# OBITUARY Joyce Elaine Pyritz

Joyce Elaine Pyritz, 82, of San Manuel, Arizona passed away peacefully in her home surrounded by her children, grandchildren, and great grandchildren on Feb. 26, 2021. Joyce was the only baby ever born at Fairmount Hospital in Kalamazoo, Michigan where her mother was recovering from scarlet fever. She was born Nov. 17, 1938 to George and Lula Le June Sanders.

Joyce met a handsome, dark-haired man with an amazing smile while she worked at KVP (Kalamazoo Vegetable Parchment) paper mill in Michigan. His name was Sam and after a whirlwind courtship of a legendary three weeks they were married. Sam and Joyce had such a wonderful love story that left a legacy of love to their family and friends. In March of 1967 Sam and Joyce packed up their family to head to the land of opportunity in San Manuel, Arizona and Magma Copper Company. The copper strike in June of 1967 made the move shortlived and the Pyritz family moved back to Kalamazoo. However, they loved the mountains and the favorable moments that waited for them out west, so in June 1970 they headed back to San Manuel and settled in for good.

While Sam worked at Magma, Joyce was employed at Creed's Market and State Farm Life Insurance before getting a position as a mailroom clerk at Magma where she was employed until the mine closed in 1999. Joyce liked her work but her greatest joy was taking care of Sam, raising her four children and enjoying her grandchildren. She truly was the heart of her home and family meant everything to her. Joyce was always up for the adventures that Sam would take her on whether it was traveling to Michigan, visiting the casinos, or enjoying time with their family and friends. They were always together and

enjoyed each other immensely. They truly had a wonderful life and built and amazing family. Joyce will be forever missed, remembered, and loved by her son Don (Cecilia) Pyritz of San Manuel, Arizona, her daughter Lauri (Charley) Ivy of San Manuel, Arizona, her daughter Dr. Shelly (Avnel) Hogan of Maricopa, Arizona, and her daughter Lynette (Johnny)

Wells of Vail, Arizona. Twelve grandchildren, Jacob Ivy, Heather (Jason) Brown, Chuck (Megan) Ivy, Joshua (Lyndsay) Cruce, Delora Pyritz, Mark Cruce, Ariel Hogan, Gage (Heidy) Hogan, Wyeth (John Doty) Hogan, Connor Wells and Brian and Denise Nielsen. Eleven greatgrandchildren, Maya, Aidan, and Tyler Brown, Hailey and Emiley Ivy, Tyler and Kaitlyn Cruce, Liliana Hogan, Kayla Ivy, and Rylan and Brooklyn Nielsen and one great-great grandchild, Addisyn Craighill. She also leaves behind two sisters, Dorothy Sleeman and Vicki (Philip) Pettitt as well as many cousins, nieces, nephews, and friends.

Joyce is preceded in death by both her parents (her father died in World War II in the Philippines), her brothers, Jack and David, and her sister Kathy and greatgranddaughter Cailyn Brown. Joyce also lost the love of her life, Sammy Joe just 18 months prior and shortly after their fifty-seventh wedding anniversary.

Joyce will always be remembered for her generous heart, amazing cooking, sure wisdom, and wonderful hugs. She truly was a wonderful wife, mom, and Nammy and our hearts will always miss her. Joyce and Sam were always together in life and now they are together again forever. We love you mom, give dad a hug and a kiss from us.

A Celebration of Life will be held on Friday, March 5, 2021 at 1:00PM at the Vistoso Funeral Home, 2285 E. Rancho Vistoso Blvd., Oro Valley. Visit Joyce's online guestbook at www.VistosoFH.com or call 520-544-2285 for information.

# Resolution Copper Needs to Move Forward - With Permits in Place

Superior is my hometown where my family has lived for generations. As its name implies, it is one of the most superior and scenic places in Arizona. From the surrounding mountains and canyons to trails and rock climbing to waterfalls, the magic of Superior's way of life can be felt. Superior is also a historic mining town where many critical mining engineering feats took place and where some of the world's largest copper deposits have been found. Revolutionary designs in mining like the first air conditioned mine and the longest and deepest single-lift mining shaft were constructed here. We are proud of our mining heritage, and as a community, we have a healthy respect and clear understanding for the challenges that the boom and bust cycles of mining have created for our community and our region.

Arizona's Copper Corridor is the equivalent of Yukon gold. Some of the richest and most accessible copper ore deposits are found here in eastern Pinal and southern Gila counties. Two of the three copper smelters left in the United States operate in our region. Mining belongs in this part of Arizona and it can be done responsibly while protecting the environment and the beautiful landscape that we love and cherish.

When the Resolution Copper project was introduced to Superior, it brought a glimmer of hope and opportunity to our small, close-knit community. Its predecessor, the Magma Mine, was shuttered in 1996 and opportunities were scarce for Superior to provide employment and business prospects for our diminishing population.

If the Resolution Copper project comes to fruition, it will employ some of the most technologically-advanced and modern mining techniques ever. It will have passed the most thorough and exhaustive environmental permitting ever and it will boast new jobs focused on robotics and other innovations that will make this the most sophisticated, advanced and environmentally-sensitive mine in the United States. This opportunity was critically important to the Town but not at the cost of the long-term sustainability of our community and protection of our precious environmental resources that makes us Superior. Our community goal has always been to be a town with a mine – not a mining town. This project helps us achieve this.

From the day this project was proposed, Superior chose to actively participate in the Resolution Copper Environmental Impact Statement. We chose to work with our Congressional delegation to bring to light areas that needed mitigation. We proactively engaged with officials at the Tonto National Forest and Environmental Protection Agency. We chose to stay at the table and negotiate with Resolution Copper to ensure that we had mitigation agreements in place to protect Superior's environment and socio-economic impact now and for generations to come.

Most importantly, the leadership of Superior understands that this ore body is not going to magically disappear; it will be mined and it should only be mined with the full permitting requirements of the environmental impact statements. Our active participation in the process affords me the confidence to unequivocally state that this mine must move forward for the betterment of Superior and our surrounding communities and to protect the precious environment that we revere. Recent political maneuvers, fostered by opposition groups to reject the EIS, have created yet another roadblock to the progress of this mine and, ultimately, the future of Superior. If these opposition groups are successful, they will have opened up "Pandora's box", as the lands at Oak Flats will still be officially exchanged in March and the ore body will still be there. With Resolution Copper in full ownership of the lands currently held by the federal government, they could still mine the property. However, their ownership of these lands will mean

# Tonto National Forest withdraws Final Environmental Impact Statement for Resolution Copper

On March 1, 2021, the United States Department of Agriculture which oversees the United States Forest Service made the following announcement on its website (https://www.resolutionmineeis.us) regarding the Resolution Copper Project. On Jan. 15, 2021, the Tonto National Forest released the Resolution Copper **Project Final Environmental Impact** Statement (FEIS) and draft Record of Decision (ROD) for objection. In the time since these documents were released, the Agency and Department have received significant input from collaborators, partners, and the public through a variety of means. Today, USDA directed the Forest Service to withdraw the Notice of Availability and rescind the Final Environmental Impact Statement and draft Record of Decision. The pre-decisional objection period will be halted as well. The project is proposed on Oak Flat, a site sacred to numerous Federally Recognized Tribes in the Southwest. The Department is taking this step to provide an opportunity

for the agency to conduct a thorough review based on significant input received from collaborators, partners, and the public since these documents were released. The recent Presidential Memorandum on tribal consultation and strengthening nation to nation relationships counsels in favor of ensuring the Forest Service has complied with the environmental, cultural, and archaeological analyses required. USDA has concluded that additional time is necessary to fully understand concerns raised by Tribes and the public and the project's impacts to these important resources and ensure the agency's compliance with federal law. USDA and the Forest Service also understand that under federal law that the Forest Service has limited discretion related to protection of Oak Flat. Long term protection of the site will likely require an act of Congress. USDA and the Forest Service cannot give a precise length of time for completing the re-initiation of consultation but consultations such as this generally take several months.

# Resolution Copper maintains public access to Oak Flat

Resolution Copper will maintain public access to areas within Oak Flat including the campground and recreational trails and climbing, after completion of the land exchange mandated by bipartisan legislation that passed Congress in 2014.

Resolution Copper today published a management plan on its website detailing how it will continue to operate the campground in keeping with current Tonto National Forest practices. Community groups and Native American tribal representatives will continue to provide input on how the area is protected and managed after the land exchange.

Resolution Copper has contracted with 4 Winds, a local small business part-owned by members of the San Carlos Apache Tribe, to maintain the campground areas infrastructure and access trails.

Resolution Copper project director Andrew Lye said: "Resolution Copper will maintain public access to areas within Oak Flat including the campground, recreational trails and climbing after the land exchange is complete, as permitting and studies to shape the project continue. We will continue to consult and seek community input as we refine and shape the Resolution Copper project over the coming years, to minimize any impacts on Oak Flat.

"Resolution Copper is committed to fostering constructive relationships with the local community and Native American Tribes in Arizona, especially those with a historical connection to the land in and around the project area. We are encouraged by the direct and positive engagement of the local community and many Tribes throughout the permitting process. Resolution Copper will continue to engage with the local community and seek the consent of all 11 Native American Tribes that have historical connections with the land involved in the project before any decision on development, consistent with the International Council on Mining and Metals (ICMM) Statement on Indigenous Peoples and Mining."

Completion of the land exchange is expected Continued on page 5

in March, transferring 5,459 acres of high-value conservation land to the Federal Government in return for Resolution Copper taking ownership of approximately 2,422 acres around the project site. The land exchange requires Resolution Copper to maintain public access to the Oak Flat Campground for as long as it is safe.

The US Forest Service is currently undertaking a public review and comment period on its Final Environmental Impact Statement for the Resolution Copper project. Its final record of decision is expected in the second half of 2021. More information can be found on the Forest Service's website at resolutionmineeis.us.

After the US Forest Service process, further permitting will be progressed with other authorities and a detailed feasibility study completed over several years to inform investment considerations on the project. When an investment decision is made, Resolution Copper is expected to take around 10 years to build infrastructure to prepare for mining.

# **Copper Classic returns to San Manuel Saturday**

By Nathaniel A. Lopez San Manuel Miner

This Saturday, March 6, The Trail Riders of Southern

Arizona (TRS) will return to San Manuel to host their 15th annual Copper Classic Race. The Copper Classic is an off-road motorcycle race that comes to San Manuel, using its desert trails to form its course. This year, the event

will also be round 3 of the AMRA Moto Center Off-Road Series, and round 3 of the AMRA Fly Racing Off-Road Mini Series. In recent years TRS have also gained access to use shut-down Gardner Middle School, incorporating it into the course.

Things will be a pretty different this year. Due to COVID-19 concerns, the race will not be open to public spectators, and there will be no food services at the event. On Feb. 28, the San Manuel Miner reached out to event organizer, George Wysopal. While he was out making finishing touches to the course, he commented, "We're going to be social distancing, and following safety protocols." George also mentioned that the usual racers' meeting that happens before the races start, will not be the same. This year, it will be sent out to all of the riders as a video.

Despite all of the changes and challenges, TRS is expecting a successful event, good results, and a strong turnout.

"We already have about 200 riders for the first race," commented Wysopal.

This growing turnout will also benefit the community of San Manuel.

"We're also raising money for the school, and the fire department," Wysopal stated, "We're aiming for \$2,000 for the school and \$700 for the fire department." The 15th annual Copper Classic is set to open with the first race's start at 8:30 a.m. on Saturday, March 6. A reminder that the event will not be open to public spectators due to COVID-19 safety concerns. The San Manuel Miner will be in attendance to write a follow-up article after the event.

# Lady Miner post close win over Desert Christian

#### By Nathaniel A. Lopez San Manuel Miner

The San Manuel Miners basketball team continued their season with a three-game week.

On Tuesday, Feb. 23, The boys and girls teams traveled to Desert Christian High School. The Lady Miners came out victorious in a close game, winning only by a point, 41-40. The boys fell short of coming home with the win with a final score of 40-54.

Feb. 25, both teams traveled to play against Valley Union. The Miners scored 11 points in the first quarter, but still trailed Valley Union by 10 points. The Miners put points on the board for every quarter, but in the end were unable to catch up with the Blue Devils. The final score to the boys game was 36-52. The Lady Miners came in hot off of their last victory, and secured another one against the Blue Devils. Ending the game with a 16-point lead, the final score was 41-25.

On Saturday, Feb. 27, Fort Thomas came to San Manuel for a rematch against the Miners. The Lady Miners were unable to keep up with Fort Thomas. The score at the end of the first quarter was San Manuel 7, and Fort Thomas 20. The Lady Miners continued to play, putting

at least 8 points on the board for the remaining quarters. Unfortunately, they were unable to come out on top; the final score was 33-64.

The boys team was able to end their week on a positive note. The Miners played a close game against the Apaches. By the end of the first guarter, the Miners were up by only one point. They were able to hold onto it for the entire game. The Miners avenged their previous loss against Fort Thomas, with a close 57-52 victory. The Miner reached out to the coaches for a comment on this week's games, but as of press time, no contact has been made.

# First ever AZ Poppy Fest coming soon to Gila County

After a long year marked by the pandemic and a cold winter, it's time to take a trip to the historic communities of Globe and Miami, AZ, as well as Roosevelt Lake and Peridot Mesa to take in the buttery gloriousness of the poppies. During the first-ever AZ Poppy Fest, three communities in the heart of the state will offer guided hikes, a graffiti artist contest, poppy-themed eats and drinks, art and talks from March 5 to 7.

There are swaths of color already covering the hills of all the communities involved in

the AZ Poppy Fest even after a dry winter. Vendors, restaurants and businesses are offering Poppy-themed goods, drinks and food to commemorate the event. Visit www.azpoppyfest.com for more

information, for a schedule of events and to download registration forms. Vendor forms can also be found there. Visit us on our AZ Poppy Fest Facebook page to see up-to-the minute announcements about the festival. Call the Globe-Miami Chamber of Commerce at 928-425-4495 for more information.

## Bridge girder placement moves Pinto Creek project forward

Motorists traveling US 60 between Superior and Globe will see the new Pinto Creek Bridge come into shape in the coming months as crews begin placing girders that will form the structure's deck. The work started Monday, March 1, and requires lane restrictions and delays of up to 15 minutes, according to the Arizona Department of Transportation. From now until May, restrictions are scheduled between 7 a.m. and 6 p.m. Mondays through Thursdays. As needed, restrictions will be in place between 7 a.m. noon on Fridays.

The bridge girder placement is a major milestone on the \$22.7 million project to replace the 71-year-old structure above Pinto Creek. Once the girders are in place,

crews will begin forming the bridge deck for the new 695-foot-long bridge. The work requires lane restrictions so crews can place the girders onto the piers. The 35 girders range in length from 91 feet to 127 feet, and weigh an estimated 50,000 to 70,000 pounds. Crews are expected to pour the new bridge deck

this summer, and that work is expected to require an overnight full closure. Later this summer, a 5-day closure is expected to shift the highway's alignment onto the new bridge. The project is expected to be complete in early 2022. For more information, please visit azdot.gov/ PintoCreekBridge.

Copper Area News is committed to providing our readers with as much information as possible. This graph shows the positive cases as of press time on March 2, 2021. We have also included a graph showing the daily counts for the past week. The state has reported that as of this past week, there has been a decrease in cases statewide. This downward trajectory has not been seen since early September, 2020.

New data reported this week is the number of residents who have been vaccinated per zip code. We will update that on a weekly basis.

There are a few points we would like our readers to consider when following this data.

1. This will continue to be a rolling total of positive cases. It does not reflect recoveries or deaths. The Arizona Department of Health Services does not break out this data.

2. If you see a reduction in numbers from day to day it is most likely due to a data entry error or mis-coding of a zip code (at the state level).

3. This is all zip code based data; most of our zip codes include unincorporated areas. There is no way to track exactly which areas each of the positive cases are. Example, Kearny and Winkelman each have small communities in their zip code that are not in the Town's incorporated boundaries.

4. If you live in Gila County, please follow the Gila County Health and Emergency Management, Facebook. They have maintained their data on recoveries and current positive cases.

5. You can follow other data such as ICU bed use, Ventilator use and hospital capacity online: https:// bit.lu/3inh280

Working together, we can slow the spread of the virus across the Copper Corridor. Wear a mask in public, remain physically distant (6ft apart or more) and practice good hygiene (wash your hands frequently, sanitize high touch areas), stay home if you are not feeling well.

# Shop at Home: Arizona Zipline Adventures

n April, COVID-19 brought much of Arizona's economy to a screeching halt. All businesses not deemed "essential" were ordered closed by Arizona's governor Doug Ducey.

The lockdown continued for nearly two months. When Gov. Ducey finally gave the go ahead to reopen, businesses slowly began the road to recovery. Even those listed as "essential" had a challenge with this economic recovery.

Many small businesses and non-profits in Arizona didn't survive the lockdown. The businesses that did survive are hanging on as best they can. Copper Area *News* wanted to give something back to the local business community. Over the next several weeks, our newspapers (Copper Basin News, Superior Sun and San Manuel Miner) will be featuring local businesses and non-profits, encouraging our readers to Shop at Home, stay local and support our local businesses. It is hard enough making it as a small business in a small town during normal times. But to balance those difficulties during a pandemic adds an entirely different twist to things.

Arizona Zipline Adventures recently celebrated its 5th Anniversary in business as southern Arizona's premiere zipline. They celebrated with special deals on their zipline tours and with a giveaway of two zipline tour passes and an overnight stay at the historic 3C Ranch. Although they had to cut back on some of their services and the menu of their restaurant due to COVID-19, they have managed to stay open and are becoming a popular outdoor adventure destination.

Arizona Zipline Adventures offers light hiking trails, a zipline eco tour, a gift shop and their on-site restaurant, Peppersauce Kitchen. Peppersauce Kitchen currently offers Build Your Own burgers, veggie burger and chicken tenders. They also have a weekly rotating special that could include ribeye steak or chicken tacos or a green chili BLT and more. They offer indoor dining, outdoor dining on their large porch with a magnificent view or take out. The wearing of masks and social distancing are being practiced. The kitchen hours are 10 a.m. to 5 p.m. Thursday through Sunday. The owner of Arizona Zipline
