"There are numerous countries in the world where the politicians have seized absolute power and muzzled the press. There is no country in the world where the press has seized absolute power and muzzled the politicians"

—David Brinkley

OBITUARY

Betty Ann Henry

Betty Ann Henry, 82, of Kearny AZ, beloved wife, mother and grandmother, passed away peacefully on July 20, 2023, surrounded by her husband and children. Betty, known affectionately as Betty Ann, was born in Pretty Prairie, KS, on Feb. 12, 1941, to Alvin and Olive Albright.

Betty Ann married the love of her life, Jerry Henry, June 1, 1963, in Clayton, NM. Their love story was filled with shared smiles, struggles,

laughter, and countless memories that will forever be cherished. As a devoted wife and mother, Betty Ann brought joy and comfort to their home.

Betty Ann lit up the world around her with love and joy. She had a knack for making others feel special and loved, a trait that was evident in her everyday interactions. She did not know a stranger – she talked to everyone and wanted everyone to feel loved and appreciated. Betty enjoyed the simple pleasures of life – she loved nature, she loved going on walks, she loved music, she loved to dance, she loved celebrations, and she loved spending time with her family. Betty had the gift of encouraging others and she often did so by making cards for them. Her life was a testament to her steadfast faith in God. She believed immensely in the power of prayer and she read

her Bible daily.

She is preceded in death by her parents Al and Olive Albright; brothers, Ken Albright and Al Albright; and sisters, Gwen Oline and Alvalene Bond. Betty loved her family more than anything. She is survived by her beloved husband, Jerry Henry; her son, James Henry; and daughter, Elizabeth Taylor; granddaughter, Audrey Good; and grandsons, Andrew Taylor and Austin Taylor; and eight great grandchildren, Jamason, Trenton, Clara, Lincoln, Addalyn, Paxton, Aidric and Jase.

Betty Ann will be deeply missed. Her love, her laughter, her beautiful spirit will live on in her family and in the countless lives she touched. She may no longer be physically present, but her influence will forever resonate in the hearts of those who knew her. She leaves behind a legacy of love, kindness, and resilience, a testament to her beautiful spirit.

Kearny Police Report

Meet Tyler Bingham, Kearny Town Manager

Tyler Bingham was recently hired as the Town Manager for the Town of Kearny. After a bit of a search for new manager and also having a significant series of town projects including the re-location of the Kearny Town Hall, the council found a candidate to help lead Kearny through these significant projects.

Tyler is a lifelong resident of the Kearny community. He graduated from Ray High School in 2008. Following high school he attended Arizona State University where he graduated with a degree in Environmental Sustainability and a minor in Urban Planning. He has always enjoyed the science behind planning and sustainable economic development.

His career has spanned process organization with Copper State Farms in Snowflake, Arizona, which was his last position prior to coming to returning to Kearny. Early in his post college degree he worked for Arizona Child Services where he gained a tremendous amount of experience managing difficult situations. He also worked at as a Gardening and Nutrition Educator with the University of Arizona Cooperative Extension in Pinetop, Arizona. During college he interned with the City of Tempe and the City of Flagstaff, as he we developing his roles with urban planning.

Bingham is excited to return to Kearny and work with the Mayor and Council on the Town's projects. He sees a great amount of potential for the Kearny Town Lake to be an important environmental preservation project while also providing

expanded recreation and a destination.

One of the challenges he anticipates is making sure everyone's voice is

heard and helping the community understand the many projects the Town will need to undertake. Currently the Town is

working on a significant improvement at the Kearny Lake, but are also faced with environmental remediations and potential

remodels of the Town Hall and Town Library.

He has many ideas on xeriscaping programs to help residents save money on water and preserve the water in Kearny. The Town will be working on writing grants to replace some of the funding that is

no longer available through the American Rescue Plan funding, which was made available as part of the post-covid recovery programing.

He is keenly focused on bringing solutions to Kearny and help to bring life back into Kearny.

Tyler Bingham is the new Kearny Town Manager.

Playing mud volleyball for the Hayden football team

Winkelman Flats got a lot muddy on Saturday when several teams turned out to play in the Hayden High School Coed Mud Volleyball Tournament fundraiser. Teams played in ankle-deep water and mud. And, though wet, a good time was had by all who played. The funds were donated to the Hayden High School football team.

If you are interested in receiving copies of your records, contact the District Special Education Office of Hayden-Winkelman School District at PO Box 409 Winkelman, AZ 85292 or call (520) 356-7876 Ext. 1300.

Pinal Airpark may soon have a control tower

Pinal Airpark may soon have a much-needed air traffic control tower thanks to a successful amendment added by U.S. Congressman Juan Ciscomani to the Federal Aviation Administration (FAA) reauthorization package which passed the House last week.

Currently, there is no tower at Pinal Airpark, which raises safety and operational challenges for the airpark and stifles economic growth. More than 100,000 commercial and military flight operations are conducted at the airpark each year.

"I am thrilled to see the Pinal Airpark prioritized in this year's bipartisan FAA reauthorization package," said Ciscomani. "This is a step in the right direction to encourage growth in the county and region, while making our skies safer."

Jeffrey McClure, who serves as the Vice Chairman for the Pinal County Board of Supervisors and is the representative to the board for part of the Copper Corridor, thanked the Congressman for these

efforts.

"Providing Pinal Airpark with an air traffic control tower not only improves safety in the area but will create jobs, spur economic development, and enhance critical military readiness and training," said McClure.

Parrish Traweck, who manages both the Pinal Airpark and the San Manuel Ray Blair Airport, agreed with McClure.

"We need that tower," Traweck said, "but it won't affect (the San Manuel) airport. They have been working on Control Towers for both Pinal Airpark and Marana airport for many years. Local pilots will need to be proficient in flying into and around controlled airspace, which extends several miles around the control towered airport once the tower is online."

He explained that the small airports in the county do not have controlled airspace, but sometimes there are temporary flight restrictions around local airports that pilots must obey – usually during a wildfire when fire crews are staging at local airports.

Pinal Airpark, he said, is a 25-minute flight from San Manuel's airport, so pilots flying into Pinal Airpark will need to remember how to get in and out of the controlled airspace.

Except for San Manuel Airport and Pinal Airpark (which are owned by the county), the other airports in the county are municipally owned: Kearny, Coolidge, Eloy, Casa Grande and Superior. Superior's airport is the only one with an unpaved runway and is the only one that does not have hangars.

Superior Mayor Mila Besich said that paving the runway at the airport is a complicated issue, but one they are currently working on.

"We have a study on paving it but finding the grant funding can't happen till we have so many tail numbers. We also need to get out fire hydrants in first so we can build hangars," Besich said. "The glider company is our first business venture and we are on the list to receive a federal earmark for the hydrants and the water infrastructure to the BTA (Boyce Thompson Arboretum)."
