OBITUARIES

Delia Aguirre Benavidez

Delia Aguirre Benavidez passed away on Feb. 16, 2021. After a long and courageous battle with liver disease, she ultimately contracted COVID-19, to which her untimely death is attributed. She was born to Manuel B. and Grace Aguirre on May 25, 1953.

After high school graduation, Delia married Robert "Tin", the love of

her life, on Dec. 3, 1971.

On Feb. 5, 1973 their first daughter, Robbie, was born. On Dec. 13, 1976, their second daughter, Kim, was born. Soon the grandkids came beginning with Derrick, Caesar, Alianna, and Dionna. Tin and Delia ultimately adopted their grandchildren.

Sadly, tragedy struck the family when Robbie lost her battle with cancer. It was the saddest day of their

lives. Through perseverance Tin and Delia pushed forward, raising their grandchildren. It wasn't easy but they overcame all the obstacles that came their way. Throughout this time, Delia managed her health issues by Tin staying by her side until the end.

She worked at the Hayden drugstore for many years and in Magistrate Court in Hayden and Globe for many years.

Delia is preceded in death by her parents and precious daughter, Robbie.

She leaves behind her husband, Tin; daughters, Kim, Alianna and Dionna; sons, Derrick and Caesar; sister, Beckie; brothers, Manuel and Bobby; and numerous nieces and nephews.

The family had a private Celebration of Life on Saturday, Feb. 27.

Robert Chavez Sr.

Robert "Bobby" Chavez Sr., 65, of Hayden, Arizona entered into eternal rest in the early morning of Sunday, Feb. 28, 2021.

Robert was born the youngest son of Guillermo and Cruzita Chavez on June 18, 1955 in Ray, Arizona. Robert grew up with a brother and four sisters. Robert attended Hayden High School and was a proud Hayden Lobo. He

graduated in May 1973. After graduation, he began his career at Kennecott/ASARCO as a local miner and proud member of the United Steel Workers Union 915.

Robert was a loving family man who treasured his wife "Mi Amor" Sherry, three sons and one daughter. Robert, or Tata as they call him, has 15 grandchildren. Over the years you could find Robert socializing with friends, celebrating with family, spending precious moments with his grandchildren, bringing smiles and laughter to all he encountered, or washing his Betsy (the big red truck).

Robert was preceded in death by his parents, sister Ruby Alderete, and grandson Myles Migliore. He will be lovingly remembered by his wife Sherry, his children Robert Jr (Bethany), Reuben (Jessica), Mike (Lisa), and Pamela, his many grandchildren, his siblings Guillermo Jr., Isabel, Gloria, and Valerie, many nieces and nephews, and a huge extended family.

Services for Robert were held Friday, March 7, 2021 at St Joseph's Parish in Hayden, Arizona. He was laid to rest at Mountain View Cemetery, Hayden, AZ.

Hayden-Winkelman Unified School District to return to in-person instruction

After one full year apart, students in the Hayden-Winkelman Unified School District will see their teachers in person next week.

On Wednesday, March 3, the Arizona Governor issued an Executive Order to reopen all schools for in-person instruction by March 15. On Thursday, March 4, the Hayden-Winkelman Unified School District Governing Board voted to return to in-person instruction for K-8 grades and implement a hybrid instructional model at Hayden High

School. All students K-12 will also be offered the opportunity to stay at 100% online instruction for the remainder of the school year.

The Hayden High School hybrid instructional model will provide two days of in person instruction, and two days of online instruction. The hybrid instructional model option may change to in-person instruction when the COVID-19 transmission rates decline in Gila County.

Parents will be contacted this coming week to ensure which option they would prefer, and which days of the week their child students be attending school at Hayden High School.

"I would like to thank our staff, students, parent, guardian and community for their patience and support during this difficult year. I want to assure you; the District will be offering many additional learning opportunities to our students over the coming years. I look forward to working

together to make our school the best," said Superintendent Jeff Gregorich.

Principal Pam Gonzalez added, "We have prepared for this moment for months, and I am very excited to see my students back in their classrooms. I know we will have some teary eyes that day because we have all missed each other so much. What started off as a spring break in March of 2020 has ended a year later. That's way too long, and Monday will be a special day for all of us."

Water Issues, A New Manager and the Kearny Ambulance

Hello there! February was a busy month for the town. Let me tell you about it. This update is to inform you and provide some transparency as to what is going on with the town and at the council meetings for those that may not be able to attend. Meetings are held on the third Monday of the month, unless it is a holiday and, in that case, the meeting will be held the next day.

One of the ways that you can help the town is by conserving our most valuable resource – water.

We were given a reduced allotment this year. You may have seen the notice put out on the town Facebook page, the website, or elsewhere on the internet. Because of our reduced allotment, we must be very careful as to how we use our water. We are making

sure that the wells are operating, but they are not at full capacity. We may look at ways to make Hubbard park drought tolerant while also enhancing the landscaping. We are unable to water freely at this time. You can help save water by reducing your water usage. If you have grass, consider watering for shorter periods of time. Desert landscaping in this region is also a popular option. We must all be committed to conserving water to help our town.

We selected a new Town Manager, Sharon Jakubowski Wolz. Sharon holds a Master's in Business Administration. She has a strong

Bearcats continue quest for state tourney; Lady Bearcats end season in first round of playoffs

By Nathaniel A. Lopez
Copper Basin News

On Tuesday March 2, The Ray basketball teams hosted Fort Thomas for the final game of the regular season. "We've struggled to get over the humps these last few games," Coach Vanessa Camacho commented on their 29-55 loss against Fort Thomas.

The boys team was able to close out their night with a high scoring game. The Bearcats scored 27 points in the first quarter, putting them ahead by six points. The second quarter also saw them score 26 points, while the third quarter they scored 35 points, finishing the fourth quarter with the lowest amount of the game, 14 points. The Bearcats finished their last regular season game with the win in a 102-76 game.

On Friday, March 5, the boys basketball team hosted Basis Flagstaff in the first round of the state playoffs. When the Bearcats came out, they had a visibly smaller group than Basis.

The game started with Johnavon Pace tipping the ball to his teammates. Alex Bravo was the first to score, scoring twice back-to-back. The pacing of the first quarter was very fast. The Bearcats were moving quick, and were able to switch from defense to offense smoothly. By the end of the first quarter the Bearcats already had 23 points on the board, putting them 19 points ahead.

During the second quarter Basis tried to close the gap, but the Bearcats kept putting points up on the board. Derek Figueroa made a buzzer beating shot at the end of the quarter. The Bearcats continued to play at a quick pace throughout the entire game, even Basis' fresh players who would come in would be worn down by the Bearcats unmatched pace. The boys closed out the night with another win, the final score being 73-48.

On Tuesday March 9, the boys will travel to St. David to continue their quest to the state finals.

Saturday March 6, the Lady Bearcats traveled to Anthem Prep for a state playoff game.

"We started off with hesitation and uncertainty, which didn't help us," said coach Camacho. "As time passed we picked up and hustled for the rest of the game and fell short." Coach Camacho applauded her team for enduring a tough season and playing with heart. The final score was 26-43. Closing out the Lady Bearcats season with an 11-9 record.

"At the end of the day, I couldn't have asked for a better team or season," concluded coach Camacho.

history of executive management and a background in the development and administration of operating and capital budgets. She has managed oversees banking operations for military personnel in Germany, worked at the Embassy in Turkey and directed Chamber of Commerce affairs for a community in California. She resides in Kearny. I feel that she is a fantastic addition to our town. Please give her a warm Kearny welcome, as you meet her in upcoming Meet and Greet events around town.

Cobre Valley Regional Medical Center has now taken over the Town of Kearny Ambulance service. They are also hiring for positions at the clinic. We are very grateful for their support with our ambulance situation. The cost of the ambulance was becoming an extreme burden on the town budget and depleting the budget of our much-needed funds. We really don't know what we would have done without them and all of those that were involved in the meetings and negotiations. I am sure everyone is grateful that the CBRMC has stepped up to support our rural communities.

Road paving went smoothly and swiftly. I understand the frustrations that come with roads being paved in front of

both businesses and homes. Hopefully the improvements will outweigh the irritations. The goal is to improve our streets while we have the funding available to do so. This improves the overall aesthetic of the community and will help our businesses thrive. We held a meeting and they started right away and for that, I am thankful. Ace Asphalt and Ray Camacho did a wonderful job.

We are seeing less COVID as people are vaccinated. Vaccinations are available at the Kearny Clinic. Call them to inquire. Cobre Valley Regional Medical Center in conjunction with the Gila County Health Department will also be offering vaccines to anyone 18 years and older in the town. Vaccines will be administered at Cobre Valley Regional Medical Center, 5880 S. Hospital Drive, Globe, AZ 85501 by appointment only. Call: 928-402-2888 to make an appointment. We have had a slight increase in cases locally, but it is still very low at around 6%, according to the AZDHS website. The Kearny community has done a really wonderful job of mitigating the spread of the virus. Please remember to respect those businesses that require a mask.

I hope to have more good news to share with everyone next month!

Shop at Home: Eddie Tire & Automotive/NAPA Auto Care Center

In April, COVID-19 brought much of Arizona's economy to a screeching halt. All businesses not deemed "essential" were ordered closed by Arizona's governor Doug Ducey.

The lockdown continued for nearly two months. When Gov. Ducey finally gave the go ahead to reopen, businesses slowly began the road to recovery.

Even those listed as "essential" had a challenge with this economic recovery.

Many small businesses and non-profits in Arizona didn't survive the lockdown. The businesses that did survive are hanging on as best they can. *Copper Area News* wanted to give something

back to the local business community. Over the next several weeks, our newspapers (*Copper Basin News*, *Superior Sun* and *San Manuel Miner*) will be featuring local businesses and non-profits, encouraging our readers to Shop at Home, stay local and support our local businesses.

It is hard enough making it as a small business in a small town during normal times. But to balance those difficulties during a pandemic adds an entirely different twist to things.

As an auto repair center, Eddie Tire & Automotive were deemed an "essential" business by the state's governor.

Owners Warren and Cheryl Chester and manager Eddie Chester worked hard to add COVID-19 protocols so they could remain open safely.

"We have a newly remodeled waiting area with comfortable seating and newly remodeled bathrooms," Cheryl said.

Eddie Tire has been in business for the past 33 years and they offer a variety of services for your vehicles. They have a 2 year/24,000 mile NAPA Auto Care Warranty on most auto repairs. They provide vehicle services and most automobile repairs including A/C systems, brakes, tune-ups, shocks

and struts, diagnostics and many other repairs. They install and calibrate Intoxalock Interlock systems.

"We are a Cooper Tire dealer," Cheryl said, explaining that most Cooper tires are made in the USA. "We sell, install and repair new and used tires. We sell many other brands also. Most tires not in stock can be ordered and picked up next day."

Eddie Tire is open Monday through Friday 8:30 a.m. to 5 p.m. and closed weekends. They are located at 648 W. Highway 177, Hayden. Give them a call at 520-356-6400 the next time you need help with your vehicle.

Figueroa to play for Mesa Community College

By Nathaniel A. Lopez
Copper Basin News

One young man took charge of his future last week.

On March 3, in the lobby of Ray High School's gymnasium with a banner of the school's mascot hanging above, a table sat with a letter of intent atop it. A small group of family and coaches gathered in masks, and at a distance to celebrate senior athlete Derek Figueroa signing a letter of intent to play baseball at Mesa Community College.

"Derek is a great athlete and has proven

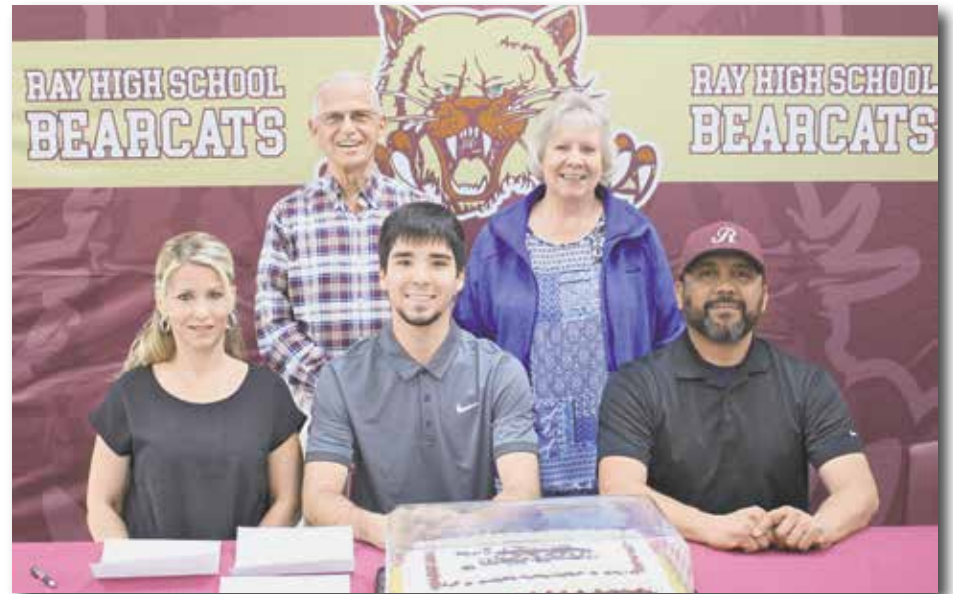

himself on the diamond as a top notch baseball player," said baseball coach Alfred Lechuga, "at short, on the mound, and with a bat."

Principal and Athletic Director Carlos Armendariz praised Derek for working hard to attain his goals.

"His signing the letter of intent validates the mission of Ray Unified School District, to have students be college and career ready," he said.

Derek will begin his senior season of baseball once the basketball season concludes.

Congratulations to this student-athlete.

Derek Figueroa, center, celebrated signing his letter of intent with his parents and grandparents.
