# Arizona Youth Partnership teams with Drug Enforcement Administration for National Prescription Drug Take Back Day

On Saturday, April 22, from 10 a.m. to 12 p.m. Arizona Youth Partnership and the Drug Enforcement Administration will host DEA's National Prescription Drug Take Back Day. They will collect tablets, capsules, patches, and other solid forms of prescription drugs.

For more than a decade, the event has helped Americans easily rid their homes of unneeded medications — those that are old, unwanted, or expired — that too often become a gateway to addiction.

Take Back Day offers free and anonymous disposal of unneeded medications at more than 4,000 local drop-off locations nationwide.

**What:** National Prescription Drug Take Back Day

**When:** Saturday, April 22 from 10 a.m. to 12 p.m. local time

**Who:** Copper Corridor Coalition, Superior PD and Mammoth PD

**Where:** Circle K in Superior and Dollar General in Mammoth

In partnership with local law enforcement, Take Back

Day has removed more than 8,300 tons of medication from circulation since its inception.

Collection sites will not accept syringes, sharps, and illicit drugs. Liquid products, such as cough syrup, should remain sealed in their original container. The cap must be tightly sealed to prevent leakage.

For more information and to find a collection site near you, visit [www.DEATakeBack.com](http://www.DEATakeBack.com).

## Mayor invited to governor's 100-day event

Mayor Mila Besich was invited to participate in Governor Katie Hobbs 100-day Press Conference. Mayor Besich recently met with Governor Hobbs to discuss the needs of Cities and Towns across Arizona. Recently the State Legislature approved two bills which would have eliminated the ability for Cities and Towns to charge a food tax or rental tax. Both of these taxes help to generate funds for Cities and Towns. These are both bills that Hobbs vetoed. "These bills would have decimated the general fund budgets for Cities and Towns across the state, it's a relief that Governor Hobbs vetoed these bills" said the mayor.

# Superior Food Bank re-energized

By Mila Besich  
Superior Sun

Hunger is everywhere. There isn't a community or neighborhood that doesn't have residents who are dealing with hunger issues. According to United Food Bank, 798,790 people are facing hunger, of those people 269,610 are children. Superior is not exempt from hunger and for generations, Superior has served the hungry through the Superior Food Bank which had humble beginnings within the community when the program operated as Project Happy Face, which provided food during the holidays.

Throughout the pandemic, the need for the services of the Superior Food Bank grew and a small but tireless group of committed residents ensured the food boxes were filled and distributed monthly. That group also served Superior through a variety of economic downturns and labor strikes. While the group was able to maintain the day-to-day operations of food distribution, managing the organizational operations and reporting was often daunting. During the pandemic, the Superior Food Bank and Rebuild Superior Inc. formed a unique partnership where Rebuild Superior Inc. would manage the organizational management and reporting for the Food Bank, which allowed the leadership of the food bank to focus on food distribution. The Superior Food Bank merged into a program of Rebuild Superior Inc. which has allowed the services and operations of the food bank to expand and grow.

"I am excited to see the next chapter unfold as we bring in paid staff support. We're all deeply grateful to our volunteers who give selflessly in many different ways,"

explained Manny Guzman, who serves as the president of Rebuild Superior Inc. and the Superior Food Bank. The food bank was awarded funding to hire staffing to build capacity for the organization.

The first position created was funded through the Alliance for Arizona Non-Profits through the Americorps programs. Local resident Sandra McGarry was hired to serve in the position, where she will be responsible for developing systems that will help to make the food bank and Rebuild Superior work more efficiently. She will also be focused on volunteer recruitment and management. During the food distribution and stocking days, the food bank needs at least a dozen volunteers. Sandra will be responsible for helping to increase volunteers at the Food Bank.

The second position created was a Pantry Manager. This position was also funded through a grant from the Arizona Food Bank Network. Patty Ann Taylor, a lifelong resident of Superior, accepted the position. She will be focused on managing the food systems and distribution. Superior was one of two food banks selected for the program, which in addition to funding for the position, there is a two-year coaching program to help the food bank build additional capacity.

"The food bank has endured some tough losses in the past year with the unexpected deaths of key leaders but the strength of our mission has kept us going to make sure our neighbors have their most basic needs met," said Guzman.

Currently the food bank board is led by Guzman who serves as President, Vice Chair Sandy Van Gorp, Secretary Angel Preciado and board members Richard Tameron and Mable Cox.

## Meet the New Staff

**Patty Ann Taylor serves as the Pantry Manager for the Superior Food Bank. She is a lifelong resident of Superior. She recently retired from Pinal County after 35 years of employment with the County. In her final position, she worked as a director in the County Fiduciary department. She has one son, Nathan Taylor who will be graduating from Superior High School this year. Taylor, said she is excited to learn more about the food bank operations and serve her community, while also being able to have a job in town.**

**Sandra McGarry was born and raised in Superior. After graduating from Superior High School, she served in the Army. She returned to Superior where she worked for many years for the Cobre Valley Regional Medical Center in Globe. She has also worked in other retail jobs, but also as a mini storage manager. She has two children who also graduated from Superior High School and four grandchildren. She is excited to learn more and serve the community.**

# Tough week for Superior's teams

By Nathaniel A. Lopez  
Superior Sun

It was a rough week for the softball and baseball teams at Superior High School.

The Superior softball team took on Joseph City for the second week in a row last weekend. It was a tough game for the Lady Panthers, as they struggled to break through Joseph City's strong defense. Joseph City scored 5 runs in the first inning, and another 5 in the third inning, and 4 in the fourth. The game ended in a 0-14 loss for the Lady Panthers, giving them their second loss against Joseph City.

The Superior boys baseball team had a busy time on the diamond last week, with two extremely close games.

The week began with an away game against Lincoln Prep. The Panthers came out swinging and scored 5 runs in the first inning. The boys held control of the game all the way up to the bottom of the seventh inning, where Lincoln Prep snuck 8 runs past them, sealing the final score of the game at 10-11.

The second game of the week was an away game against Ray. The game began in Ray's favor, until the third inning, where the Panthers pulled ahead. During the seventh inning, the score was 11-11, sending the game into an eighth inning. The Panthers scored 3 runs, but unfortunately the Bearcats scored 4, ending the game with a final score of 14-15, giving the boys their second tough loss of

the week.

The Panthers ended their week with a home game against Joseph City, who took control of the game in the first inning. The

boys were only able to slide 3 runs past Joseph City in the third inning. The game ended with a final score of 3-9, giving the Panthers a tough third loss of the week.
