo sparked community outrage and backlash. The photo that rocked the community was of San Manuel High School Athletic trophies, thrown into a dumpster without care.

This event, now known as “Trophy Gate 2020,” was later discovered to be an accident due to miscommunication. But the fact still remained, a lot of those trophies were now damaged due to the incident.

With plenty of work to be done, San Manuel Alum, Vince Majalca took lead in the restoration of the trophies.

“I was an athlete and a coach for San Manuel High School. Many of those trophies I helped earn or coached the teams that won those awards,” said Majalca. “With my degree in history, I wanted to use my skills to give back to San Manuel Athletics, and the high school

in general. We have so much history in San Manuel, and with the crazy times happening now, we needed something to reconnect us with the town spirit that has gotten us through many a hard time.”

Vince first took to organizing the trophies, from ones that needed slight or no repairs to those that needed greater attention. Creative Awards of Tucson helped him out with the repairs. With assistance from the *San Manuel Miner*, Vince was able to access archived newspapers and sports stories.

“I went through every newspaper that the *Miner* published since 1953, as well as yearbook pictures, and photographs people sent to me that had trophies in them. That helped me identify the trophies that did not have name plates on them. This took exactly one year and two months. I spent 2 days a week at the *Miner* for at least 5 hours a day,” Majalca stated, “I also had [help from] alumni like Vern Stover and Kathy (Phipps) at the San

Manuel Historical Society.”

On Oct. 1, 2021, Vince’s hard work and dedication debuted at an open house presentation for the restored trophies and new displays, highlighting decades of San Manuel Miner excellence. Plenty of people, young and old, came to admire the trophies, taking pictures or pointing and talking about the pictures of the past teams.

“I’d like to thank my friends and family

for their support and encouragement. I’d like to thank those in the community that reached out and thanked me, donated money, or information to identify the trophies. James Carnes and Creative Awards especially for their help.”

Vince plans to work on procuring at least two more cases for future awards.

“What I’d like to say to the community is that the school needs help in other matters

Continued on page 15

All research and display of the trophy cases were completed by Vince Majalca, class of 1998. Special thanks to James Carnes of the San Manuel Miner for access to the archived newspapers. I would also like to thank Gregg Thompson and the team at Creative Awards for all the repairs and engraving of all the plaques and trophies. And finally, the high school for access to the yearbooks.

This historic display of San Manuel High school’s athletics is dedicated to:

**The Miners of the past.** May this display be a reminder of those who have influenced, impacted, or provided treasured memories of our time here, at San Manuel High School.

**The Miners of the present.** May this display of our history help you to appreciate your time here at San Manuel High School. Enjoy this period of your lives because your time here will become memories as well.

**The Miners of the future.** May our history inspire you to accomplish your goals. You can accomplish anything if you apply the fundamentals that those before you have lived by. Hard work, discipline, passion, and drive.

At right, some of the trophy cases in the San Manuel High School Gymnasium are full with repaired trophies going back decades. Also displayed is some of the research that Vince Majalca took on when he made this his project. Above is a letter that Majalca posted with the trophies explaining his process and to whom the trophies are dedicated.

besides athletics. They still need help financially through tax credits, support for any fundraisers that the students may have, or even volunteering. We all need to take an active role in our school system

regardless if we're parents or not," Majalca said. "These children really are going to be our future and we need to make sure they have every advantage available to them. As the saying goes, 'it takes a village'."
