Sens. Kelly and Sinema: Major Arizona priorities included in final government funding bill

Earlier this month, Arizona Senators Mark Kelly and Kyrsten Sinema announced that major Arizona priorities are included in the final omnibus budget bill, which funds the federal government through the end of the fiscal year and is expected to pass Congress this week.

Through Congressionally Directed Spending (CDS) requests made by the Senators, Kelly and Sinema secured federal funding for dozens of projects across Arizona. The projects will better equip law enforcement, invest in job-training programs, upgrade water infrastructure, expand access to healthcare, and more.

“From providing new equipment for law enforcement and better job training facilities for Arizonans, these projects are going to have a direct impact on communities across the state,” said Senator Kelly. “After months of work with Arizona mayors and local leaders, we are going to make key investments that create great-paying jobs, get Arizonans the skills they need, and make sure our state remains the best state to live, work and raise a family.”

“Working across the aisle, we secured investments in Arizona helping empower local communities to strengthen their water infrastructure, law enforcement, health care services, and more – today’s announcement is a win for our state and for hardworking families trying to make ends meet,” said Sinema.

See what Arizona leaders are saying about the funding Kelly and Sinema secured:

“We are appreciative of Senator Kelly’s and Senator

Sinema’s efforts to secure funding for the McCormick Wash flood control project. Completion of this feasibility study, and eventually this project, will protect the City from a catastrophic flood event that could destroy our City in its entirety. Senators Kelly and Sinema have championed this important project and we are grateful for their hard work,” said Globe Mayor Al Gameros.

“We are incredibly thankful for Senator Kelly’s and Senator Sinema’s persistence and hard work in helping us secure funding for our Commercial Driver’s License (CDL) course. This will allow us to train the next generation of bus and truck drivers at a time when there is a limited supply of available CDL course locations and at a time when there is also limited supply and growing need for bus and truck drivers in our country,” said Heather Dalmolin, Mountain Line General Manager and CEO.

“We are grateful for the support in securing funding for three critical projects for Pinal County as part of the FY22 omnibus appropriations bill. Installing Broadband service into rural areas, advancing flood mitigation work in Eloy, and upgrading the County’s Emergency Operations Center all serve to help better protect our communities,” said Pinal County Chairman of the Board of Supervisors Jeffrey McClure.

“Superior has the potential to grow exponentially in the future. Because of Senator Kelly’s and Senator Sinema’s hard work and determination to fund our Workforce, Entrepreneurship and Innovation Center, we will be able to attract good, high-paying jobs that will enable our Town to build a stronger, more diverse and sustainable economy. We applaud our Senators for their efforts,” said Town of Superior Mayor Mila Besich.

The funded projects include these projects in the Copper Corridor, and Gila and Pinal counties:

- City of Superior – Workforce, Entrepreneurship, and Innovation Center, \$2,000,000.

The Town of Superior will create an Entrepreneurship and Innovation Center to stimulate new businesses, a workforce training center to train residents in the high-paying skilled trades in demand in local industries, and a full-service multigenerational center to attract workers to new industry jobs and to live in the community.

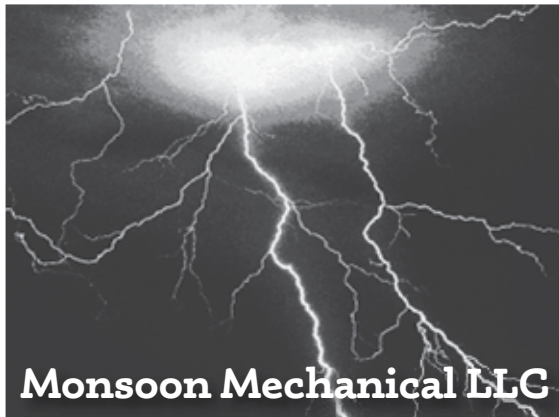

- Town of Mammoth – Public Safety Patrol Vehicles, \$140,000.

The Town of Mammoth will purchase new and reliable patrol vehicles with this funding.

- Army Corps of Engineers – McCormick Wash Flood Control Study, \$100,000.

The McCormick Wash is a nearly century old earthen tunnel that has fallen into disrepair and partially collapsed due to erosion. It is only a matter of time until it collapses further, threatening flooding in the city of Globe. This funding will jumpstart a flood control project to protect the city from flooding, an investment which would protect the federal government from more costly mitigations caused by

AmeriCorps crew blazes trails in Superior

The Town of Superior was once again fortunate to be awarded an AmeriCorps NCCC team to volunteer in Superior. The Town submitted a grant application to have a crew come and work on building fire breaks and establish new trails on the Legends of Superior Trails.

In late January, the crew of eight young adults and their advisor arrived in Superior and they have been steadily working on clearing out brush and debris off of old Phoenix road. The team is named Earth Team 4 and is comprised of eight young adults from across the United

States: Leah Doyle from Iowa, Diane Barbosa from California, Evan Woolsley from Wisconsin, Silva Nessel from Montana, Emma Ferren from Illinois, Louisa is from California and Neil Grube is from Minneapolis, Minnesota. These young adults are committed to a full year of service working across the country with non-profits. When they complete this service they will receive a financial education award. They are provided a small stipend each month for their living allowance during their service.

Recently the Town of Superior acquired the property from Dr. Glenn Wilt which is in the flood way and is not able to be used for commercial or residential development. Dr. Wilt donated the land to the Town and now with the new trail being constructed the Old Phoenix Road area will be connected to the US 60 Park across the creek. The team built a new loop trail which connects into the main alignment of the LOST trail (miners & ranchers) segment.

The Town will be working to continue to clear the area and develop the area for recreation. In addition to the trail

construction, the overall job of clearing out the property has created a fire break to help stop fires in the Queen Creek channel. After the Telegraph fire last year, the Town has been working with both private and public land managers to develop stronger fire breaks around the community. Fire breaks help to slow down fires and create a defensible space to protect the community.

The AmeriCorps Crew came from different cities across America. Prior to their work in Superior, the crew worked in Tulsa, Oklahoma planting trees in an urban area. Following their assignment to Superior, the team will travel to Houston to assist with housing repairs for low income residents.

The week of March 13-19 is AmeriCorps Week, a week to recognize the work of the millions of Americans who have chosen to serve through AmeriCorps, AmeriCorps Seniors and also to help encourage others to join this important program. In early 2020, the Town of Superior also hosted an AmeriCorps team that helped to build other segments of the Legends of Superior Trail.

Vietnam Veterans recognized during ceremony; community says, thank you for your service

During the community Tardeada on Sunday, March 27, 2022, the Superior American Legion and the VFW Harry Truman Post #3484 hosted a recognition of Vietnam Veterans from Superior and the surrounding Copper Corridor area.

The ceremony included speeches from Mary Montiel, the VFW Women's

Auxiliary President, VFW Commander Gabe Munoz, American Legion District 4 Commander Jose Maldonado, Mayor Mila Besich and Mike Montiel, who serves as the Commander of the Superior American Legion Post #17.

During his remarks, Commander Montiel shared how this ceremony meant so

much to him, because of the service of his uncles, who served in Vietnam. He mentioned that many Vietnam Veterans, were recognized with medals but never actually received the actual medals. The veterans at the ceremony were presented with medals or a Vietnam Veterans ball cap. Local vocalist, Frank Rabago sang

the National Anthem and God Bless America.

The Vietnam Veterans recognized were: Fred Crespin, Dan Levendowski, Dale Shacklett, Dave Lindsey, Froylan Torres, Richard "Pro" Provencio, Mike Mooney, Lloyd Wilson, Lynn Foss, Danny Nelson and Joe Romero.

It was a beautiful spring afternoon for a community Tardeada.

Pinal County to end transportation tax on businesses

Due to a recent Arizona Supreme Court decision, the Pinal County Transportation Tax has been invalidated. Beginning in April, the Pinal County combined tax rate for most businesses will decrease by .5%.

In the November 2017 special election, voters approved Proposition 417, which introduced a county transportation tax in addition to several other excise taxes levied by Pinal County. This tax became effective on April 1, 2018.

As part of a legal challenge to the unique tiered structure of the Pinal County Transportation Tax – and subsequent appeals of lower court decisions – on March 8, 2022, the Arizona Supreme Court found that the tax is invalid and affirmed an earlier Arizona Tax Court decision that the entire tax would be invalidated as a result.

ADOR and tax software vendors are working hard to get the necessary programming changes completed both

for proper collection and reporting purposes. In the meantime, if point of sale systems continue to include the tax and cause businesses to collect the tax, under Arizona law, they will be first required to report and pay the amounts using the Excess Tax category when they file their returns before they qualify for a refund of the monies.

ADOR is working on a comprehensive plan to refund taxpayers the money they have paid in the invalidated tax, along with any applicable interest. We will be providing additional details on this process as soon as we can.

Taxpayers will continue to be liable for the other excise/privilege taxes levied by Pinal County, which are the general excise tax, excise tax for roads, and public health services district tax. Please note that ADOR shows these separate county-level taxes as a single combined rate with applicable state-level transaction privilege taxes on the tax rate tables the agency publishes on a monthly basis.

Public Hearing Notice

Pinal County Public Hearing on the use of HUD program funding and approval of FY2022 Annual Action Plan

The U.S. Department of Housing and Urban Development (HUD) requires Pinal County to publish a five-year consolidated plan and annual action plans outlining the use of funds for the Community Development Block Grant (CDBG), Home Investment Partnership (HOME), and Emergency Solutions Grant (ESG) programs.

All Pinal County citizens are invited to voice their comments regarding housing and community development needs, strategies to meet identified needs, and identifying barriers to those needs. Public input is an essential component of this planning effort. The Pinal County Board of Supervisors, in conjunction with the cities and towns of Eloy, Florence, Mammoth and Maricopa would like to invite all members of the public to a public hearing on May 4, 2022 at 9:30am. The public hearing is to accept comments on the proposed FY22 Annual Action Plan for the use of CDBG, HOME, and ESG funds.

Pinal County will receive an approximate amount of \$1,800,000 in FY22 CDBG funding. Four participating cities and towns have elected to join the county's entitlement program and may receive funding under this allocation. Those communities include: Eloy, Florence, Mammoth, and Maricopa. Pinal County will also receive approximately \$620,000 in HOME funding, and \$160,000 in ESG funding. Pinal County is seeking input on the Annual Action Plan which outlines the proposed projects to include:

1. Administration of CDBG program and funding for a consultant to assist with the planning process = \$200,000. This amount will be adjusted once the HUD award amount has been determined.
2. Randolph sidewalk design and installation = \$1,131,427 to benefit 2,310 persons of whom 63% are low and moderate income (LMI). This project amount will be adjusted based on the total HUD award after all other projects are funded.
3. San Manuel Senior Center improvements = \$96,896 to benefit over 60 seniors of whom 100% are presumed to be LMI.
4. Eloy Jones Park improvements phase two = \$230,000 to benefit 9,610 persons of whom 69.25% are LMI.
5. Florence ADA compliant sidewalks = \$130,000 to benefit 235 persons of whom 100% are LMI.
6. Mammoth demolition and clearance project = \$130,000 to benefit 1,530 persons of whom 69% are LMI.
7. Maricopa infrastructure design and construction = approximately \$250,000 to benefit 76 persons of whom 100% are LMI. The funding amount will be adjusted based on the total entitlement allocation for Maricopa less the 20% administration set aside.

HOME

1. Administration of HOME program = 10% of total award estimated around \$62,000.
2. CHDO set-aside for housing development = 15% of the total award estimated around \$93,000.
3. Housing development = the remaining balance of the award estimated at \$651,000 to serve LMI households/persons.

ESG

1. Rapid re-housing and case management services to persons experiencing homelessness = \$70,000.
2. Emergency Shelter = \$90,000

Panthers post 10-4 win over Bearcats

By Nathaniel A. Lopez
Superior Sun

The Superior baseball team kicked off last week with a March 22, home game against Tempe Prep. The game started off slow, with no runs being posted until Tempe Prep posted 1 run in the third inning. The Panthers posted 5 runs in the fifth inning, putting them behind by 1 run. During the seventh inning, Tempe Prep posted 2 more runs, while suppressing the Panthers from scoring. The final score of the game was 5-8 in Tempe Prep's favor.

"Errors cost us in that game, six of them," stated coach Manuel Ortega. "Out of their eight runs, only four were earned. We didn't back our pitchers by making plays for them."

The following day, March 23, the Panthers and Lady Panthers hosted Ray. The boys came out strong with a 4-run first inning. The Panthers were able to keep Ray off the board until the fourth inning, but the Panthers were still growing the score gap. The final score of the game was 10-4 in the Panthers favor.

Joel Romero pitched 5.1 innings, collecting 6 strikeouts, and only giving up 3 runs. At the plate Zach Duarte went 3-4 with 3 RBIs.

"We played 10 times better. We beat our rival. We put the ball in play more and we helped our pitcher out a lot that game," stated coach Ortega. "We have to improve on our defense and cut down on the errors. Errors have been our Achilles Heel this year, so when we tone them down, then we will be ok."

The Lady Panthers started off their game with heat, posting 2 runs for the first inning. Ray struggled to get past the Lady Panthers' defense, only able to post 2 runs for the whole game. The final score of the game was 6-2. Danika Bryant, Alianna Lopez, and Myika Cruz lead the team at the plate, each with 2 hits. Myika Cruz had 2 RBIs, followed by Alianna Lopez and Mira Estatico both with 1 RBI.

The next day, March 24, the Lady Panthers went to compete in Epic Tourney's Softball Classic hosted by Chandler Prep. Their first game of the tournament was against Kingman Academy. The Lady Panthers showcased their tough defense against Kingman Academy, not allowing them to score for any of the six innings played. The Lady Panthers shut them out with a final score of 8-0.

Their second game of the day was against Poston Butte. The game started in the girls favor, with a 4-0 lead by the beginning of the third inning. Poston Butte were able to get 3 runs through the Lady Panthers' defense in the bottom of the third, putting them 1 run behind. No one scored for the fourth inning. The fifth inning saw Poston Butte break another 3 runs through their defense. During the sixth inning, the girls tried to catch up, but were only able to post 1 run. Holding Poston Butte from scoring anymore in the sixth inning, the game ended with a 1-run difference with a close final score of 5-6 in Poston Butte's favor.

The Lady Panthers met up with Bagdad for their first game of day two. The girls struggled to break through Bagdad's defense, and were only able to post two runs throughout the entire game. The game ended with a 2-20 final score, ending the Lady Panthers' tournament run.
