## OBITUARIES

# Cy Miller

Cy Miller was born July 1st 1937 at Baylor Hospital in Dallas, Texas to Cyrus and Alice Miller. Cy had four siblings, a brother and three sisters: Dick, Alice, Marion and Sally.

He passed away on July 6, 2021, at the age of 84.

Cy was preceded in death by his older brother Dick, his mother Alice and his little sister Sally along with her son.

He is survived by his wife Sue; his children, Carol, Beth and Cy; nine grandchildren, four great-grandchildren, two nieces and their families and his nephew and his wife. He loved them all with all of his heart.

Cy's grandfather, Nat Plumer, was the second banker in Tucson and had the honor of naming Speedway. Plumer Ave. was named after Nat. Nat invested heavily in the Oracle area, including the purchase and development of the Oracle Historical Society, the Rock Church and the Oracle Graveyard, where Cy met his best friend, Reg Ramsay, when he was six years old. The two of them spent a lot of time working and helping members of the community lay their loved ones to rest in the cemetery. Cy's mother, Alice, bought their first home up in Oracle in 1903.

Cy grew up in Tucson and went to school at Tucson High. He summered and also grew up in Oracle. After high school, he went on to attend U of A University. He was drafted into the Army and served his country in the early 1960s. He met his beautiful bride and married her in April of 1966 and in 1969 they bought a house and moved to Oracle, permanently. Cy and Sue have three wonderful children: Carol (Mike) White, Beth Miller and Cyrus III.

Cy started working for Magma in 1968 and had a prosperous career for 32 years until he retired. He started playing in the dirt and started building a second career and passion back in 1975 and continued to do so up into his 80s. His hobbies have always been playing and staying

heavily involved in the stock market since he was young. He also loved traveling the country with Sue in their many RVs that they had over all the years, seeing the sites, making memories with the love of his life and visiting friends and family.

Cy was a faith-based family man who would give the shirt off his back if he knew it would help. This man undoubtedly will be missed! The family wants to thank you for coming out to honor Cy and spending time reflecting at his celebration of life ceremony!

God bless and protect you.

# Take One for the Team!

**By Superintendent Jeff Gregorich,**  
Hayden-Winkelman Unified School District

Summer vacation is almost over for our students who have experienced two years of disruptive schooling due to COVID-19. Unfortunately, the COVID-19 Delta strain, which is highly infectious is now spreading throughout our state, county, and communities. There is clear evidence that getting vaccinated appears to be the best firewall to prevent getting the virus or severe illness, hospitalization, and death.

I believe strongly in our personal rights of free speech and individual freedoms, which are all important parts of our great country and democracy. At this time, I

am somewhat concerned that more Americans are not stepping up to the plate and getting vaccinated because of politics. They are not listening to our health experts and scientists.

In addition, I am worried and confused why we are not able to require masks to be worn at school and inside the classroom. It was one of the few tools we had to fight the spread of the COVID-19 virus in our schools. I still will ENCOURAGE students and staff to wear masks when social distancing is not possible and while indoors. It is just common-sense! I believe masks, social distancing, and handwashing can help us complete a full school year

I am still optimistic that we can open schools in-person safely, while encouraging more students, staff, and community members to get vaccinated. I am very thankful to the Gila County Health Services and the San Carlos Apache HealthCare for hosting four vaccination clinics onsite over the summer.

## Mulch Matters

**M**ulching is one of the simplest and most beneficial practices you can use in your garden. Mulch is any material that is placed on top of the soil, not mixed with the soil. Mulches can either be organic such as grass clippings, straw, shredded leaves, bark chips, and similar materials; or inorganic such as stones, decomposed granite, and plastic. Inorganic mulches are generally used for permanent landscapes. Both organic and inorganic mulches can be beneficial to your soil and plants.

Why go to all the trouble of spreading mulch? Just 2 - 4 inches of mulch spread on top of the soil will:

- Protect the soil from erosion
- Prevent soil compaction that happens from the impact of raindrops in heavy rains
- Conserve moisture by reducing evaporation from the soil surface, reducing the need for frequent waterings
- Acts as an insulator, keeping plant roots warmer in winter and cooler in summer
- Reduce weed growth
- Keep fruits, vegetables and feet clean instead of muddy
- Enhance soil fertility

Organic mulches also improve the condition of the soil. As they slowly decompose, they provide organic matter which helps keep the soil loose. This improves root growth, increases the infiltration of water, and also improves the water-holding capacity of the soil. Organic matter is a source of plant nutrients and provides an ideal environment for earthworms and other beneficial soil organisms. Gravel or rock mulches also reduce water loss but don't add fertility to

the soil.

At the Oracle Community Learning Garden, we are working towards mulching all of the bare soil - not just the garden beds - using whatever organic materials are available. So far we've used straw, horse manure, finished compost, wood chips and shredded plant materials from neighbors' yards. It just feels good to divert materials from the landfill while enriching and protecting soils and conserving water. And a lot of our recent monsoon rain is now stored in the soil instead of having run off the property.

While mulch is a pretty simple concept, there are a few mulching rules of thumb to think about.

Most organic mulch - straw, wood chips, and tree bark are examples - is carbon-rich. If mixed with the soil next to your plants instead of placing on top of the soil, it could reduce soil nitrogen due to more rapid decomposition. Nitrogen use is much slower if mulch is not mixed in with soil.

If your property is hilly, you'll need to anchor the mulch so that it doesn't wash away. This can be done by making basins or berms and covering them with mulch to slow the runoff. Don't mulch up against the base of the plant - keep it a few inches out from the plant base or tree trunk to prevent rotting.

Why not start a Mulch Matters program and "plant the rain" to help build your soil, reduce erosion, and maintain soil moisture? Mulch is the key to keeping the rain that falls on your property in the soil, where it belongs.

# Meet the President: Kennedy Ivy heads the San Manuel Revitalization Coalition

By Nathaniel A. Lopez  
San Manuel Miner

On July 18, the Miner caught up with the president of the San Manuel Revitalization Coalition. Kennedy Ivy has been a resident of San Manuel for the past three years. Originally from San Diego, Kennedy and his wife made their way to Arizona after he got out of the Navy. While working in Catalina, Kennedy heard from his co-workers about how San Manuel was a good place to raise children. In the process of starting his own family, Kennedy made the move to San Manuel.

While working for a resident, he was told about a group of locals who were getting together and discussing town issues while looking for a resolution. After accepting the invitation to join the conversations, Kennedy stayed involved and was eventually asked if he'd like to be the president. The group began to evolve, and turned into a community development corporation. Now the San Manuel Revitalization Coalition is a 501(C)3, with more than 200 participating members.

At the beginning, the group put out a "needs assessment survey", discovering the two biggest problems were drug use and lack of activities for the youth. The SMRC started working with the Arizona Youth Partnership, and with them, they've been able to host small conferences that

help teach the youth how to make good choices and healthy living skills. Starting in August, they will begin a "too good for drugs" program for youth fifth through seventh grades. The program will span the course of 10 weeks, and will be every Friday.

"We're just trying to keep these programs going," Kennedy said, "so that the kids have a healthy outlet for something."

A few months ago, the SMRC leased the community center on Fifth Avenue from the county. With the community center they have been able to host family movie nights, and community meetings.

"Our biggest accomplishment so far, has been taking over the community center," Kennedy said. "It's great to just have a place where everyone can congregate and get to know each other."

The county just recently broke ground for renovations to the Fifth Avenue park, where they will be installing new equipment.

The SMRC is also in the process of trying to revive the San Manuel Farmers Market.

If you would like to contribute to San Manuel Revitalization Coalition's mission for making a better community, come to a community meeting. Community meetings are held on the last Saturday of every month, with a start time of 10 a.m. at the San Manuel Community Center, 111 Fifth Avenue, across from the public library.

## Hundreds expected to travel along Arizona Trail from Mexico to Utah in one day

ARIZONA – Eight hundred miles is a long distance to attempt to drive in a day. If traveling by foot, bike, horse or any other self-powered means, it's impossible within 24 hours.

Or is it?

On Saturday, Oct. 9, hundreds of outdoor enthusiasts from across Arizona stage themselves along the Arizona National Scenic Trail (AZT), from the Mexico border to the Utah border, ready to complete the

entire trail in a single day. Each person will have a few miles to complete and 24 hours to do it.

### A Sizable Challenge

"This is no small feat," said Karrie Kressler, coordinator for the challenge. "We're going to need hundreds of committed folks out there to pull this off."

In the previous three years of AZT in

# Sea Lions win against Globe in home swim meet

The Sea Lions hosted the Globe Piranhas on Saturday, July 17, at the Mammoth Pool. The Sea Lions won the meet 1066 to 266. The Sea Lions achieved 82 best times and won 74 (out of the 88) events at the meet.

The Sea Lions have had 21 new swimmers compete this summer. For two Sea Lions swimmers, this was the first their swim meet ever. Mario Primero (8) and Darrian Kramer (10) competed for the first time. Both competed in multiple events and earned ribbons and points for the team at the meet.

With swimmers in every age group improving rapidly, who knows what will happen at the League Championship Meet in Coolidge on Saturday, July 24? Coach Alex Gort is proud of where this team is today.

“This season the team has grown more than any year for a long time. What is the most exciting is how fast the swimmers are improving. In many cases, we have swimmers who could not swim a month ago now competing in races. I am not sure if we can beat either of the teams that beat us early in the season but I

## Superior Chamber of Commerce presents 2021 Burro Run and Apache Leap Mining Festival

The Superior Chamber of Commerce is excited to bring back two of the town's most popular events: the Superior Burro Run and the 33rd Annual Apache Leap Mining Festival. Held over the weekend of Oct. 22-24, 2021, these one-of-a-kind events will celebrate Superior's rich history as a mining town with a series of fun, family-friendly activities, ranging from pack burro racing to a hands-on mining competition and more.

With a long history in Colorado, where it is recognized as the state's official summer heritage sport, pack burro racing debuted in Arizona in 2019 with the inaugural Superior Burro Run. The sport is a throwback to mining days, when "burros" (the Spanish term for donkeys) were used to pack supplies and ore. For this year's event, teams consisting of one human partner and one burro partner will compete for glory — and gorgeous custom prizes! — in one of three course lengths: three-, six- or 12-mile. On Saturday, Oct. 23, the teams will race down Main Street and out onto Forest Service trails, navigating together to see who has the best partnership and the fastest feet. Each course will conclude back on Main Street, where spectators can watch the teams dash across the finish line.

Spectators are encouraged to attend this exciting event, which will also feature a beer garden, live music and other entertainment, as well as trained burro adoptions from the Bureau of Land Management (BLM).

A long-cherished annual tradition in Superior, the Apache Leap Mining Festival showcases the town's history, with a focus on the past, present and future of the mining industry. The Festival will launch on Friday, Oct. 22, with a carnival, vendors selling handcrafted goods, music and dancing on Main Street. The fun will continue on Saturday and Sunday, and will include the annual parade, with burros and big rigs and hilarious Chihuahua races, which feature a runoff between the fastest small dog and the fastest Chihuahua. Live entertainment will contribute to the upbeat atmosphere throughout the

event. Attendees of all ages will not want to miss the Festival's popular hands-on activities, including a mining competition in which participants perform grueling tasks such as sawing, mucking, spiking and drilling in a battle to win a coveted prize. In addition to all the fun, the Apache Leap Mining Festival offers fascinating educational opportunities, such as historian speakers bringing to life the area's mining stories from the past.

Superior locals and visitors alike are encouraged to experience these unique, entertaining events, both of which are free to the public (with the exception of race participants in the Burro Run). Festivities will run from 5-11 p.m. on Friday, 10 a.m.-11 p.m. on Saturday and 11 a.m.-5 p.m. on Sunday. For more information, visit [www.superiorarizonachamber.org](http://www.superiorarizonachamber.org), call 520-689-0200 or stop by the Superior Chamber of Commerce at 165 W. Main St., Superior, Ariz. 85173.

Burros and dogs inherently do not care for each other so we ask that you leave FIDO at home.

**The Burro Run and Apache Leap Mining Festival will return later this year after being cancelled last year due to COVID-19.**

# ARIZONA TRAIL

Continued from page 5

a Day, over a thousand hikers, runners, bikers and equestrians have come very close to covering the whole trail in one day, amassing over 5,000 trail miles each year and in their best year completing 97.5% of the trail in a one day.

The Arizona Trail has always been about group

effort, and this challenge is no different. “It took tens of thousands of volunteers over three decades to build the Arizona Trail, and now we’re delighted to be able to invite everyone to share this amazing public

resource during one of the best times of the year,” said Matt Nelson, Executive Director of the Arizona Trail Association. “No matter how far you can hike, run or ride, we hope everyone can enjoy some time on the AZT with the ATA this October.”

## Choosing Your Section

The 800-mile trail has been divided into sections ranging in length from 1.8 to 18 miles. Participants will have 24 hours to complete their portion of the trail. Online registration is free and open to everyone.

The Arizona Trail offers the public a unique way to experience some of the most scenic and wild parts of Arizona. Participants can choose between desert,

mountain, canyon, forest or urban segments of the trail. The AZT passes through eight wilderness areas, four National Forests, two National Parks, one National Memorial, one State Park, and passes through or near 32 gateway communities.

“We advise participants be well-prepared. Some access points require 4-wheel drive or high clearance vehicles,” said Karrie Kressler, Administrative Director.

A few sections of the trail

are remote and require extra planning. For these sections, participants familiar with backpacking will be required to camp in particular areas at least a day before the actual event to be ready to complete their portion on October 9, according to Kressler.

## Fundraising Opportunities

Participants who want to help raise money to support the Arizona Trail Association can appeal to family, friends and others to pledge dollars to support their commitment on October 9.

“Last year AZT in a Day participants raised over \$50,000 for the trail, an incredible show of support that we are hoping to reach again this year,” said Nelson. “It takes a strong

organization to protect and maintain 800 miles of trail. As we attempt to raise the funds necessary to sustain the ATA, please think about what your experiences on the AZT are worth.”

## How to Get Involved

To sign up, or for more information about AZT in a Day, visit [aztrail.org/events/aztinaday-2021/](http://aztrail.org/events/aztinaday-2021/), email [karrie@aztrail.org](mailto:karrie@aztrail.org), or call (520) 261-8460.

## About the Arizona Trail Association

The organization was incorporated in 1994 with the mission to protect, maintain, enhance, promote and sustain the 800-mile non-motorized Arizona National Scenic Trail as a unique encounter with the land. For more information, visit [aztrail.org](http://aztrail.org).

## Public Notice

**PINAL COUNTY - PUBLIC NOTICE NOTICE OF NEIGHBORHOOD MEETING FOR A ZONING ORDINANCE TEXT AMENDMENT, IN AN UNINCORPORATED AREA OF PINAL COUNTY, AZ**

Please be advised that Pinal County is proposing a Zoning Ordinance text amendment to Title 2 of the Pinal County Development Services Code, establishing a new section, Section 2.365 "LARGE MASTER PLAN COMMUNITY (L-MPC) ZONING DISTRICT". This amendment establishes the L-CMP zoning district to provide flexibility, specifically for large property holders seeking residential master plan development, without relying on "one-off" PAD zoning requests which are tailored to specific properties. PADs can be difficult to manage and enforce, but also, for large developments, PADs often undergo multiple amendments, which can further complicate enforcement. Encouraging flexibility and large-scale residential development will encourage interest and development activity, which supports the County's growth and economic development goals. This will advance other goals, such as those related to transportation and connectivity, cooperation with public agencies, and resource conservation. Unlike the PAD zoning option, the L-CMP zoning district will provide flexibility and uniformity in regulation across all properties with the same zoning. Additionally, this amendment provides the public a level of certainty as to how a property might develop, thereby encouraging a more transparent entitlement and development process. In compliance with the Pinal County Development Services Code requirements, a Neighborhood Information Meeting will be held to provide an opportunity for residents and property owners to become aware of this amendment and provides an opportunity to influence the form of future development. Should you have questions prior to the meeting, please contact:

# Support Local: Oracle Community Center

In April 2020, COVID-19 brought much of Arizona's economy to a screeching halt. All businesses not deemed "essential" were ordered closed by Arizona's governor Doug Ducey.

The lockdown continued for nearly two months. When Gov. Ducey finally gave the go ahead to reopen, businesses slowly began

the road to recovery. Even those listed as "essential" had a challenge with this economic recovery.

Many small businesses and non-profits in Arizona didn't survive the lockdown. The businesses that did survive are hanging on as best they can. *Copper Area News* wanted to give something back to the local business

community as a thank you for supporting us through these troubled times. Our newspapers (*Copper Basin News*, *Superior Sun* and *San Manuel Miner*) have been featuring local businesses and non-profits since the beginning of 2021, encouraging our readers to Shop at Home, stay local and support our local businesses. To date, *Copper Area News* has featured 84 businesses in the Copper Corridor.

As the COVID-19 Pandemic took its toll, businesses, families and even local non-profits had to adjust their strategies to keep their missions moving forward while working through the pandemic. Meetings were moved to Zoom and fundraisers had to become creative as in-person events were not allowed. Harder still for some organizations, major events — including annual events — had to be canceled.

The Oracle Community Center has been a foundation of the community for more than 40 years and continues support the community even through this pandemic. The last year has been tough on the community center as they had to cancel the last two Oracle Oaks Festivals.

However, the Oracle Community Center Board President Steve Chaves has confirmed that next year the Oracle Oaks Festival is back on as normal. Another sign that things are returning to normal: they are currently looking for volunteers.

"We are always looking for volunteers," said Chaves.

Volunteers are needed for planning next

year's Oaks Festival as well as board members to help guide the direction of the community center.

Yet another sign of getting back to business: the Monday lunches are back on as of last month. But rather than every Monday, they are now twice a month, on the first and third Monday. The next lunch date is Aug. 2.

Chaves told the *Miner* that the community center was built, physically, by the community. The community put in the labor and materials to build it. For many years, the community center was, on paper, a senior center. But the center is back to being a non profit community center.

This year's major project is renovating the kitchen. Recently, the OCC received a donation from the SaddleBrooke Rotary Club to help purchase a much needed new stove.

"The community center is open to the community, and it is a great rental space for parties and special meetings," said Chaves. Coming Aug. 14 will be another community yard sale. More information will be published in the *Miner* as it becomes available.

The community center's Free Little Pantry is still available for folks who need a little help (and for those with a little help to give, the lockers are open for donations).

You can contact the community center for hall rentals and volunteering at (520) 896-9326. You can also check for meeting and events at [www.Oraclecommunitycenter.org](http://www.Oraclecommunitycenter.org), and the community bulletin boards are open all use.
