# March picks for readers at the Superior Public Library; curbside service continues

Superior Public Library is celebrating Women's History Month. Women's History Month is dedicated to reflect on the often-overlooked contributions of women to United States history. From Abigail Adams to Susan B. Anthony, Sojourner Truth to Rosa Parks, the timeline of women's history milestones stretches back to the founding of the United States.

The actual celebration of Women's History Month grew out of a weeklong celebration of women's contributions to culture, history and society organized by the school district of Sonoma, California, in 1978. Presentations were given at dozens of schools, hundreds of students participated in a "Real Woman" essay contest and a parade was held in downtown Santa Rosa.

A few years later, the idea caught on within communities, school districts and organizations across the county. In 1980, President Jimmy Carter issued the first presidential proclamation declaring the week of March 8 as National Women's History Week. The U.S. Congress followed suit the next year, passing a resolution establishing a national celebration. Six years later, the National Women's History Project successfully petitioned Congress to expand the event to the entire month of March.

# Honoring a volunteer

Americor VISTA member, Ray Roakes, was honored for his volunteer work at the Council meeting by Superior Mayor Mila Besich and Town Manager Todd Pryor for his service with the Chamber of Commerce. Roakes will be in Superior through January 2022.

## Clean sweep for the streets of Superior

While Rebuild Superior and volunteers spent the morning cleaning the cemetery, Chamber volunteers, including Kate Helton and Ray Roakes, picked up brooms and dust pans and swept Main St. in preparation for the Superior Mural Walk on the 19th, 20th and 21st. A team of six drove trucks and trailers throughout Superior, loading them with trash and general debris, bringing 10 trailer loads to the dump. Thanks to Manny Ramirez, Public Works Director, for arranging brooms, dust pans and a roll off, making all of this possible. Great job everyone. You're all part of making Superior shine!

# God Has Our Lives Planned Out – We Just Have to Say ‘Yes’

In Isaiah 25:1 we read, “O LORD, you are my God . . . You have done marvelous things, things planned long ago.” (In verse 9) “Let us rejoice and be glad in His salvation.”

We must realize that nothing happens by chance or accident. Everything that God has done or will do goes through a planning process – He prefers that we do things in order. When done right, the result is guaranteed.

With that understanding, we realize that as we move in His will, we will not fail. We will know that He truly does walk with us, we are not alone. With our Lord by our side, we will not get lost or confused.

Tough times require a planned effort to see our victory. God has our life planned out before we are born. We just have to

### Community Development Block Grant Program Pinal County Public Hearing Notice FY19-23 Consolidate Action Plan Amendment #2 and FY2019 CDBG Annual Action Plan Amendment #3

The U.S. Department of Housing and Urban Development (HUD) requires Pinal County to publish a five year Consolidated Plan and an Annual Action Plan outlining the use of HUD funds for the Community Development Block Grant (CDBG), HOME Investment Partnership (HOME), and Emergency Solutions Grant (ESG) programs. This public hearing is to adopt a substantial amendment to the FY19-23 Consolidated Plan and the associated FY19 Annual Action Plan to include ESG and CDBG-CV funds.

Pinal County has received an allocation of \$156,877 of ESG funding. ESG funds are new to Pinal County in the fiscal year 2021 and were therefore not included in the original Consolidated Plan. The FY2019-2023 Consolidated Action Plan Amendment #2 is to accept comments on the plan revisions and inclusion of ESG funds beginning in FY2021. Pinal County is seeking input on the proposed amendment.

Pinal County has received an allocation of \$1,497,324 of CDBG-CV funding. CDBG-CV funds are funds allocated under the third round of the Cares Act to prevent, prepare for, and respond to the coronavirus. Pinal County would like to invite the public to a public hearing to provide comments and the Board of Supervisors will vote on the proposed plan amendment to the FY19 Annual Action Plan. Pinal County has identified the following projects for the use of CDBG-CV funds:

1. \$1,067,324 – Renovation of an existing building to serve as Public Health and Emergency Management storage of emergency supplies, food, personal protective equipment, and refrigeration for vaccinations.
2. \$55,000 – City of Eloy installation of air purifying equipment in community buildings.
3. \$65,000 – Town of Mammoth economic development project.

6. \$20,500 – Town of Mammoth improvements to the public swimming pool.
7. \$250,000 – Pinal County Administration for CDBG-CV funding.

# Shop at Home: Rolling Rock Gallery - Copper Triangle

In April, COVID-19 brought much of Arizona's economy to a screeching halt. All businesses not deemed "essential" were ordered closed by Arizona's governor Doug Ducey.

The lockdown continued for nearly two months. When Gov. Ducey finally gave the go ahead to reopen, businesses slowly began the road to recovery. Even those listed as "essential" had a challenge with this economic recovery.

Many small businesses and non-profits in Arizona didn't survive the lockdown. The businesses that did survive are hanging on as best they can. *Copper Area News* wanted to give something back to the local business community. Over the next several weeks, our newspapers (*Copper Basin News*, *Superior Sun* and *San Manuel Miner*) will be featuring local businesses and non-profits, encouraging our readers to Shop at Home, stay local and support our local businesses. To date, *Copper Area News* has featured 33 businesses in the Copper Corridor.

It is hard enough making it as a small business in a small town during normal times. But to balance those difficulties during a pandemic adds an entirely different twist to things.

Copper Triangle - Rolling Rock Gallery is located at 160 Magma Avenue. This store is filled with so many things, one must allow ample time to visit the store. From educational toys, finished stones, jewelry, local art and home decor, there is something for everyone. Books, stationery and journals are also in an abundant supply. Looking for a fun, unique hat, or a plush puppet, they have it! Baby clothes or Superior souvenirs, they have those too. Unique local art, there is a plethora, at prices for every budget.

Like most rural businesses, every operation will have a variety of services and goods available. Inside the Rolling Rock Gallery is the Copper Triangle Mining Services. The mining services division offers temporary job placement services for employers in the region; those looking for jobs with the local mines, or other industries should inquire with Copper Triangle for their job search services. They also offer a wide variety of mining products such as waterproof journals, safety equipment, gloves, and other specialty mining tools.

The store is open Monday-Saturday, 8 a.m. to 5 p.m. To inquire about job services please contact Copper Triangle

Mining Services at 520-689-5200. The store is owned by Ron and Debra Knight, who also own Carlin Trend Mining Services and the flagship Rolling Rock

Gallery in Elko, Nevada. Kathy Long and Toni Lopez are the local friendly faces who will greet you to help you with any purchase or job service.
