She was born July 21, 1938, in McGill, Nevada. She grew up in a very loving home with four siblings. On Sept. 18, 1954, she married her childhood sweetheart, Ray (Mestas) Blair. In 1958, they moved their family to San Manuel, Arizona. In 1964, they built a home and moved to Mammoth, Arizona, where they lived for 36 years. Together, they raised four uniquely individual children, Ricky, Teresa, Taunja and Lance.

She was a devoted wife and mother who sacrificed daily to serve and share her love with her family. She was a faithful member of the Church of Jesus Christ of Latterday Saints and was sealed to her husband and family for time and all eternity in the Mesa Arizona Temple on Sept. 21, 1960. Computer give away tackles digital equity

When the pandemic closed down schools and families were forced to work from home, everyone across the world quickly realized that there was an even bigger need for digital devices, computers and high speed internet access for everyone. The term "digital equity" became even more meaningful, as everyone quickly realized that not everyone had the same access. Owning a digital device or having internet at home was no longer a luxury or for the wealthy and more fortunate; everyone needed devices and internet to function.

As the digital equity divide grew over the pandemic, Chicanos por la Causa teamed up with AZ StRUT (Arizona Students Recycling New Technology) to help families access technology for their families. This past Friday, CPLC and AZ STRUT teamed up with the Superior Enterprise Center to distribute over 250 computers to residents of Superior and the Copper Corridor. Residents gathered throughout the day to pick up the refurbished computers and learn how to use the computers and technology.

The next steps within the program is to help residents access lower rates for in home high speed internet and offer computer classes. With the increased need for home computers for bill paying, medical care, education and many other day-to-day communication, it is more important than ever for everyone to have a properly working digital device.

Superior Enterprise Center Director, Arlynn Godinez,

helped to coordinate the event connecting residents of the region to the program. The Superior Enterprise Center is a program within the organization of Rebuild Superior Inc. The Superior Enterprise Center has been funded by Resolution Copper through and agreement with the Town of Superior. The mission of the enterprise center is to help local residents with business mentorship and workforce development.

The relationships between the Superior Enterprise Center, the Town of Superior and Chicanos for la Causa have been supported and encouraged by Resolution Copper. CPLC and the Superior Enterprise Center will play strategic roles in the development of the land

Summary

On November 15, 2022, Arizona Water Company ("AWC" or "Company") filed a Notice of Intent to file a Rate Application with the Arizona Corporation Commission ("Commission").

On December 15, 2022, AWC filed a Rate Application for its Eastern Group which consists of the Southeastern Region (Apache Junction, Superior, Miami, Bisbee, Sierra Vista, and Winkelman water systems) and Falcon Valley (Falcon Valley, Oracle, Saddlebrooke Ranch, and San Manuel water systems).

The Company asserts that for the test year ending June 30, 2022 ("TY"), AWC had adjusted operating income of approximately \$3 million and an original cost rate base ("OCRB") of \$117.9 million and fair value rate base ("FVRB") of \$171.2 million resulting in a rate of return of 2.55 percent on OCRB. AWC's proposed rates and charges that would produce an overall revenue increase of \$9.7 million or approximately 32 percent, to produce an 8.21 percent rate of return on the Company's OCRB or a 5.97 percent rate of return on its FVRB. The Company requests that its new rates take effect no later than January 15, 2024.

In addition, AWC proposes further consolidation of rates within its Southeastern Region and Falcon Valley service areas. The Company also requests to continue its approved Central Arizona Project surcharge as well as its Purchased Power Adjustor Mechanism.

The Company requests to expand the applicability of its Arsenic Cost Recovery Mechanism ("ACRM") to address compliance with federal regulation of "forever chemicals" and to then rename the ACRM the Federal Compliance Cost Recovery Mechanism ("FCCRM"). AWC estimates that FCCRM investments will total approximately \$43 million. AWC also proposes to continue its System Improvement Benefits ("SIB") surcharge mechanism to recover a return on and of net investments made between rate cases for water main and water service connection replacements, and to be administered consistent with the currently approved SIB mechanism for the Eastern Group.

AWC requests the implementation of a new Tax Expense Adjustment Mechanism to allow it to adjust for changes to federal and state income taxes. The Company also proposes to increase the Water Availability Fee charged to developers in Apache Junction, and to implement a new Sustainable Water Acquisition Mechanism to acquire and maintain a sustainable water supply for the Eastern Group water systems. The Company's proposed rates and charges are intended to produce the following revenue increases within each service area:

Service Area	Fair Value Rate Base	Revenue Increase	Percentage Increase
Southeastern Region Includes: (Apache Junction, Miami, Superior, Bisbee, Sierra Vista, and Winkelman)	\$154,469,516.00	\$9,088,399.00	34.12%
Falcon Valley Includes: (Falcon Valley, Oracle, Saddlebrooke Ranch, and San Manuel)	\$16,710,797.00	\$669,409.00	17.11%

The Company's proposed rates and charges would result in the following monthly bills for a residential customer served by a 5/8" x 3/4" meter, with the indicated typical monthly usage:

Service Area	Current Rates [including current surcharges]	Typical Usage (gals/month)	Proposed Rates
Apache Junction	\$39.66	5,400	\$52.96
Miami	\$39.66	5,400	\$52.96
Superior	\$39.66	5,400	\$52.96

About Intervention

The law provides for an open public hearing at which, under appropriate circumstances, interested persons may intervene. An interested person may be granted intervention if the outcome of the case will directly and substantially impact the person, and the person's intervention will not unduly broaden the issues in the case. Intervention, among other things, entitles a party to present sworn evidence at hearing and to cross-examine other parties' witnesses. Intervention is not required for you to appear at the hearing and provide public comment, to file written comments in the docket for the case, or

to receive emailed notice of each filing made in the case by following the docket.

Information about what intervention means, including an explanation of the rights and responsibilities of an intervenor, is available on the Commission's website (www.azcc.gov) by clicking on "Cases and Open Meetings" and then clicking on "Intervene in a Case." The information includes a Sample Intervention Request and a Fillable Intervention Request Form.

To request intervention, you must file a written request to intervene, either (a) by filing a hard copy request (meeting filing requirements) with Docket Control (Docket Control, 1200 West Washington, Phoenix, AZ 85007), or (b) by eFiling the request. Your request must be filed or eFiled no later than June 12, 2023. Instructions and restrictions for eFiling are available on the Commission's website at http://azcc.gov/hearing/efile-for-utilities-instruction. You also must serve a copy of the request to intervene on each party of record, on the same day that you file the request to intervene with the Commission.

Your request to intervene **must** contain the information below:

- 1. Your name, address, and telephone number;
- 2. The docket number for the case in which you are requesting to intervene;
- 3. A short statement explaining:
 - a. Your interest in the proceeding (e.g., a customer of the regulated company involved, etc.),
 - b. How you will be directly and substantially affected by the outcome of the case, and
 - c. Why your intervention will not unduly broaden the issues in the case;
- 4. A statement certifying that you have sent a copy of your request to intervene to the regulated company or its attorney and to all other parties of record in the case; and
- 5. If you are not represented by an attorney who is an active member of the Arizona State Bar, and you are not representing yourself as an individual, sufficient information and any appropriate documentation to demonstrate compliance with Arizona Supreme Court Rules 31.1, 31.2, 31.3, 38, 39, and 42, as applicable. This only applies if you are NOT representing yourself and you are not a licensed attorney.

The granting of motions to intervene shall be governed by A.A.C. R14-3-105, except that all motions to intervene must be filed on or before **June 12, 2023**.
