## OBITUARY

# Odelia 'Babe' Arellano

Odelia "Babe" Arellano, 98 of Superior, AZ, decided long ago to surpass the age of 97. On April 8, 2022, one week after her 98th birthday, she left us to go with her heavenly Father. Her family and her Catholic faith were the two most important things in her life.

Odelia, or Babe to most, was born March 31, 1924, to the late Candido and Ramona Arellano. She was one of nine children; her siblings who preceded her in death are Julio, Lamberto, Elmo, Henry, Jesus Gallego, Elisa Freeze, Hortensia Varela and Lillie Martinez. She leaves behind many nieces, nephews, grand-nieces and grand-nephews who will miss her dearly. She was like our second "mom" very caring and loving to each of us.

Aunt Babe owned a snow cone "raspada" store in Superior for many years! She had her signature flavors

which were favorites to many! The greatest gift she provided to generations of Superior residents are memories of going out for a snow cone and having a kind word with her. She had the ability to know who everyone was and their favorite flavor!

Funeral Services will be held on Thursday, April 21, 2022, at St. Francis Catholic Church in Superior, Az. Rosary is at 9:30 a.m., and Mass at 10 a.m. Interment will immediately follow at Fairview Cemetery. A luncheon at Los Hermanos will follow.

## Hayden Police seek information on shooting in Winkelman Flats

One person was injured early Sunday morning after a shootout at the Winkelman Flats Park.

According to Hayden Police Interim Chief Brian Marquez, police were dispatched to the Park at 2:30 a.m. on Sunday, April 17, in response to a shooting that had just occurred. Upon arrival, responding officers secured the scene and began an immediate search for the suspect and any potential victims.

Officers learned that one victim had sustained a gunshot wound from a shooting that took place inside the park. The victim was transported to a hospital by ambulance with wounds that were significant but considered non-life threatening at this time. The suspect, however, fled on foot prior to the officers' arrival.

"Through their initial investigation, officers learned the victims and suspect had earlier engaged in some type of altercation, which later led to a confrontation with a large group," Marquez told the Copper Basin News. "During the confrontation, the suspect produced a firearm and shot the known victim and possibly others. There were other shooters that exchanged

gunfire with the suspect."

The Arizona Department of Public Safety Air Unit (Ranger) was called to search for the suspect and additional victims, but none were located.

The Hayden Police Department processed the scene, interviewed witnesses, and immediately begin investigative follow-up.

"Officers will continue to work to conduct their investigation," Marquez added.

The suspect was described as an unknown male adult, wearing dark clothing with a beard or face mask that fled on foot to the east of the scene.

Marquez thanked Kearny Police, Cobre Valley Ambulance, Pinal Rural Fire and Medical District, Arizona Rangers (Pinal Company), Department of Public Safety, and DPS Helicopter Ranger 1 for their assistance at the scene.

Anyone with additional information is asked to contact Officer Brandon Gomez at (520) 363-5566 or email at bgomez@townofhaydenaz.gov.

# Rep. O'Halleran meets with Superior officials

Congressman Tom O'Halleran, representing Arizona Congressional District One, met with leaders in Superior earlier this month to tour the original Superior High School, which is set to

become the new Town of Superior Multi-Generational and Innovation/Enterprise Center.

"I was proud to vote to pass long-overdue appropriations for fiscal year

2022, including new funding that will directly strengthen rural Arizona and small First District towns. Among this direct funding I requested is \$2 million in a new investment for Superior's Entrepreneurship and Innovation Center. I'm looking forward to continued work with local leaders to bring this project to fruition," said Rep. O'Halleran.

The \$2 million appropriation will aid the town in funding the construction of elevators to improve handicap accessibility and renovate spaces for the library and senior center operations. The appropriations will be funded through the United States Department of Agriculture (USDA). The town of Superior expects

to begin the construction on renovations this Summer and have some of the Town's operations moved in in early 2023.

"We are incredibly honored to have received this appropriations, which is helping us to fulfill this monumental goal of improving quality of life services to our residents of Superior. We have been able to consistently count on Rep. O'Halleran to advocate for Superior at the federal level," said Mayor Mila Besich.

Joining in on the tour included leadership from the Superior Enterprise Center, Arlynn Godinez, who escorted Rep. O'Halleran and his staff through the center highlighting that the center will feature skilled job training,

Congressman Tom O'Halleran and Superior leaders tour the historic Superior High School Building, the future home of the Multi-Generational and Innovation/Enterprise Center.

# Young Superior athletes attend first Roy Lopez Football Camp

Several young athletes from Superior had the opportunity to attend a youth football camp this month sponsored by Roy Lopez who plays for the Houston Texans.

These young elementary and junior high athletes all have connections to Superior and were excited to participate in this skill-building clinic. The group traveled to the Desert Ridge High School in Mesa to attend the camp hosted by the NFL pro. There were 300 participants, each received a t-shirt, goodie bag and lunch. Lopez also taught the participants his signature "Salsa dance" that he does after every sac.

Roy Lopez played college football at Western New Mexico University and following an injury was able to play at University of Arizona before becoming a sixth round draft pick to the Houston Texans. He is a defensive lineman for the Houston Texans.

Roy is connected to Superior and the greater Copper Corridor area through his great-grandparents, the late Frank (Pancho) and Rosemary Lopez. Many of the youth attending the clinic from Superior are related to him through his uncles and aunts.
