Kearny's Francisco Buso chosen to lead Elks East District

Thousands of members of the Benevolent and Protective Order of Elks of the United States of America and guests have gathered in Saint Louis, Missouri, from June 30 to July 3 for the BPO Elks' National Convention. During the convention, Francisco Buso, of Kearny, was installed as District Deputy for the BPO Elks for lodges in the East District of the Arizona Elks Association and will serve a one-year term.

The BPO Elks is one of the premier patriotic and charitable organizations in the United States of America and is committed to making our communities better places to live. Each year, the Order donates more than \$675 million in cash, goods, and services to the needy, students, people with special needs, active-duty members of the US armed forces and their families, veterans and their families, and charitable organizations.

Each year, as part of the Elks' commitment to helping students

achieve their goals and helping lodges make positive changes in their communities, the Elks National Foundation awards annual college scholarships worth a total of more than \$4 million, and the Elks National Foundation's Community Investments Program provides local Elks lodges with more than \$12 million to help them enrich their communities.

As part of the BPO Elks' commitment to our nation's veterans, the Order has taken the following vow: "So long as there are veterans, the Benevolent and Protective Order of Elks will never forget them." Each year, Elks members keep this promise by donating more than \$47 million in cash, volunteer hours, and goods to offer essential support for veterans and active-duty members of the US armed forces and their families and programs that serve hospitalized and recovering veterans and lift up veterans experiencing homelessness.

Rios' county office provides landfill vouchers

Pinal County Supervisor Pete Rios in conjunction with the Pinal County Public Works department continues to offer District 1 residents free landfill vouchers in eastern Pinal County. The voucher program was initiated to help residents with waste

disposal costs and reduce the amount of illegal and wildcat dumping in the desert.

In 2018, a total of 5,223 voucher were issued, but only 2,983 of those vouchers were redeemed.

Supervisor Rios encourages local residents to take

advantage of the voucher program and help keep yards free from bulk-trash, reduce fire danger and help keep our deserts debris-free.

Several simple rules apply:

- Three vouchers are issued to Pinal County residents for their primary residence only
- You must provide a current utility bill with your name and service address imprinted to verify proof of residency and it must be dated within the last 60 days
- Vouchers are only valid for the current calendar year
- You may redeem the vouchers at the Dudleyville landfill or the Oracle

transfer station

- Each voucher allows for disposal of one truck load (750 lbs) of residential debris at Oracle and three cu. yds. at the Dudleyville Landfill for no charge

You may obtain a voucher at Pinal County Board of Supervisors office (or email a valid utility receipt and vouchers will be mailed to you). Supervisor Rios' office is located at: 118 Catalina Ave., Mammoth, AZ 85618

For more information regarding the waste voucher program please contact Rios' office at 520-866-7830 or 520-487-2941.

Summer Heat Safety

Many of us are familiar with the Eddie Murphy movie Beverly Hills Cop. While the theme song sung by Glenn Frey, "The Heat Is On" is about the police going after the bad guy, it certainly describes the summers here in Arizona.

Summer officially started this year on Friday, June 21, and with it comes the warmer and HOTTER days of summer. This is the time we are outside more enjoying the beauty of this state and all it has to offer. Some people must work in the hotter temperatures no matter how hot it gets. So, heat safety isn't just for those enjoying their vacation or time relaxing outdoors.

As many of us who live in the desert are aware, the higher temperatures can quickly cause dehydration and bring on potentially life-threatening heat-related medical issues. During our hot summer days our body still sweats even though our skin may appear to be dry. The lower humidity we have here in the desert can evaporate our sweat making it look like we are not all that hot so the summer heat isn't a problem, but IT IS!!

There are three stages of summer heat-related medical issues that can happen and rapid recognition and treatment of those issues can help save a life or prevent any permanent damage to someone's body. Signs and

SAME DAY DENTURE REPAIRS!

Copper Corridor celebrates our nation's birthday

Happy 243rd Birthday, America!

Communities throughout the Copper Corridor are ready to celebrate. There are several events planned, including one fireworks display, and residents are invited to join in the fun.

The Town of Hayden offers the only fireworks display this year (although Apache Sky Casino wowed the crowds on Sunday with a pre-July 4th fireworks display).

Hayden's celebration begins at 7 p.m. at Hastings Park

Deanna and Bob David of San Manuel get ready to watch the fireworks at the Apache Sky Casino on Sunday. A large crowd of people from all over the Copper Corridor came to watch the impressive display. Several vendors and food trucks were on hand to feed the restless crowd.

(Golf Course). Enjoy hot dogs, chips and watermelon prior to the fireworks show, which begins at sundown.

The Town of Kearny's kicks off its 4th of July Celebration at the Swimming Pool. Pool opens at 1 p.m. Head over for kids activities, prizes, free swimming and family fun.

In Superior, the Youth Council will be hosting the event with free swimming at the pool from noon to 8 p.m. Jumping castles will also be available throughout the day and the Youth Council has purchased some pool toys to add to the fun at the pool.

From 5-7 p.m. the Youth Council will be serving free hot dogs, snow-cones and cotton candy. DJ Supie Town will be playing from 5-8 p.m.

At this time the fireworks show has been cancelled due to fire restrictions. The Town will reschedule the fireworks show once there are no fire restrictions.

In the Tri-Community, there will be celebrations in Oracle and Mammoth.

The Oracle Community Center will sponsor a Fourth of July festival again this year at its location, 685 E. American Ave. The activities will begin at 9 a.m. and run until 3 p.m. There will be free lunch for children under the age of 16. Other adults are \$5. Activities will be free to the public.

This year's event will showcase activities sponsored by non-profit organizations and businesses located throughout the region. Local artisans and other vendors will be on hand providing unique experiences for all who attend.

In Mammoth, it's all about the pool. On Thursday, July 4th, the Town of Mammoth and the Sea Lions Swim Team are hosting a Fourth of July Celebration at the Mammoth Swimming Pool. Admission is free from noon – 3 p.m. Stay cool in the pool and have lots of family fun with food,

Pinal Rural celebrates graduation from wildland training

Last Sunday, Pinal Rural Fire and Medical District in Mammoth celebrated the completion of wildland fire training by several of its firefighters by raising a can of water (donated by Anheuser-Busch). On hand to help celebrate were Fire Chief Bobby Apodaca, Captains Enrique 'Jerry' Lopez and Ian Whittaker and Assistant Chief Tom Moloy. Following the final class, the firefighters enjoyed a wonderful meal prepared for them by the Rancheros Carniceria in Mammoth. Later that same evening, the firefighters headed over to the Apache Sky Casino to assist with the annual fireworks display. A small brush fire broke out after an audience member set off a Roman candle. Pinal Rural dispatched its brush truck and the conflagration was quickly extinguished.

Happy birthday, Jesus Ross – the Copper Corridor's newest centenarian

By John Hernandez
Copper Basin News

In 1919, the President of the United States was Woodrow Wilson. World War I had just ended in November of 1918, a loaf of bread cost 10 cents, sirloin steak 39 cents per pound and a gallon of gas 25 cents.

On June 20, 1919, Jesus Ross was born in the small farming community of Eloy, Arizona. His mother and father worked in the fields. He is the last of 11 children.

On Saturday, June 22, Jesus celebrated his 100th birthday with family and friends at a barbecue at his home near Winkelman.

Jesus attended school in Eloy and Casa Grande. His family moved back to Mexico for a while. Jesus returned to the United States to live in Tucson when he was in his 20s. He worked as a gardener at the old El Conquistador Hotel which was built in 1929 on Broadway where the El Con Mall was located. In Tucson, he met his wife, Lydia Soto. They were married in Sacramento, California. They would raise a family of seven children.

Some relatives from Winkelman told Jesus about some job opportunities with the smelter in Hayden. Jesus moved to Winkelman and went to work for ASARCO. He worked his way up to a supervisor position and was in charge of the reverb. One day at work, an overhead ladle of molten copper spilled. Jesus and another employee were standing underneath the ladle. Jesus saw the bucket spilling and shoved the other employee out of the way. Molten metal fell on Jesus, severely burning him. One witness told his family that Jesus' safety helmet was melting on his head.

Jesus was rushed to a hospital in Tucson. He spent two weeks in ICU where doctors did not expect him to live. After a number of skin graft surgeries, he was able to return to work and later retire.

He has seen many changes in the world in his lifetime and lived through the terms of 17 different presidents. He says his favorite president was John F. Kennedy. Jesus has 11 grandchildren and numerous great-grandchildren.

Happy birthday, Jesus!
