Nellie 'Manuela' Sanchez

Nellie T. Sanchez, formerly of Shafter, Texas, passed away in her home on April 18, 2021 at the age of 85. Nellie was born in Texas in 1936, the oldest of Apolonio and Faustina Trejo. She attended Ray High School in Sonora, Ariz. She married the love of her life Henry O. Sanchez, raising seven children in a small copper mining town, Dudleyville, Ariz.

Nellie was busy. She retired from banking after 30 years. After, she spent her days caring for her grandchildren and became a familiar face in the Phoenix community volunteering at the church as a choir director, religious education director, fiesta coordinator, and St. Vincent De Paul member for over 30 years.

We were blessed to learn many valuable lessons from Nellie during her 85 years, among them: The importance of family and remaining humble, which is instilled in everyone she encountered.

Nellie was preceded in death by her mother and father, Apolonio and Faustina Trejo; husband of 47 years, Henry O. Sanchez; one grandchild, Enrique "Chito" Sanchez; and two brothers, Joe and Paul Trejo.

Her spirit is carried on by her children, Sylvia Tirado, Henry (Irene) Sanchez, Gerard (Rachelle) Sanchez, Mary Angel (Daniel) Serrano, Stanley Sanchez, Bernadette (Angel) Miranda, Carmen (Michael) Gore;

22 grandchildren; 19 great-grandchildren; and extended family and friends from every walk of life.

She led by example. There was never a job too large or too small that she would not tackle. She was strong, humble and the most generous woman you could have ever met. We will miss her every day.

The celebration of her life was held April 23 at Whitney and Murphy Funeral Home, and April 24 at Queen of Peace Church in Mesa. Interment was at Queen of Heaven Cemetery in Mesa.

In lieu of flowers, the family suggests donations in her name to Saint Edwards/Saint Vincent De Paul, 4751 E Saint Catherine Ave, Phoenix, AZ 85042.

Ballots arriving now for

Ballots began arriving in mailboxes for registered voters in the Mammoth-San Manuel Unified School District No. 8 School Site Sale Election on May 18.

On the ballot, Proposition No. 455 will address the potential sale, lease or exchange of certain parcels of real property and, if this occurs, what should be done with any proceeds from such a transaction.

The sites on the ballot include Avenue B Elementary, First Avenue Elementary, Gardner Middle School in San Manuel, and Mammoth Elementary in Mammoth. These campuses were closed after the district consolidated to the San Manuel High School campus. Also included is the "new pool" in San Manuel.

The school district wants their unused buildings occupied or sold so they do not become an eye sore for the community.

"They need to be useful to someone." district superintendent Julie Dale-Scott told the Miner in an email. "The district needs your help as a voter to vote YES on this ballot measure for the district to have the ability to do anything with these buildings. We have been asked to lease these buildings to the Mammoth Police Department and to various other groups but can do nothing until the vote is made."

There is one confusing inclusion on the ballot: 125 N. Clark St., Mammoth. This is actually the site for the Mammoth Town Administration and includes the library and police department.

"There was much confusion for the Town of Mammoth and the Superintendent of MSMUSD given the County Assessors office had the property listed under the Mammoth-San Manuel USD," Dale-Scott explained. "After much research and meeting with the Town of Mammoth's Town Council, MSMUSD was able to find the documentation that showed the school district gave it to the Lion's Club back in 1957 with the intent that when Mammoth became incorporated the property would be passed on to the town of Mammoth. The property was passed on to the town, but never changed with the County Assessor's Office. After taking care of those changes with the county, the district and the town council agreed to sign documentation stating that the district had no intention of selling their property. The Intergovernmental Agreement (IGA) allowed the district to continue with their ballot measure as written with that agreement in place. For the district to continue with that measure on the ballot, they could not make any changes to the reading so the IGA made it possible to proceed. The Mammoth-San Manuel USD WILL NOT be doing anything with the

special election for Mammoth-San Manuel School District

property at 125 N. Clark St. because it is owned by the Town of Mammoth."

The school district is also seeking permission to sell the pool property in San Manuel and would love nothing more than to be able to sell the property to someone who will utilize it for the community's benefit.

"It was very difficult to close the pool down," Dale-Scott said, "but it became a

burden when the school district's many attempts to fix it were met with large quotes and no answers as to where 15,000 gallons of water were disappearing daily. We did have a reasonable quote from a company that deals with smaller pools to come in and fiberglass over the existing pool surface, but we were not sure this would fix the issue. The school district does not have the money to experiment

with repairs that may not fix the problem. Furthermore, the district is not going to do something that would possibly become a liability."

Dale-Scott said, "This ballot measure is very important to the district because it allows us to do something with those properties that currently are a burden to the school's budget and maintenance department. With the voters help in voting

yes on this ballot measure, we will be able to give life to those buildings and help the school's budget to further benefit the children within the district."

Ballots can be mailed to the Elections Department or dropped off on Election Day to the Pinal County Mobile Voter Outreach Van which will be parked in the Mammoth-San Manuel Pre-K through 12 School parking lot from 8 a.m. to 7 p.m.

Oracle Piano Society drive-in concert rescheduled

The Oracle Piano Society's Drive-In/Open Air Jazz Concert has been rescheduled for Sunday, May 2, due to weather considerations.

This event, sponsored by Ned and Diana Creighton, will feature the "President's Own" United States Marine Band Pianist AnnaMaria Mottola live on stage at Oracle Center for the Arts.

The United States Marine Band was founded in 1798 by an Act of Congress and is America's oldest continuously active professional musical organization. Its mission is to perform for the President of the United States of America and the Commandant of the Marine Corps. Today, "The President's Own" is celebrated for its role at the White House and its dynamic public performances, which total more than 500 annually.

Pianist Master Sergeant AnnaMaria Mottola has served

as pianist for five different presidential administrations. A jazz quartet consisting of three other local jazz musicians, to be announced, have been assembled for this concert, which is especially significant as it will follow the 2021 inauguration and will be the first jazz concert ever featured on the Oracle Piano Society Signature Series.

She began her musical instruction at age 4. After graduating in 2000 from Robert Service High School in Anchorage, she attended Arizona State University in Tempe where she studied jazz and classical piano with Chuck Marohnic, Mike Crotty and Robert Hamilton.

Master Sgt. Mottola joined "The President's Own" United States Marine Band in June 2003. She was appointed principal and section leader in September of 2013. Prior to joining "The President's Own," Master Sgt. Mottola participated in several competitions, winning the Arizona

State University Concerto Competition in 2000 and Alaska Music Teacher Association piano competition from 1996-1998.

She has been featured as a soloist under guest conductor Leonard Slatkin in Sergei Prokofiev's Piano Concerto No. 3 in C, Opus 26, and was featured as a tour soloist in 2006 performing George Gershwin's Rhapsody in Blue and in 2009 performing George Gershwin's Allegro from Concerto in F.

Options for tickets include drive-in or outdoor seating with physical distancing protocol in place. Facial masks are required for outdoor seating. Seating is limited and first-come-first served, so please reserve your seat soon. The date, again, is Sunday, May 2, and the concert begins at 6 p.m. To purchase tickets, visit online at tinyurl.com/xkmcrard.

Cheetovibez hosts celebration for two-year anniversary; Adam Lopez, Ray Moffett win horseshoe tourney

By Nathaniel A. Lopez Copper Area News

On Saturday, April 24, the Cheetovibez smoke shop in Oracle hosted a celebration and horseshoe tournament to celebrate two years of business. The parking lot of the smoke shop transformed with vendors selling food and various types of art. There was a jumping castle for the children in attendance, and a DJ playing music. The event was filled with people from all over the Tri-Community, who appeared happy to be having a good time. Free Dirty Sno was provided to the first 100 customers. Local artists sold engraved glass, recycled wind-chimes, and canvas paintings.

"Setting up the event was very stressful, but I think it's what everyone needs right now," owner Vanessa Guadiana said. She also expressed how proud she was of founder Mark Sanchez, and the rest of the team at Cheetovibez. She mentioned the progress they've made, starting out in a 300-square-foot space, but now the current smoke shop is 800 sq. ft. with a growing variety of products.

"To the sponsors that helped make this day possible, OCB, Temple Kratom, and Just CBD, a huge thank you. Thank you to the vendors for committing to our event and showing up," Guadiana added. "Family, friends, customers, new acquaintances, without your continued support, we wouldn't have made it this far, so thank you!"

The main draw of the event was the blind-draw horseshoe tournament. Men and woman, young and old came to play at their chance of winning the first or second place trophies. Since it was a blind draw, the teams were randomly selected. A crowd surrounded the horseshoe pits,

Student leads effort in mural creation for San Manuel

Alejandra, Heather and Juan work on the mural.

John Hernandez | Miner

By John Hernandez San Manuel Miner

Hannah Smallhouse is a senior at Canyon del Oro High School. She is the creator of and leading the work effort to paint a wall mural in San Manuel. Hannah grew up in the area, living on the historic Carlink Ranch in Redington. She is the daughter of Andy and Stefanie Smallhouse, owners of the ranch.

Hannah said she "wanted to do something for the community." After seeing some murals in the town of Ajo, she thought maybe something like that would be good for San Manuel.

"When towns fade away, artists have come in, helped the community and planted the seeds for further growth," Hannah said.

By making the mural a community project, she hopes the mural will get people's attention and help revitalize the community. She invites anyone from the community especially local artists to get involved with the project. Some school groups are volunteering to help.

Two experienced mural artists are involved in the project. They are Alejandra Trujillo from Tucson and Mammoth-San Manuel School District Art Teacher, Juan Enriquez. On Sunday, April 18, Heather, Alejandra, and Juan along with Heather's mother, Stefanie began tracing the project on the 100-foot-long and 15-foot-high wall at the Elks building. The mural will be a tribute to the mining and ranching history of the area. There will also be a tribute to those miners that lost their lives working for the mines.

"We hope to show in the mural that we are ready to move on from the past and move on to the future," Hannah said.

Funding is needed for the project for painting supplies. Copper Town Association has set up a Go Fund Me page. This can be accessed by going to www. facebook.com.coppertownassociation/. You can also volunteer to help paint the mural on the same site.

as the tournament was underway. Clouds of dust hung around, as the shoes were constantly flying back and forth, clinking during every ringer. By the end of the evening, there were two winners given the first place trophies, made out of re-fashioned horseshoes. Those winners were Adam Lopez and Ray Moffett, followed by runner ups Frank Corona and his partner.

"We are truly thankful to everyone who volunteered their time, helped out, and showed up," Guadiana said. "I can tell every person who came out is committed to helping keep this shop going strong. It's really inspiring to see."

As the evening closed out, the event appeared to be a success, and helped bring the community out for an afternoon of entertainment, thanks to Cheetovibez.

Copper Area News is committed to providing our readers with as much information as possible. This graph shows the positive cases as of press time on April 27, 2021. We have also included a graph showing the daily counts for the past week. Statewide, positive case counts have reduced dramatically, as the number of people vaccinated has increased. Case counts in the Copper Corridor are not increasing and have been holding steady.

New data reported this week is the number of residents who have been vaccinated per zip code. We will update that on a weekly basis.

There are a few points we would like our readers to consider when following this data.

- 1. This will continue to be a rolling total of positive cases. It does not reflect recoveries or deaths. The Arizona Department of Health Services does not break out this data.
- 2. If you see a reduction in numbers from day to day it is most likely due to a data entry error or mis-coding of a zip code (at the state level).
- 3. This is all zip code based data; most of our zip codes include unincorporated areas. There is no way to track exactly which areas each of the positive cases are. Example, Kearny and Winkelman each have small communities in their zip code that are not in the Town's incorporated boundaries.
- 4. If you live in Gila County, please follow the Gila County Health and Emergency Management, Facebook. They have maintained their data on recoveries and current positive cases.
- 5. You can follow other data such as ICU bed use, Ventilator use and hospital capacity online: https://bit. ly/3inh280

Working together, we can slow the spread of the virus across the Copper Corridor. Wear a mask in public, remain physically distant (6ft apart or more) and practice good hygiene (wash your hands frequently, sanitize high touch areas), stay home if you are not feeling well.
