Town of Superior paving the way to smoother streets

The Town of Superior has been working diligently to improve our roadway infrastructure. Since 2016 the Town has made many significant roadway improvements, and they know they still have a long way to go!

Town officials wanted to keep everyone informed on progress that has been made based on the town's Pavement Assessment Study, which is the study that provides the priority for each project. There are many pending pavement projects coming over the next few years.

Here is a rundown of what you can expect:

• Q4 2023 – Stansberry, Main to Porphyry. The \$130K project is part of the Transportation Pavement Study from 2017 and is paid for by the Town. The Town schedules one street per year, prioritized by the assessments in the plan. This is now complete!

Q1 2024 – Line Street, Lobb to Copper. This is funded by a \$225K Community Development Block Grant.
Q4 2024 – Panther/Queen Creek Bridge. This funded through a \$2.5 million earmark/grant from the Arizona State Legislature and is being designed and permitted now.

• 2025 – Main Street Repaying and Striping. This will be funded by a \$1.1 million federal grant. Only Main and

"There are numerous countries in the world where the politicians have seized absolute power and muzzled the press. There is no country in the world where the press has seized absolute power and muzzled the politicians" —David Brinkley Panther/Sunset are eligible for this funding, so the next grant application will be for Panther/Sunset. Total: \$3.9 million.

The town also has many pending grant applications to help fund additional road maintenance:

• North Lobb, Neary, and Kellner. These have been submitted for another \$1.5 million state earmark, and the town is hopeful. If it is not approved this year, they will try again next year. they should know by the end of next summer. This has passed the first phase of the approval process, but there is still a long way to go.

• Panther Drive Sidewalks, SUSD to US60. This is a

federal safety grant and is for improving safety on collector streets. Again, very few projects in town would qualify for this funding, but this project would improve pedestrian safety in that area, and tie into the new bridge. This has been approved for \$289K design grant from ADOT, and the town will follow up with a \$1.7 million construction grant after design is complete. Total: \$3.5 million.

The Town will continue to seek every possible grant dollar to improve our streets, as well as investing in regular maintenance. Look for more projects to be included in the future!

The Town of Superior has a number of paving projects planned for 2024 and beyond.

Superior infrastructure marching into the future with broadband partnership with Wecom

By Nathaniel A. Lopez Copper Area News

The Town of Superior continues to make strides, bringing modern infrastructure for its citizens.

On Friday, Dec. 1, the Town of Superior held a broadband ribbon cutting ceremony with Wecom Fiber at the Superior Multigenerational Center. Wecom's broadband network will connect anchor institutions of the community, including the Superior Enterprise Center, Superior Chamber of Commerce, Superior Police and Fire Departments, Town Hall, and the Superior Public Library. This will be the first phase of Wecom's initiative to bring high speed internet to every home and business in Superior.

The former gymnasium at the Multigenerational center was set up with a stage for those presenting to talk to the crowd. Wecom provided a table with coffee and refreshments. Opening the ceremony was Paul Fleming, CEO of Wecom.

"Thank you everyone for being here. We're thrilled to be here in Superior with this fantastic group of local leaders, and we're excited to talk about the fiber internet that we're launching today," began Paul Fleming. "Our goal is straight forward, it is to bring fast, affordable, reliable internet to every corner of Arizona. This means every home, every school, every business, every residence, everyone, and perhaps nowhere in Arizona needs broadband more than right here in Superior."

According to Wecom, there are more than 67,000 homes Continued on page 5

and locations in Pinal County that are registered by the federal government as unserved or underserved for high speed internet.

Dec. 13, 2023

"(This) includes virtually every single building in the town of Superior," Fleming added. "That's an acceptable statistic. It's unacceptable that a town as vibrant and thriving as your community is completely underserved."

Superior Mayor Mila Besich welcomed Fleming to Superior. She explained that the investment Wecom is making in Superior is a private investment, one she hopes will be expanded using federal funds coming to the State of Arizona.

"Since I've become the Mayor, one of the things that I've learned a lot about is digital equity. What is digital equity to me, might be different than what it means to a business owner, might be different what it means to a single mom, or a senior citizen in our community," she said. "We are so fortunate in Superior to have this opportunity to have this technology that is coming to our community. When I returned home in 2007, I had the opportunity to work for my good friend Hank Gutierrez. He was in charge of a project to bring high speed internet to Superior. It was kind of the first invitation that 'things are happening back home and vou should return'. I learned about digital equity before that was a buzzword, and that was because the Central Arizona Governments existed in our downtown. Yet they could not get high speed internet. This was a business that represented two counties, and 14 different communities, and we could not get high speed internet. The mine could have it. The county could have it. The town had a glimpse of it through

our police and library services. As I prepared my remarks, I thought about those moments, about how far we've come to arrive at digital equity for our community and how important that is.

"There was at one time a leader in this community that said 'we'll never have high speed internet here because the mineralization of geography in our community would prevent us from having that.' We were also told flat out by industry leaders that there would never be a return on investment for Superior to have high speed internet, and nonetheless we stayed resilient, every opportunity we had to work with local small business, whether it's been our small providers that are getting started today, to now being at a point where we can have Wecom Fiber come into our community. We are truly blessed, and on behalf of my colleagues on the council, our staff, and every resident in Superior, thank you, Wecom, for making this investment in Superior. We want to be a shining star for what rural Arizona can do, but we want to be partners in making sure there's digital equity for all, and Arizona's in the right point to do that and be a shining example, not only for our state, but in our entire country." Pinal County District 5 Chairman, Jeff Serdy praised Wecom and their choice of Superior.

"What's great about a community like this, the people chose to live out here," Serdy said. "They have every right to have the same services the metropolitan area has. People don't always want to live downtown, or in the city. These communities are the backbone of America, and this is so much for the students, the businesses, the police, and the first responders."

One of the early beneficiaries of the investment will be the Superior Enterprise Center. Arlynn Godinez, Program Director for Rebuild Superior Inc., spoke about the roll the Superior Enterprise Center fills for Superior.

"(The Center's role is) to serve as a transformative catalyst, to diversify Superior's economy through business services and workforce training, a one stop shop for resources, training, and information. A hub for connectivity and learning."

High speed internet, she explained, will help the growth of businesses and the community.

"With the help of Wecom, we can truly become the hub for connectivity and learning," concluded Godinez.

Senior Advisor for Economic and Workforce Development at Resolution Copper, Bryan Seppala spoke on how the broadband investment from Wecom will help grow the workforce and economy of the town and help Resolution Copper succeed in their programs that they have planned for the future.

Lastly Jessie Arroyos, Director of the Superior Chamber of Commerce spoke about the great possibilities of new businesses, and how current businesses will be able to thrive given the opportunity to have reliable and quality internet.

Following the remarks, the presenters went outside where they gathered to cut the ribbon. Mayor Besich held the gigantic scissors and cut the ribbon, signifying that the times are a-changing, and the future of Superior is moving forward.

Lazoya wins championship medal at Alfred Trejo Invitational

By Nathaniel A. Lopez Copper Area News

In October, the community lost a man who was a longtime supporter of the wrestling program at San Manuel. Two months later, the annual San Manuel Junior High School Wrestling Invitational Meet was renamed in his honor.

On Saturday, Dec. 2, the San Manuel

Junior High wrestling team competed in the 21st Annual Alfred Trejo Junior High Wrestling Classic Invitational. This is the first year that the tournament would be in memory of the late San Manuel Hall of Famer Alfred Trejo.

During the tournament, Ethan Lazoya was the only Miner wrestler to take home a medal, and it was the championship medal for the 142-lb weight class. "The Junior high wrestlers are taking to

my style of coaching and technique very rapidly and successfully," commented head coach Vince Majalca. "They had a very good opening match at Globe where everyone at least got one win. At the San Manuel invitational Ethan Lazoya placed fourth last year, and this year he was the tournament champion. The rest of the wrestlers performed well and were very close to a medal. This past Tuesday in Miami they represented San Manuel with pride, and excellence. Every week they're improving and they're learning wrestling at a high school level to the point that they are looking like freshman JV wrestlers. I look forward to the continuing success of these athletes and look to capitalize at the state tournament at the end of January where I believe some of these kids will be state champions."

Congratulations, Ethan and the other wrestlers, on a job well done.

Two wins for the Lobos this week

By Nathaniel A. Lopez Copper Area News

The Hayden Lobos this week took on two new roles in their adventures on the court – that of animal tamers and firefighters. The Lobos basketball team started off

their week with an intense game against Joseph City. The game started back and forth with both teams scoring evenly, by halftime the scoreboard sat at 20-20. The Lobos finished out the game strong and smart, and claimed the 41-36 victory, taming the Wildcats who had wandered into Lobo territory.

Keiston Pool led the team with 20 points. Mario Hong had 10 points; Deondre Collier had 7 points; and Kino Lorona and Tyler Garner both had 2 points.

The boys closed their week out with an away game at Valley Lutheran. The boys once again came ready to play, and doused the Flames with a big win, and a final score of 70-38. The Lady Lobos had a tough time on the court last week. They began their week with a home game against Joseph City. The girls played a smart defense, but were unable to stop the Lady Wildcats' fierce offense and passing skills.

Sienna Gonzales and Trinity Collier both scored 4 points; and Penelope Cruz and

Maria Sanchez scored 1 point. The game ended with a tough loss of 10-64.

The girls wrapped up their week with an away game against Valley Lutheran. The Lady Lobos played a tough game, and came close to closing the score gap that began at the beginning of the game. The final score of the game was 34-39, a close loss for the girls.
