## OBITUARY

# Lewis A. Cantino

Lewis A. Cantino, 90, passed away at his home in Mesa on April 15, 2023.

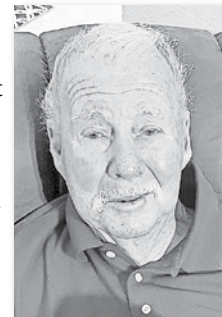

He is survived by his loving wife of 60 years, Darlene; son, Lindy Cantino; daughters, Deanna and Alisa Cantino; three grandchildren and five great-grandchildren.

Lewis came to Mammoth with his parents in 1941, where his parents purchased the Blue Front Inn and Cafe. He went to grade school in Mammoth and rode the school bus to Florence for high school. He served his country in the

U.S. Army, after which he worked with his parents. Upon their retirement in 1963, he and Darlene owned and operated the Blue Front Inn. In 1967, they built the Cut and Curl Beauty Salon in Mammoth and were in business together for 60-plus years. In 2019, they moved to Mesa to be close to family.

He loved working and selling old cars, RVing and spending time at his retirement home in Lakeside with family and friends. In his last four years, his greatest joys were every weekend family dinners, and enjoying his great-grandbabies.

Lewis is being cremated. At his request there will be no services.

Obituaries are published free of charge in the Copper Basin News. If you have an obituary you would like us to print, please submit it online at copperarea.com. Click on “Customer Service”. You can also request our newspaper through the funeral home.

## Central Arizona College receives \$2.8 million Title V grant

PINAL COUNTY, Ariz. – Central Arizona College (CAC) recently received a new five-year, \$2,894,780 Developing Hispanic Serving Institutions (Title V) grant from the Office of Postsecondary Education at the U.S. Department of Education. Ninety-seven percent of the project is funded by this federal grant and the remaining 3% (\$100,210) is supported by Central Arizona College funds.

CAC will use the Title V grant funds to increase the retention rates of its Hispanic and other traditionally underrepresented students. The college will provide resources and educational opportunities to help these students complete their education at CAC and transfer to four-year institutions.

The grant will support:

- Revising general education courses to address relevancy and offer students classroom experiences that will help to deepen their learning and increase their likelihood of graduating and transferring to a four-year institution.
- Providing students with financial literacy workshops.
- Providing structured learning assistance to first-year non-STEM track students taking Math 141, allowing more students to successfully pass the course and persist in their studies.
- Assisting faculty in applying Universal Design Principles to their courses and using technology to support equity and other improvements in learning.
- Providing faculty with professional development opportunities that foster greater student engagement, improved learning, and enhanced retention of students.
- Implementing a coordinated approach to addressing students’ basic needs.

# Hayden blazes past Joseph City into the semi-finals

By Nathaniel A. Lopez  
Copper Basin News

Two games down and two to go!  
The Hayden baseball team continued their quest to the state championship, by competing in the 1A state baseball

quarterfinals.

On Saturday, May 6, Joseph City came down to Hayden to take on the Lobos. The local boys played a tough game, and continued to show their dominance on the diamond. They only let the Wildcats score 2 runs the entire game, showing

their solid defense. The game ended with a Lobo victory, and a final score of 12-2.

Moraes Cruz, Rene Ochoa and Brandon Garner all went 2 for 3 at bat with 3 RBIs. Jarin Cruz went 2 for 3 at bat with 2 RBIs. Damian Smith pitched four innings with 8 strikeouts.

The Lobos will be advancing to the semifinals, and will be playing against St. David on May 12, at home with a start time of 6:30 p.m. Tickets for the game are available to purchase at: <https://gofan.co/app/events/976239>.

Come out and support the Lobos!

# Lady 'Cats bested by St. David in Quarterfinals

By Nathaniel A. Lopez

end Ray's Lady Bearcats were unable to move forward into the 1A softball semi-finals.

The Lady Cat's softball team continued

The battle was hard fought, but in the

# Ray USD hires new superintendent

Recently Rochelle Pacheco, long time administrator for the Ray Unified School District, announced that she would be retiring, meaning the Ray Unified School District Governing Board would need to hire a new Superintendent for the 2023-24 school year.

After an extensive search, the board hired Anthony Morrison who has been working as the Superintendent for the Wyndmere Public School in Wyndmere, North Dakota. The Wyndmere district is larger but the school he worked for had about 255 students pre-k through 12.

Morrison was born and raised in Seattle, Washington. After college he began his teaching career in Arizona, working at the Bisbee and White River school districts before moving to New Mexico. He has extensive experience working in Title One schools and school districts within Native American Communities.

He is currently working on his Doctoral degree in Educational Leadership and has a masters degree in Educational Administration and Secondary Education.

He and his wife Nelly

wanted to return to Arizona to raise their family, since their two children were born in Arizona. The family will move to Kearny and reside in the community.

"We wanted to move to a small town, with a community feel, and not be too far from a bigger city," he explained. They have a son, Frederick who will enter sixth grade and a daughter Riley will be starting kindergarten this year.

Morrison sees a lot of potential for RUSD and hopes to engage some of his strategic planning skills and educational training to help the schools improve their

Anthony Morrison

letter grades. He also sees opportunity to expand the Career Technical Education (CTE) programs.

He will officially start the position on July 1.

their battle through the 1A state softball playoffs in the quarterfinals last Friday. The girls traveled to St. David to take on the Tigers.

The game proved to be a tough one for the Lady 'Cats, who struggled to break past a strong defense. The girls were unable to hold down the Tigers, who scored 5 runs in the first inning. During the second inning, St. David only snuck 1 run past the Lady 'Cats.

The girls played a tough third inning and didn't let the Tigers score any runs. The fourth inning was another battle, and unfortunately the Tigers got 5 runs past the Lady 'Cats.

The game ended with a hard loss for the girls, and a final score of 0-15, closing out their 2023 season with a positive 19-9 record.

Congratulations on a well played season, Lady 'Cats!

# COPPER CORRIDOR COMMUNITY CALENDAR

## Notice from the Dudleyville Fire District

As we enter into fire season, the Dudleyville Fire District is encouraging its residents to keep their yards and properties clean from safety, health and fire hazards. Maintaining a 30 foot defensible space around structures means flammable fuels like weeds, brush and flammable items are removed or stored in more appropriate places. This defensible space provides a fuel buffer for the structure and a place for firefighters to do structure protection in the event of a fire. Please do your part prevent a recurrence of the Margo and Roach Fires. In addition, the department is always accepting applications for volunteers; please contact our Dispatchers at 520-357-6622 for more information.

## Dudleyville Burn Ban

Effective May 1 - Sept. 30 a BURN BAN is in effect for the Dudleyville Volunteer Fire District which includes the area of Dudleyville, Indian Hills and Aravaipa. Burn permits for both residential and agricultural purposes are not valid during this time.

MAY

## 13 Open House at San Pedro Valley Lions Club

San Pedro Valley Lions Club on Main Street in Mammoth will host an open house on May 13, 10 to 11:30 a.m., to recruit new members. There will be refreshments and baked goods.

# Hayden High School students learn more about mining at 2023 Mining Career Fair

Photos by James Carnes

On Tuesday, May 2, several local mining companies and representatives from the University of Arizona's College of Mining and Mineral Resources and the Cobre Valley Institute of Technology descended on Hayden High School with information on careers available in the mining industry.

Presented by Grupo Mexico Mining – Asarco and the Hayden-Winkelman Unified School District, the 2023 Mining Opportunity Career Fair gave students a chance to take the first step into a lifelong path.

Attending the Fair were representatives of copper mining, Grupo Mexico Mining

– Asarco, Resolution Copper, Capstone Copper and Freeport-McMoRan; and support companies, Empire – Caterpillar, Ultimate Welding and 4GL.

Students learned about operation supervisors, nursing, trucking, safety, electricians, welding and more. The University of Arizona's College of Mining and Mineral Resources told students about scholarship opportunities. The college offers \$435,000 in scholarships every year. Representatives of CVIT told students about opportunities they could take advantage of before ever leaving high school.
