# Drought conditions mean potential for early fire activity in some areas with widespread activity by June

Fire managers with the Arizona Department of Forestry and Fire Management say current conditions continue to line up for another potentially active fire season across all corners of the state.

Once temperatures warm up, the central and southern regions may see an early start to wildfire activity due to multiple factors, including the state's severe drought status, a lack of precipitation, and a carryover of heavy, grass mat in unburned areas. By June, fire managers say the potential for widespread, statewide fire activity exists

if precipitation remains minimal through early summer. Forecasters do expect La Niña conditions to linger for the next few months, however early indicators point toward a timely arrival of a normal monsoon season. Last year's extreme heat and lack of moisture coupled with a blanket of fine fuel across the Sonoran Desert provided a foundation for one of worst fire seasons in the state. More than 2,500 fires burned 978,519 acres of state, federal, and tribal lands.

Due to the ongoing COVID-19 environment, DFFM will again operate within its COVID-19 wildfire mitigation plan. Some items addressed under the plan include increased sanitizing of vehicles and equipment, social distancing and mask usage within fire camp and during briefings, and temperature checks for all fire personnel assigned to incidents. Again, this year, DFFM plans to provide engine patrols and stage crews in higher risk

## OBITUARIES

### Rita G. Romo

Rita G. Romo, 99, passed away peacefully, surrounded by her loving family, at her home in Chandler, AZ, on Feb. 26, 2021.

Born on May 21, 1921 in Tucson, AZ, to Maria and Leonides Gomez, Rita attended school in Nogales, AZ. Rita lived in Kearny for many years, working for Ray District Schools for 35 years as a secretary and later as secretary to the guidance counselor. She was also Pioneer Day Grand Marshal one year. Later in life, Rita moved to Chandler with her daughter and son-in-law, Sylvana and Julian.

She will always be remembered as someone who loved gardening, going out to eat, listening to music, dancing and watching the Lawrence Welk Show. Rita touched many lives. She helped raise many grandchildren and

great-grandchildren. She lived for her family, especially her grandchildren, who would sometimes affectionately call her "Nana Momo". Our lives and hearts will never be the same.

Rita is preceded in death by her husband, Jesus "Chito" Romo; brothers, Emiliano and Pedro Gomez; son, Emilio Flores; and granddaughter, Susan Rubal. Rita will be dearly missed by her children, Rudolph Flores, Norma F. (Richard) Celis and Sylvana R. (Julian) Acevedo; grandchildren, Albert, Erika and Rudy (Yvette) Flores, Teresa Gonzales, Leonard (Ofelia) Hernandez, Branden (Beth Ann) Hernandez, Stephanie (Mario) Celis, Christy Acevedo, Julian Acevedo Jr. and Jennifer Acevedo; 20 great-grandchildren and 10 great-great-grandchildren.

It is Rita's wishes that there be no services.

### Daniel 'Danny' Madrigal Sr.

On Sunday, March 14, 2021, Daniel "Danny" Madrigal Sr. passed away, surrounded by loved ones at the age of 76.

Danny was born in Clifton, AZ on Sept. 9, 1944 to Crisanto and Teresa Madrigal. His family relocated to Duncan, Arizona, where he attended Duncan High School. Just prior to his senior year, with his mother's blessing and written permission, he joined his first love – The

United States Marine Corps, in which he served proudly for 14 years. During his career he fought in the Vietnam War in 1967 and 1968. During this time he earned the Purple Heart Medal and Vietnam Service Medal with two bronze stars. He attained the Rank of Staff Sergeant, Drill Instructor, Rifle Expert and Pistol Sharpshooter.

Upon return, he made his way to Hayden, Arizona where he married a kindhearted woman by the name of Aurelia "Rally" Acuna, and worked at the Asarco Copper Smelter for over 25 years. He remained in Hayden for the rest of

his life.

He made numerous friends in the area, most of whom he met at work, and always enjoyed jokes and laughter with them. His wit and timing made him quick with a joke that always had people laughing. He was a photographer and animal lover who enjoyed a good Western, delicious food, and being active. He rode his bike for many years and made sure to take his daily walk until the very end.

After his beloved and devoted wife Rally passed away much too soon, he would be blessed with the companionship of Patsy Phelan, a wonderful woman with a loving family that he enjoyed spending time with. He would miss her dearly after she passed away.

Daniel is survived by his son, Daniel A. Madrigal; daughter, Kim Granado; and siblings, Lupe Madrigal, Marcos Madrigal and Margie Madrigal. He also leaves behind many nieces and nephews, all of whom loved their "Uncle" very much. He is also preceded in death by his mother, father and siblings, Martha Baca, Brigido Zamora, Socorro Juarez, and Chana Garcia.

Services for Daniel were held Saturday, March 20, 2021 at Griffith Mortuary. He was laid to rest at Mountain View Cemetery in Hayden, Arizona.

# Registration is open for Pinal Week of the Young Child free events

Community organizations across Pinal County are coming together starting April 12 to celebrate Week of the Young Child online.

First Things First (FTF), Arizona's early childhood agency, and the Pinal Early Childhood Coalition are collaborating to bring a series of free, hands-on, interactive online activities through Zoom that promote music, food, cooperation, art and family for parents and caregivers of children birth to age 5.

Parents and caregivers, can register at <http://bit.ly/PinalWOYC2021> for these FREE events.

FTF and the Pinal Early Childhood Coalition have coordinated a variety of local programs to promote diverse and engaging activities for parents and children. Participating local programs include:

- First Smiles
- Sensory and Developmental Screening and Strengthening Families through University of Arizona Cooperative Extension
- United Way of Pinal County Family, Friend and Neighbor

program;

- Apache Junction Fun Van
  - Child and Family Resources
  - Women, Infants and Children (WIC)
  - Banner Ironwood Medical Center
  - Child Care Resources and Referral
- Pinal County librarians from Apache Junction, Coolidge and City of Maricopa public libraries.

"Week of the Young Child is an important reminder of the need to intentionally engage young children at a critical stage in their development, while helping parents and caregivers learn about available resources," said FTF Pinal Regional Director Shannon Brown. "Especially in this time of social distancing, where many children have had reduced opportunities to interact with family and friends, we hope to support parents through this week of interactive games, activities, learning and fun."

Families and caregivers are asked to register for the events

by March 24 for each day they are interested in participating. Free activity bags will be made available for pick up starting April 1 at their closest participating library.

Parents can participate in one, or multiple sessions, offered at 9 a.m., 1 p.m., 3 p.m., or 6 p.m. Families unable to join live can find recordings of the events at <http://bit.ly/PinalWOYC21>.

The 50th anniversary of Week of the Young Child, which is hosted annually by the National Association for the Education of Young Children, falls on April 10-16 this year. Its intent is to focus public attention on the needs of young children and their families, while highlighting the local community programs that serve them.

areas to provide for faster response with the goal of limiting fire activity and spread, and ultimately, the amount of resources requested.

“Not one of us wants a repeat of last year. However, if we do not get more help from the public we may find ourselves in a similar, precarious situation. Eighty-two percent of 2020’s fires were human-caused and all likely avoidable if people paid more attention. State fire investigators responded to one too many fires started by folks using equipment or target shooting in restricted areas that sent sparks flying into dry fuel beds. It is imperative everyone takes personal responsibility and help us as we work together to prevent wildfires,” said John Truett, Fire Management Officer for

the Arizona Department of Forestry and Fire Management.

When working outdoors, always pay attention to the weather. Never burn on windy days or use equipment that can throw sparks. If having a campfire, be sure it is out and cool to the touch before leaving the area. Drown, stir, and repeat. Secure tow chains, ensure vehicles and tires are in good working order before getting on the road, and avoid pulling a vehicle over into tall vegetation.

Residents need to be proactive and create defensible space around their properties. Remove any dead or dying vegetation, keep lawns watered and mowed, remove flammable materials from around the exterior of the structure and remove leaves from

rooftops and gutters.

Sunday, March 28, begins Wildfire Preparedness Week with this year’s theme, “Preparedness is Year-Round.”

# Shop at Home: CopperNet Systems

In April, COVID-19 brought much of Arizona's economy to a screeching halt. All businesses not deemed "essential" were ordered closed by Arizona's governor Doug Ducey.

The lockdown continued for nearly two months. When Gov. Ducey finally gave the go ahead to reopen, businesses slowly began the road to recovery. Even those listed as "essential" had a challenge with this economic recovery.

Many small businesses and non-profits in Arizona didn't survive the lockdown. The businesses that did survive are hanging on as best they can. *Copper Area News* wanted to give something back to the local business community. Over the next several weeks, our newspapers (*Copper Basin News*, *Superior Sun* and *San Manuel Miner*) will be featuring local businesses and non-profits, encouraging our readers to Shop at Home, stay local and support our local businesses. To date, *Copper Area News* has featured 36 businesses in the Copper Corridor.

It is hard enough making it as a small business in a small town during normal times. But to balance those difficulties during a pandemic adds an entirely different twist to things.

International corporate giants Hewlett-Packard and Apple were started at home in garages. CopperNet was founded in March of 1998 by James Ruiz, the current President and CEO. He began the company in a spare bedroom at his parents' home in Dudleyville, Arizona. He was only 17 years old at the time.

Now based in Kearny, the company serves communities in Mesa, Queen Creek, San Tan and Phoenix. Rural markets include Kearny, Superior, Hayden, Winkelman, Dudleyville, San Manuel and Globe. CopperNet continuously invests in upgrading and improving their infrastructure and offers residential speeds up to 100 Megabits/second, and commercial speeds up to 10 Gigabit. During the COVID-19 pandemic, CopperNet's

essential services enabled students to take classes on line, employees to work from home, and created Wi-Fi hotspots for public use in high-demand locations for students.

In our community, CopperNet services the Cobre Valley Regional Medical Center to connect their hospital in Globe and clinics in Superior and Kearny with fiberoptic connectivity. CopperNet has been rated a TOP 10 Internet Provider in Arizona four years in a row, and for 2020 was ranked third. It has also been rated as TOP 5 fastest fixed wireless providers in Arizona.

Find out more at: [www.coppernet.net](http://www.coppernet.net) or follow them on Facebook @coppernetssystemsin.

CopperNet Systems is located at 331 Alden Rd. in Kearny. Their phone number is 520-363-9737. They are open Monday through Friday, 8 a.m. to 5 p.m. The help desk is available 24/7 by email to [support@coppernet.net](mailto:support@coppernet.net). *Many thanks to author Gerry Kaufhold.*
