Migration: how do they know?

By Maribeth Greenslade
Friends of the Oracle State Park

As daylight hours shorten and temperatures drop, a hint of Winter is in the air at Oracle State Park. Summer grasses have turned golden, trails and washes

invite hikers with the promise of less frequent snake encounters, and the birdsong suite includes our visitors from the North who have arrived in search of a milder climate. White-crowned Sparrows with their striking black and white-striped head pattern gather among the grasses to feast on the seeds, their songs unique and melodic. Ruby-crowned Kinglets flit and flick among the trees and bushes hunting for insects, behavior much like our year-round bundle of energy, the tiny Verdins. Three Towhee species, Spotted, Green-tailed and Aberts, are back and strutting their signature shuffle along with Canyon Towhees who are year-round residents at the Park. What a thrill to see all four of these beautiful towhee species in a single outing! And the piercing call of Northern Flickers is a sure sign that it is going to get colder.

And what of our summer regulars? Gone are the Turkey Vultures that often roosted as sentinels near the Park entrance, who gathered in kettles to climb thermals then glide South for warmer climes. Our warm weather flycatchers such as Vermillion and Ash-throated have left, and the through-flyers such as Hammonds and Dusky Flycatchers have mostly migrated. Colorful orioles, chatty kingbirds and swooping swallows have all departed, not to be encountered again until Springtime.

Birds make their migration journeys each year, often traveling thousands of miles, across deserts, oceans and mountains. How do they find their way? Scientists have studied this question for more than 50 years and it's generally accepted that, in part, birds use the sun and stars to guide them, and appear to inherit a sense of direction from their parents. A third sense, magnetoreception, is a bird's ability to sense the Earth's magnetic field which allows the bird to navigate because it senses the direction of magnetic (True) North. For a fascinating article combining biophysical chemistry, quantum-mechanical properties, and the anatomy of birds' eyes, see this this Scientific American article.

Whether "Snow-birds" such as Western Bluebirds, Northern Harriers, and Red-naped Sapsuckers, or heat lovers like Bell's Vireos, Lucy's Warblers and Western Wood-Pewees, amazing migrating birds actually learn and remember the way to places they have visited using sight, magnetoreception and their sense of smell. Let's hope they always find their way back to the Park!

Happy trails and good birding!

Bearcats, Lady 'Cats take on San Manuel

By Nathaniel A. Lopez
Copper Area News

The Lady Bearcats basketball team kicked last week off with an away game at San Manuel. The girls played tough, and put up a fight. With a 13-13 score at halftime, the game could have gone either way, but in the end the Lady 'Cats fell shy by 10 points. The final score of the game was 27-37.

Later in the week the girls joined the other teams competing in the Williams Route 66 Holiday Classic. The girls suffered a tough loss in their first game against El Capitan Academy, with a 8-42 final score. Their next game against Music Mountain ended with a close Lady 'Cat victory with a score of 25-22.

The next day they took on Northland Prep Academy, which ended in a 9-47 loss. Later in the day they played against Music Mountain again, claiming another victory with a 30-16 final score. [Final Tournament results not available at time of article and will be in next issue.]

The Ray boys basketball team started last week with a trip to San Manuel to take on the Miners. The Bearcats played ferociously, and created a point gap the Miners were not able to keep up with. The game ended with a final score of 52-17, giving the boys the win for the night.

On Nov. 30, the boys entered the Williams Route 66 Holiday Classic. They took on El Capitan Academy in their first game, which ended with a 30-46 final score. The second game saw the Bearcats play with vengeance, as they beat San Pasqual Valley 65-20. The following day, the Bearcats took on Ash Fork, and came out of that game with a close 36-30 victory. [Final Tournament results not available at time of article and will be in next issue]

The Bearcats will travel to take on Lourdes Catholic on Dec. 7. On Dec. 8, both teams will host San Pasqual Valley with a girls' start time of 5:30 p.m. and 7 p.m. for the boys. On Dec. 9, both teams will host Valley Union with a girls' start time of 5:30 p.m. and 7 p.m. for the boys.

Lady Lobos learning much on the court

By Nathaniel A. Lopez
Copper Area News

The Hayden girls basketball team started last week with a home game versus Miami. The Lady Lobos put up a fight, but suffered a tough loss, with a final score of 9-79.

"We learn through our mistakes not just the praise," commented Head Coach Jacque Pool, "[In the] Miami game we struggled with press and fast breaks but when we were able to defend and run our offense and defense effectively the team did well. Players of

the game offensively were Rya Lagunas, Sienna Gonzales and Trinity Collier. Defensively we Trinity Collier, Sienna and Maria Sanchez."

Later in the week, the Lady Lobos traveled to Desert Christian. It was another tough game for the girls, but they were sure to put up a fight. The game ended with a final score of 29-40.

"[In the] Desert Christian game, the girls came ready to redeem themselves and they did it defensively. They all brought what I needed as a coach to the court. To single out one girl with how they played is impossible. They

all performed like I needed them to. Offensive player of the game would be Sienna Gonzales with a 14-point game. She pushed the offense and as much as she was able to score she assisted her teammates as well," added Coach Pool.

The girls ended their week with a Saturday game against Mogollon. [Results not available at press time.]

The Hayden boys basketball team started their week taking on the Miami Vandals. The Lobos walked away with the win for the night, defeating Miami with a final score of 75-37. Later in the week, the boys traveled to Tucson

to take on Desert Christian. It was a tough game, which the Lobos spent trying to close the point gap, but were unsuccessful, resulting in a 47-68 loss.

The boys ended their week with a Saturday game against Mogollon. [Results not available at press time.]

Results for Lobos at Boyd Baker Basketball Tournament Nov. 20-22: 59-23 win over Patagonia Union, 49-31 win over Willcox, 66-34 win over Duncan, 63-78 loss over Bisbee.

The Lady Lobos and Lobos will take on Joseph City, and Valley Lutheran this week.

Four Miner wrestlers claim titles at Marana Tourney

By Nathaniel A. Lopez
Copper Area News

On Nov. 25, the Miner high school wrestling program brought some of its wrestlers to compete in the Marana JV Tournament. Seventeen Southern Arizona wrestling teams competed in the tournament alongside the Miners and Lady Miners. It was a day full of wrestling, and dusting off of the pre-season cobwebs.

"This was a tough tournament that challenged our kids. They competed and battled and it was great to see how much they improved from their first match

to their fourth. All 8 wrestlers won a match and set the tone for our varsity competition that starts in two weeks," commented head coach Daniel Najera.

It was a good day for the Miners, with four wrestlers claiming the champion title: Nico Chavez for the 113-lb weight class, Brody Fletcher for the 126-lb weight class, Daniel Najera for the 138-lb weight class, and Derek Anaya for the 144-lb weight class.

The varsity season will kick off on Dec. 6 with a multi meet against Catalina, Morenci, Benson and San Carlos, at Benson High School.

Miners host Ray in opening week

By Nathaniel A. Lopez
Copper Area News

It has been a busy opening week for San Manuel's girls basketball team. They started their 2023-2024 season by taking on their rivals from Ray at home.

The game was a back and forth battle, and the score even sat at 13-13 by halftime. Eventually the Lady Miners were able to gain their lead over the Lady 'Cats and claim the victory. The final score of the game was 37-27.

Leading their team in points was Gyannah Madrid, with 14 points, followed by Mariah Villalba with 11 points, then Jasmine Sanchez with 9 points.

Later in the week Fort Thomas came down to take on the Lady Miners. Unfortunately the girls were unable to claim the win for the night, as the game ended in a 27-52 final score. The girls ended their week with an away game at Baboquivari. The Lady Miners were not able to best the Lady Warriors, resulting in a 38-66 loss.

The San Manuel boys basketball team also kicked off their 2023-2024 season with a busy schedule last week.

Starting their week taking on the Ray Bearcats, the young team of Miners put up a fight, but were unable to come out on top. The game ended with a tough loss, and final score of 17-52.

Later in the week, the Miners hosted Fort Thomas. The boys spent the game trying to close the score gap, but the Apaches kept the divide growing, resulting in another hard loss for the boys with a final score of 19-63.

The following day, the boys traveled to Baboquivari, where they faced off against the Warriors. Breaking past the 20-point mark, the Miners still fell short during this game, which ended with a 22-86 loss.

On Dec. 5, the Lady Miners and Miners traveled to take on St. David. Results of these games were unavailable at press time. Later in the week, on Thursday, Dec. 7, both teams will travel to take on Patagonia Union with a start time of 5:30 p.m. for the girls, and 7 p.m. for the boys.

Proudly grown in San Manuel: Flower Mine wins state awards, exclusive contract

By Nathaniel A. Lopez
Copper Area News

Big things continue to happen at San Manuel's state of the art premium cannabis grow, The Flower Mine.

Recently, the business entered some of its products into the 2023 Fall Errl Cup, Arizona's largest cannabis festival and awards. This was the first time any products from The Flower Mine have been entered into competition to be judged since they first started their indoor harvest operations, only about a year ago. It ended up being a great turnout for The Flower Mine and The Flower Shop.

TFM and TFS claimed two third place medals, one in the Flower-Hybrid category with their San Manuel-grown High Variety: Purple Pomelo #4; the other was in the Edible-Beverage category with their Cannabis Beverage Co., High Tide. They claimed a second place medal in the Hand-Crafted Pre-Roll category for their San Manuel-grown, Ahwatukee processed, Shorties, Super Silver Haze. The Flower Mine and The Flower Shop also claimed a first place win in the Flower-Indica category with their San Manuel-grown, High Variety: Kush Mints, taking home an Errl Cup.

"This is something I'm extremely proud of for what our team has been able to accomplish here in a really short period of time," began Chief Cultivation Officer Cody Phillips. "Today it's November, our first harvest ever was in October [2022], we were at full capacity in January of 2023, so in six months at full capacity, to be able to deliver that quality says a lot about everybody that's in this building. One of the bigger challenges with large scale cultivation is you can get put in a category that is not craft-quality, and us, at our size, winning that award proves that it is possible. We are building strong teams, and that's what you have to have to deliver that quality. It means more to me for the people that are in here to get acknowledgment than anything. When we don't have great morale, camaraderie, or communication, the plants feel it. It works that way, it's that simple. It's something that's hard to obtain and maintain, but we're doing a really good job of it right now."

As well as the good news of their Errl Cup results and winnings, The Flower Shop has announced a major partnership with world famous hip-hop artist, and long time cannabis advocate and activist; B-Real of Cypress Hill and Dr. Greenthumbs cannabis products. This is following a tour of The Flower Mine given to representatives of Dr. Greenthumbs. San Manuel's The Flower Mine will now grow all of B-Real's Dr. Greenthumbs products that will be available in the state of Arizona, first exclusively at The Flower Shop, with plans to hit other dispensaries over time.

"[The partnership with Dr. Greenthumbs] came out of a passion for cannabis, that was the main thing that we hit home on when they were coming out here to evaluate this spot. I think the passion that drives both of us is the plant, and that united us. Our scale, our quality, our

ability to allow them a space to grow into, to have more offering if they choose to, I think was probably a positive thing and an attractive thing to them when they came here. We have a lot of respect for B-Real, as a person, as a cannabis advocate, as a community member, and what he's done for the culture," commented Director of Cultivation Patrick Corrigan.

"Them coming and visiting our facility, and seeing how organized, clean and well managed our entire team was, I think was a big factor. Dr. Greenthumbs, to me, is one of the more legendary cannabis brands there is, with a

figure like B-Real behind it, to know that we meet those standards, we know we meet them internally, but to get that validation is a good feeling for all of us," added CCO Cody Phillips. "I am extremely proud to be operating this facility in San Manuel. It means a lot to me, not just because of my wife's family, but everyone I've met from San Manuel has been absolutely amazing. You don't get good plants without good people."
