"There are numerous countries in the world where the politicians have seized absolute power and muzzled the press. There is no country in the world where the press has seized absolute power and muzzled the politicians"

—David Brinkley

OBITUARY

Gloria Ybarra Ogden

Gloria Ybarra Ogden, 81, passed peacefully with loved ones by her side in Tucson, Arizona on Aug. 11, 2023. Gloria was born and raised in Superior, Arizona on March 17, 1942, to Tranquilino and Maria Ybarra.

Gloria married and lived her adult life in Tucson, Arizona where she raised her three children Michael Anthony, Robert Mark and Amber Marie.

Gloria retired from her career in social services and went on to live a beautiful life full of adventure and love. Gloria enjoyed the simple pleasures in life, loved to cook, write poetry and

enjoyed being surrounded by family for all holidays and celebrations. She spent her time telling stories of her childhood, the most popular; she loved to run the streets of Superior in her famous "boots" where she later received the name "Nana Boots" by her grandchildren. Gloria was strong and had a heart of gold and loved all of her family deeply. She will truly be missed.

Gloria is preceded in death by her parents; siblings, Beto, Joe, Polo, Lilly and Richard; and her beloved grandson, Joseph Christopher Reyes – her "Nephi". She is survived by Michael, Mark (Karen) and Amber (Rick); nine grandchildren; eight great-grandchildren; and countless nieces and nephews.

Services for Gloria will be held Aug. 29 starting at 8:30 a.m. at St. Francis of Assisi Catholic Church in Superior, Arizona. Rosary is at 9 a.m. with Eulogy to follow. Mass of Christian Burial will be celebrated at 10 a.m. Interment will follow at Fairview Cemetery and there will be a luncheon at St. Mary's Center.

Chicanos Por La Causa announces new partnership with BHP to establish a scholarship and grant program

(Phoenix, AZ) Chicanos Por La Causa, Inc. (CPLC) recently received an investment of \$50,000 from BHP, a global resource company, that will go towards scholarships and grants supporting the educational and career aspirations of Arizona's Copper Corridor residents.

The scholarship aims to expand access and affordability to higher education or vocational training, upskilling and certification.

"Generations of immigrant workers and rural Arizonans have been the backbone of the mining industry in the Copper Corridor. Their labor has been key to the growth of our nation's economy and quality of life, and we now have an opportunity to invest in the future of their youth," said David Adame, CPLC President and CEO. "As industry and the economy have changed over the years, we cannot leave this population behind. So, we are proudly partnering with BHP to provide scholarships to youth and residents from these mining towns. This opportunity is the next step for people from the region to upskill and enhance communities in the Copper Corridor."

CPLC BHP scholarships can be applied toward the tuition of any of the three state universities, the community colleges, or vocational schools. Grants will also be made available for those seeking a training certification or towards the purchase of tools as it pertains to upskilling and training. All applicants must be at least 16 years old and live in the Copper Corridor region consisting of Miami, Globe, Superior, Hayden, Kearny, Oracle, Oracle Junction, San Manuel, Mammoth and Winkelman. Applications open Oct. 1, 2023.

Grief Support Group is held Tuesdays at 4 p.m. Family Life Christian Center, 56 Kellner Ave., Superior. For more information, contact Sandy Van Gorp at 520-827-9224.

At least one vehicle has been washed downstream during a flash flood at the Queen Creek Panther Drive crossing.

Funding for Panther Drive Bridge awarded

Turn around, don't drown – a very familiar statement all Arizonans hear during wet weather, especially monsoons. The Sonoran desert is often prone to flash floods in what are normally dry creeks and waterways.

When Queen Creek floods and is impassable, the Panther Drive crossing is often closed for days and in some cases almost a week or more at a time when there is ongoing inclement weather in the area. The closure of Panther Drive affects the route for Emergency Service responders, Fire and EMS, affects the route to the school campus and of course is a hinderance to residents.

Knowing this is an ongoing problem, the Town of Superior has been seeking funding from the federal and state governments to fund the \$2.5 million project. This year the funding was approved by the Arizona State Legislature as part of the current fiscal year budget.

Town Manger Todd Pryor, reported that the Town has already received the funding and design work is already underway. Senator Wendy Rodgers, who represents

Superior's legislative district, championed this project and helped the Town secure the funding.

This low water crossing serves a large section of the Town as primary access, including the Superior Fire Department, Kennedy Elementary, Superior High School, and many residential units. The crossing regularly rises to a level that requires road closure. The impacts of climate change and wildland fires have led to an increase in this sort of closure, and drivers barricades have ignored putting themselves in peril. At least one serious accident has occurred as a result. When the road is closed, emergency responders who are based at the fire station must detour around the closure, adding three to five minutes to their response times.

Design and permitting will take approximately one year and construction could begin in 2024.

"The Town is very appreciative to Senator Rodgers for supporting this critical life-safety improvement for Superior's residents and visitors," said Mayor Mila Besich.

Phone and Internet Discounts Available to CenturyLink Customers

The Arizona Corporation Commission designated CenturyLink as an Eligible Telecommunications Carrier within its service area for universal service purposes. CenturyLink's basic local service rates for residential voice lines are \$18.47 per month and business services are \$35.00 per month. Specific rates will be provided upon request.

CenturyLink participates in the Lifeline program, which makes residential telephone or qualifying broadband service more affordable to eligible low-income individuals and families. Eligible customers may qualify for Lifeline discounts of \$5.25/month for voice or bundled voice service or \$9.25/month for qualifying broadband or broadband bundles. Residents who live on federally recognized Tribal Lands may qualify for additional Tribal benefits if they participate in certain additional federal eligibility programs. The Lifeline discount is available for only one telephone or qualifying broadband service per household, which can be either a wireline or wireless service. Broadband speeds must be at least 25 Mbps download and 3 Mbps upload to qualify.

CenturyLink also participates in the Affordable Connectivity Program (ACP), which provides eligible households with a discount on broadband service. The ACP provides a discount of up to \$30 per month toward broadband service for eligible households and up to \$75 per month for households on qualifying Tribal lands.

For both programs, a household is defined as any individual or group of individuals who live together at the same address and share income and expenses. Services are not transferable, and only eligible consumers may enroll in these programs. Consumers who willfully make false statements to obtain these discounts can be punished by fine or imprisonment and can be barred from these programs.

If you live in a CenturyLink service area, visit <https://www.centurylink.com/aboutus/community/community-development/lifeline.html> for additional information about applying for these programs or call 1-800-201-4099 with questions.

Go Panthers! Our team is rooting for Superior High School victories in all the sports throughout the year.

Superior takes hard loss on season opener

By Nathaniel A. Lopez
Superior Sun

The Superior High School football team traveled to Hayden last Friday to officially kick off their season. The Panthers put up a tough battle, but were unable to break past the Lobos' defense to score.

"We had a rough first outing to start our season. I need to do a better job getting our team prepared," commented head coach Elias Olmos. "We will use this as a stepping stone to get to where we want to be."

The final score of the game was a tough 0-70. The boys will play this week's away game on Thursday, Aug. 24, against Tempe Prep. Both teams are currently

sitting at a 0-1 record, so with some hard Panther football, the boys could be able to come home with their first win of the season. The game is scheduled for a kickoff time of 7 p.m.

On Friday, Aug. 25, the Panthers will be helping out with the Black and Orange youth football camp. The camp will begin at 7 p.m. at the Superior High School football field.

Nathaniel Lopez | Sun

Agroforestry project started near Superior

By **Nathaniel A. Lopez**
Copper Area News

Agroforestry is defined as the intentional integration of trees and shrubs into crop and animal farming systems to create environmental, economical, and social benefits.

Carol Manetta is the executive director of Reap Goodness, and the person who's vision is helping start the Superior, AZ Heartland Trial. The location of the project sits adjacent to the Boyce Thompson Arboretum, who was gracious

enough to offer them one acre of land to work on.

The project is built on three goals outlined on the Reap Goodness website: "Goal 1: This several-month trial involves people from the community in two trial locations in Arizona, USA who are coming together in an exciting new way to test the assumptions that a trio of cooperatives can carry out harmoniously all the duties that each one agrees to perform. This is done with local land owners and/or public land agreements. Each small group representing one of the

cooperatives will work together onsite and harmonize with the other groups as well as the surrounding community through discussions that will all be recorded.

"Goal 2: There's another purpose for this trial, probably the most important one. It involves the training for each cooperative. This training, intended for older primary school students, is to be quickly developed by a consortium of universities and then translated into many languages via university language specialists. This is to blanket the Earth with the knowledge that everyone can do the same, quickly

restoring Earth and providing food and clean water security for all life. "Goal 3: From this point all recordings are to be distributed as quickly as possible to put them in the hands of universities for development, then governments around the world, primary schools, and local community organizations everywhere. This can be done through digital resources, library inclusions in communities and universities, and government-shared documents. This plan is in the works."

Annual Prickly Pear Festival this weekend

As the long days of Summer linger into August, the annual festival of the resilient prickly pear cacti is hosted each year in downtown Superior, Arizona. This

annual festival is often the beginning of the busy festival season in Superior and a kick off to what will hopefully be only a few more weeks of intense Summer heat!

This year the event is scheduled to be a one day event on Saturday, Aug. 26, 2023. The day kicks off early with harvesting of prickly pear fruit at the Superior Municipal Airport

located on US 60 at 7 a.m. The session will last for an hour. Participants are asked to bring their own bucket, tongs and gloves, and they are encouraged to wear long sleeve shirts,

long pants and closed toe shoes.

After foraging for the delectable pink fruit, head over to Downtown Superior (Main Street) for a pancake breakfast benefitting the

Superior Fire Department. There will be prickly pear syrup available. The breakfast will be hosted from 8 a.m. to 11 a.m.

The Superior Farm to Fantastic Market will be held at the Superior Senior Center from 9 a.m. to 3 p.m. There will be expanded vendors during their operations including fresh bread from Brick House Bakers.

Just about every business in town will be featuring a prickly pear item from Prickly Pear Wine Spritzers at Bruzzi Vineyard, Prickly Pear Ice Cream at Felicia's Ice Cream Shop and many menu items at Bella's Marketplace. Fiesta Queen Candidate Ariel Aparicio will be hosting a fry bread fundraiser at the Superior Senior Center. She will also be selling a savory Nopales dish.

Retail vendors, food trucks and the rummage sale benefitting the Superior Food Bank will be held from 9 a.m. to 5 p.m. This year the guest speakers will be hosted at the Superior Chamber of Commerce located at 165 Main Street. A full listing of speakers was not available at press time. Participants should check the schedule at the chamber of commerce to determine when specific speakers will be speaking.

AGROFORESTRY

Continued from page 6

The Superior Heartland Trial began meeting back in November of 2022, and currently only has three members on it: Carol Manetta, Timm Esque and Mike Montiel. They are currently in the planning process, developing a blueprint on how they will establish and lay-out the agroforest. They are looking for community members interested in participating, and contributing their time and effort into growing this agroforest into something beneficial for the community.

“As the project goes on, we want the local community to be involved in the decision making, so it doesn't feel prescribed, so it can be like ‘well what do you think, what do you see being a benefit?’” said Mike Montiel. “It's going to be a multi-year project, on the front end there's a lot of work, then a lot of waiting [for growth], keeping an eye on stuff, but once it's established, it's basically just maintenance of chopping stuff down, clearing stuff, and harvesting.

A big part of what we're doing is building a curriculum, so other people can do it, but also creating a sustainable agroforest here that will last forever. Just taking, what I consider, indigenous principles of caring for the land and putting back into it, being conscious of it, understanding how the water moves, and where the sun sets, where it rises, and all of those things during different times of the year. You can do things intelligently and create a manageable system. That's what we're

going to try and do here.”

If you would like more information on the Superior Heartland Trial go to www.reapgoodness.org. If you are interested in joining this project you can reach out to Mike Montiel at 480-272-3786 or gmmontiel83@gmail.com. You can also reach out to Timm Esque at tjesque@evleaderlab.com and Carol Manetta at cmanetta@reapgoodness.org. Come help Superior step into a sustainable agrofuture!

COPPER CORRIDOR COMMUNITY CALENDAR

San Manuel Historical Museum

Your museum is open every Saturday 10 am till 2 pm. You can schedule a visit any other time by calling 620-687-1720 or emailing SanManuelHistoricalMuseum@gmail.com. We have received several new display items and new research materials. A special Thank You to all the visitors who have braved the heat to come in and visit. Remember to "Like" us on Facebook and Thank You for your continued support.

Superior Library Hours

Superior Public Library hours of operation are: Monday - Friday, 10 a.m. - 6 p.m. There is a one hour time limit on Public PCs if others are waiting. Be sure to check out our Facebook page for what's new. Contact us at 520-689-2327 if you have any questions.

Winkelman Burn Ban

Effective May 1 - Sept. 30 a BURN BAN is in effect for the Town of Winkelman. Home and business owners are encouraged to clean your yards and property of weeds and debris.

Public Notice

AUTHORIZATION TO SUBMIT APPLICATIONS AND IMPLEMENT CDBG PROJECTS

RESOLUTION NO: 2023-669

A RESOLUTION OF THE MAYOR AND TOWN COUNCIL OF THE TOWN OF SUPERIOR AUTHORIZING THE SUBMISSION OF AN APPLICATION(S) FOR FY 23 STATE COMMUNITY DEVELOPMENT BLOCK GRANT FUNDS, CERTIFYING THAT SAID APPLICATION(S) MEETS THE COMMUNITY'S PREVIOUSLY IDENTIFIED HOUSING AND COMMUNITY DEVELOPMENT NEEDS AND THE REQUIREMENTS OF THE STATE CDBG PROGRAM, AND AUTHORIZING ALL ACTIONS NECESSARY TO IMPLEMENT AND COMPLETE THE ACTIVITIES OUTLINED IN SAID APPLICATION.

WHEREAS, the Town of Superior is desirous of undertaking community development activities and

WHEREAS, the State of Arizona is administering the Community Development Block Grant Program; and

WHEREAS, the State CDBG Program requires that CDBG funds requested address one of the three Congressional mandated National Objectives; and

WHEREAS, the activities within this application address the community's identified housing and community development needs, including the needs of low and moderate income persons; and

WHEREAS, an Applicant of State CDBG funds is required to comply with the program guidelines and Federal Statute and regulations.

NOW, THEREFORE, BE IT RESOLVED THAT the Mayor and Town Council of the Town of Superior authorize

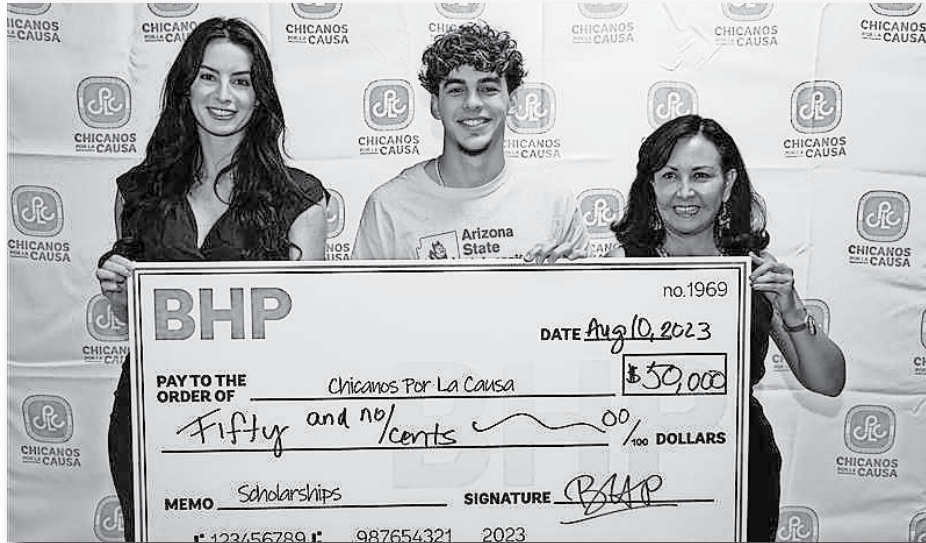

application to be made to the State of Arizona, Department of Housing for FY22 CDBG funds, and authorize the Mayor to sign application and contract or grant documents for receipt and use of these funds for the Lime Street Improvement Project , and authorize the Mayor to take all actions necessary to implement and complete the activities submitted in said application(s) and THAT this application for State CDBG funds meets the requirements of low- and moderate-income benefit for activities justified as benefiting low-and moderate- income persons, aids in the prevention or elimination of slum and blight or addresses an urgent need which poses a threat to health; and THAT, the Town of Superior will comply with all State CDBG Program guidelines, Federal Statutes and regulations applicable to the State CDBG Program and the certifications contained in the(these) application(s).

Passed and adopted by the Town Council of Superior this 14th day of August, 2023. /s/ Mila Besich Mayor

ATTEST: /s/ Ruby Cervantes, Town Clerk

Brandon Garner Jr., a recent Hayden High School graduate, celebrates the creation of a new scholarship. Ben Scolaro | Chicanos Por La Causa

SCHOLARSHIP

Continued from page 2

“BHP is delighted to partner with Chicanos Por La Causa to support scholarships for students from the Copper Corridor pursuing an education,” said Kate Sommerville, BHP Legacy Assets General Manager.

Winkelman resident and 2023 graduate of Hayden High School, Brandon Garner Jr., was selected as an inaugural CPLC BHP ASU Tomas Espinoza Scholar and enrolled in ASU's Ira A. Fulton School of Engineering.

“I am honored and grateful to have been selected as the first BHP scholar as part of the Chicano Por La Causa's scholarship program. As an incoming freshman to Arizona State University, this opportunity helps me to attain a college degree in mechanical engineering and pursue my career goals,” said Garner.

Scholarship and grant funding is limited. For more information on the CPLC BHP Scholarship, contact scholarships@cplc.org.
