There's no place like hope for the holidays

Think of the holiday season... for most people, happy memories come to mind and being surrounded by loved ones. For children in the foster care system, it can be a harsh reminder of what is missing – family.

There are over 13,000 children in Arizona spending the holidays away from their parents and often their siblings too. While caretakers may try to make the day special, all the excitement of the holidays can leave children in foster care feeling very alone. With the help of the community, more children can find hope for the holidays.

If you find it in your heart this holiday season, this is an invitation to join CASA of Gila County or CASA of Pinal County, in whatever capacity you can. Not a single one of us has the power to change these children's past— what they have seen, what they have done, what they have suffered.

Every one of us has the power to change their future. All it takes is the heart to do so.

Mammoth-San Manuel Schools' international teaching staff settling in well

By **Nathaniel A. Lopez**
San Manuel Miner

Like many school districts in Arizona, the San Manuel school district faced a shortage of teachers going into the 2021-2022 school year.

"Sometimes it feels pretty devastating. You spend your whole summer just doing interviews, reaching out, going to job fairs, and sometimes you get nothing," Superintendent Julie Dale-Scott said in a kgun9 interview at the beginning of the school year.

Luckily, there were some teachers that answered San Manuel's call. Although, for these teachers, getting to San Manuel wouldn't be as simple as a car ride. All 12 of the teachers were coming from somewhere outside of the United States.

One of those people is 6th and 7th grade English/language arts teacher, Bashkim Uzairi. He studied and received a degree in English Language Arts from University of Tetovo in North Macedonia.

"Teaching gives you the opportunity of making an impact on society," commented Uzairi. He hopes to gain new skills, while sharing and learning international skills. Bashkim also wants to improve the quality of teaching and expanding his knowledge. He lives with his wife and son, and has interests in hiking, soccer and American football.

Sheryl Cayas Marco is the Elementary Special Education teacher. She attended Philippine Normal University, receiving a Bachelor of Science degree in psychology, majoring in educational psychology. She also holds a Master of Arts in Education, majoring in special education.

"I chose teaching as a career because it is my passion. It brings a sense of calling and deeper purpose, helping my students to grow, learn and develop independently especially in dealing and handling children with special needs. I see it as a blessing for me, because I touched a student's life in my own way and I'm glad to see them grow and improve every day," Marco stated. She has hopes to finish a course in sign language and pursue another course in Applied Behavior Analysis. Her hobbies are arts and crafts, baking and cooking, lettering, and designing. She lives with her husband and two sons.

Chona L. Leoncio is a fourth grade ELA, math, science, and social studies teacher. Leoncio studied at Southern Mindanao College in the Philippines. She received a bachelor's degree in education majoring in mathematics.

"I believe God planned for me to be a teacher, because he knew the passion of my heart," Leoncio commented, "[My career goal is] to touch the lives of my students, and guide them to become kind, respectful, and honest." Her hobbies include singing and dancing. She lives with her husband and daughter.

Dr. Archie M. Torcende is the new high school mathematics teacher. Torcende attended University of the Visayas in Cebu,

Philippines, receiving a doctorate in education, majoring in educational leadership and management, as well as receiving a master of arts degree in education majoring in mathematics.

"Teaching is touching the lives of learners. It requires passion and determination in sharing knowledge to the learners.

I chose this career because I want to hone the skills of the learners and prepare them for their future, through engaging them in varied learning activities in a conducive learning environment. I am compassionate in molding learners to become a good citizen in the community," Dr. Torcende stated. "I want to grow professionally through upskilling myself on the use of technology in the classroom and learn more on techniques in teaching American students." Torcende's hobbies include watching movies, listening to music, going to the beach, and hanging out with friends.

Grashiela Maribojo is the seventh and eighth grade English and language arts teacher. She has a Bachelor Degree in Secondary Education, majoring in English and language arts from La Salette University in the Philippines.

"Teaching is a noble profession, because teaching offers me the opportunity to exchange ideas and knowledge. Teaching is an enjoyable experience especially if the classroom is a bubbly lot with proactive students and learners. I believe that teaching is considered a very respected profession in all countries,"

everyday community members who donate their time to be the voice for a child. CASA volunteers are the eyes and ears of the judge in the community. Studies show that a child with a CASA volunteer is more likely to find a safe, permanent home, more likely to succeed in school, and half as likely to re-enter the foster care system.

No specific experience is needed to become a CASA volunteer. Anyone 21 years of age or older, who can pass a thorough background check and complete 30 hours of free training, is encouraged to apply.

NEW TEACHERS

Continued from page 3

commented Maribojo. “As an International Teacher, I wanted to grow as a Wholistic Educator, that’s why I like to have professional development goals for myself. I believe that Goals help me keep in check and lead to self-improvement. The role of a teacher has many dimensions and it a continues learning process.” Grashiela’s hobbies include cooking, sports, and traveling. She has three children and a husband.

Kristoffer Viloría teaches the high school’s special education/math push-in services and life skills. Viloría has attended multiple schools, receiving a Bachelor of Science degree in Psychology (Guidance and Counseling) from the Philippine Normal University. He received a Master of Arts in Special Education from the University of Perpetual Help System in the Philippines. Viloría is currently working on his Doctor of Education in Educational Management from Eulogio Amang Rodriguez Institute of Science and Technology.

“When I was a child, I had always been dreaming to be a teacher, stand in front of kids and do my best to inculcate learning among young and adult people. I believe I did not choose to be a teacher. I dreamed to be, and I have become one.” Viloría commented. “Many people say that this kind of job is unsatisfactory in terms of salary, and that is what makes it the

noblest profession among others. I believe that this is my purpose in life, and I want to leave legacy to the next generation, that is why I dreamed to become a teacher. It is hard, yes, but it is fulfilling, and seeing my students succeed and celebrating their success is incomparable to any kind of material this world can offer. I have been in this teaching profession for less than 20 years now and I don’t even feel I am getting tired nor weak. It is otherwise! In fact, I am becoming more motivated and determined to continue this profession till my last breath.” Viloría is hopeful that he will finish his Doctor of Education degree. He has hopes to teach at a college in his later years, sharing with his students his experiences as a special education teacher, and preparing them for the challenges they may face when they choose that career. “Teachers are agents of change,” Viloría concluded.

A round of applause goes to all of the teachers that came from around the world to hear San Manuel’s call for passionate educators.

Editor’s Note: Not all new teachers responded to our request for information. The other new teachers are: Kelly Batiancila, Jho Mar Factor, Gilbert Gumban, Rommel Rivera and Philip Sapasap.

Santa sets up second mailbox in Oracle; letter deadline approaches

Santa Claus has added another mailbox for kids to send him their holiday wishes. Mr. Claus has been working with the folks at the Oracle Community Center to establish this alternate posting station so all the children in the Tri-Community have ample places in which to send him their letters. OCC Board Members had to stand in for Santa Claus in this photo. The Miner made the appointment with Santa Claus, but due to his busy schedule he asked his honorary elves to help. Santa's little helpers are, from left: Ellie Brown, Steve Chavez, Dan Hibner, Elvia Schwenke and Bill Demeroutis. The box will be outside of the Oracle Community Center for drive through mailing. Mr. Claus has given the Miner permission to print the letters in our newspaper before they are forwarded to the North Pole for wish fulfillment. Santa's Express Mailboxes are also located at La Casita in Mammoth; Simply Something Groceries and More; San Manuel Library; and the Oracle Fire Station. Letters can also be placed through the slot in the door at the Miner office in San Manuel. Children wishing to send an email may send it to cbsun@minersunbasin.com. Letters must be received by Friday, Dec. 17, 2021, in order to be published in the Dec. 22, 2021, edition of the San Manuel Miner. This year, Mr. Claus has given us permission to accept letters through our Facebook page (www.Facebook.com/CopperArea). Just send us a message (PM) with your child's letter to Santa. The deadline to mail letters in Santa's special mailboxes is Dec. 17.

Small wins San Manuel JH Invitational

DJ Small pins his opponent in the championship.

The Junior High Miner wrestling team hosted the 19th Annual San Manuel JH Wrestling Invitational. Ten teams from Southern Arizona were in attendance. Safford repeated as tournament champions; and Pima was awarded the Team Sportsmanship Award.

Adrian Garibay started the tournament off with a :5 fall as the Miners placed 9th with 9 wrestlers.

“We have eight first-year wrestlers who we were able to recruit from the football season. They came into the season not knowing what to expect and have improved every day,” said Head Coach Julian Rodriguez. “I’m very proud of them. We wrestled tough today and now need to turn our focus on getting ready for the Safford Invitational next weekend.”

The JH Miners traveled to Eloy on Dec. 7 for a CJHL match. Results from that meet were unavailable at press time.

San Manuel JH Invitational results:

- DJ Small, Champion, 104 lbs.
- Daniel Najera, 4th Place, 125 lbs.

Tucson Marathon returns to Oracle

By Nathaniel A. Lopez
San Manuel Miner

On Saturday, Dec. 4, the Tucson Marathon, Half Marathon, and Marathon Relay took place.

The race’s starting point was in Oracle, off of Cody Loop. The Half-Marathon’s starting point was off of Biosphere Road. The 50K Marathon started first around 6:30 a.m., while

the 42-mile Marathon started at 7.

The variety of diverse runners ran through the chilly streets of Oracle. Stationed near Dr. Huntington Chiropractic were some volunteers of OWN Oracle, handing out water and Gatorade to thirsty runners.

The Pinal County Sheriff’s Office worked on maintaining safe streets for the runners. At the beginning, there were a lot of cars avoiding runners,

and runners avoiding cars, but as the race progressed the traffic lessened.

In front of the Oracle Inn a small family stood, cheering on the runners with applause and motivational remarks. In front of Waldo’s Gym lined the 6-mile mark, and also the relay exchange point. Runners grabbed their last water cups there before heading out of Oracle and on to Hwy. 77 leading to the Golder Ranch

finish line.

Winners were:

- Marathon, Dylan Sykes of Flagstaff
- Half Marathon Race Chairs, Valera Allen of Tucson
- Half Marathon, Miles Dunbar of Tucson
- Marathon Relay, FAST Ahwatukee of Phoenix
- 50K, Williams Miles of Happy Valley, OR

The runners come over the hill heading into Oracle during the 2021 Tucson Marathon.

1. The Department of Child Safety has filed a Dependency Petition pursuant to Title 8, of the Arizona Revised Statutes, Rules 4.1 and 4.2 of the Arizona Rules of Civil Procedure and Rule 48(D) of the Rules of Procedure for the Juvenile Court.

2. The Court has set an Initial hearing on the 14th day of December, 2021 at 11:00 a.m. and a Publication hearing on the 1st day of March, 2022, at 10:30 a.m., at the Pinal County Superior Court, 971 North Jason Lopez Circle, Florence, Arizona 85132, before the Honorable Jessica Dixon for the purpose of determining whether any parent or guardian named herein is contesting the allegations in the Petition.

3. You and your children are entitled to have an attorney present at the hearing. You may hire your own attorney or, if you cannot afford an attorney and want to be represented by an attorney, one may be appointed by the Court.

4. You have a right to appear as a party in this proceeding. You are advised that your failure to personally appear in court at the initial hearing, pretrial conference, status conference or dependency adjudication, without good cause shown, may result in a finding that you have waived your legal rights and have admitted the allegations in the Petition. In addition, if you fail to appear, without good cause, the hearing may go forward in your absence and may result in an adjudication of dependency, termination of your parental rights or the establishment of a permanent guardianship based upon the record and the evidence presented to the court, as well as an order of paternity, custody, or change of custody in a consolidated family law matter and an order for child support if paternity has been established.

5. Notice is given that DCS is proposing to substantiate any allegations of abuse and/or neglect contained in the dependency petition for placement in the DCS Central Registry. The DCS Central Registry is a confidential list of DCS findings that tracks abuse and neglect. If the court finds your children dependent based upon allegations of abuse and/or neglect contained in the dependency petition, you will be placed in the DCS Central Registry. See A.R.S. § 8-804.

6. If you are receiving this Notice by publication, you may obtain a copy of the Dependency Petition, Notice of Hearing, and Temporary Orders by submitting a written request to: SARAH K. HICKS, Office of the Attorney General, CFP/ PSS, 120 W. 1st Avenue, 2nd Floor, Mesa, Arizona 85210. The assigned case manager is Stefanny Ramos-Caldera and may be reached by telephone at (480) 341-1948.

7. Requests for reasonable accommodation for persons with disabilities must be made to the court by parties at least three working days in advance of a scheduled court proceeding and can be made by calling (520) 866-5400.

8. You have the right to make a request or motion prior to any hearing that the hearing be closed to the public.

National Wreaths Across America Day to be observed at Mammoth's Valley View Cemetery

On Saturday, Dec. 18, at 11 a.m., local armed service members who have passed away and who are laid to rest at the cemetery in Mammoth will be honored, part of a national effort to recognize their service to their country.

Valley View Cemetery in Mammoth, an official Wreaths Across America (WAA) location, will host a wreath-laying ceremony, joining more than 2,700 other locations across the country for National Wreaths Across America Day. Coordinated and led by local VFW Post 2767 and SaddleBrooke Ranch Veterans Club volunteers, fundraising groups have raised funds throughout the year to sponsor the placement of veterans' wreaths on the headstones of our fallen service members laid to rest there.

The Honoring of our local Veterans with celebratory tribute to their service and the placement of wreaths on the headstones of our local fallen service members laid to rest there will be a first for the Veterans section of Valley View Cemetery. This is an annual event, ensuring that the memory of those who served our country endures.

About Wreaths Across America

Wreaths Across America is a 501(c)(3) nonprofit organization founded to continue and expand the annual wreath-laying ceremony at Arlington National Cemetery begun by Maine businessman Morrill Worcester in 1992. The organization's mission – Remember, Honor, Teach – is carried out in part each year by coordinating wreath-laying ceremonies in December at Arlington, as well as at more than 2,700 veterans' cemeteries and other locations in all 50 states and overseas.

Christmas wreaths are laid at the headstones of fallen soldiers at Arlington National Cemetery. The fallen interred at Valley View Cemetery in Mammoth will receive these honors this year thanks to the local Veterans of Foreign Wars Post 2767 and SaddleBrooke Ranch Veterans Club. The two clubs raised funds to participate in Wreaths Across America.

ARC/NEPC welcomes new director

ARC of Arizona is the state branch of a non-profit national organization, funded through the Department of Developmental Disabilities, that provides services to individuals with developmental disabilities. In Kearny, ARC/NEPC is dedicated to training these individuals to be ready to work within their community.

ARC/NEPC runs a janitorial service, yard crew and thrift store. Services include outings, training, therapies and counseling, as well as skill development in self-care, communication and independent living training. There are also services for infants who are developmentally delayed.

The day program is located at 316 Alden Rd. in Kearny, but also provides services to Hayden, Winkelman, Mammoth, San Manuel, Oracle and all the way to Superior. The center is open Monday through Friday, from 8 a.m. to 3 p.m.

Monica Kenyon has been appointed as the new director of the ARC/NEPC after having served nearly five years on the Board of Directors. She has an Associate's Degree in Early Childhood Education and prior experience with Ray Schools, where she worked for 14 years in the CATS room coaching volleyball, softball and driving the bus. She made the change because she was ready for a new adventure, but in the same field of work.

Monica was born in Kearny to Abel and Cheryl Hinojos and was raised there with her brother, Isaac, and sister, Elysa. She still lives there with her husband, Keith Kenyon Jr., and daughter, Ameer Kenyon.

"I enjoyed listening to the success stories of either members or staff when I was on the Board and felt this is what I want to be part of," Monica said.

"I have worked with special needs kids for 14 years and have enjoyed watching them learn and grow into the kids they are now," she added. "As adults they are even more amazing in how independent they are and such hard workers. The love and care they show you is unconditional and true."

As its new director, Monica hopes to make ARC/NEPC a stronger influence in the community. Her goal is to help it grow, expanding the services that are offered and to be more involved in the local community, so that those who need its services will know what services are available and how to find them.
