## LETTER TO THE EDITOR

### Cavanaugh Offers Explanation for Vote

**O**n Wednesday, the Pinal County Board of Supervisors rejected over \$3.3 million dollars from the federal government. The \$3.3 million dollars would have required Pinal County to create a Vaccine Equity Coordinator who would be in charge of federal communications regarding public health.

After reading the fine print, I decided that it was best to reject the federal dollars for a number of reasons, most importantly being that the federal dollars specifically forbid ANY money from being spent on actual vaccines!

OT21-2103 funds cannot be used for purchasing or providing vaccines. Recipients are advised to use other existing funding sources intended for those purposes. (<https://www.cdc.gov/publichealthgateway/docs/partnerships/OT21-2103-Recipient-Orientation-Qanda.pdf>)

So, if the funding cannot be used for actual vaccines, then what is the money for? According to the CDC, "Increase/improve data collection and reporting for populations experiencing a disproportionate burden of COVID-19 infection, severe illness, and death to guide the response to the COVID-19 pandemic."

In other words, the CDC is using your money to hire data collectors and analysis to track you and report your health information to Washington. Interestingly enough, Pinal County already has these capabilities and our Public Health Office has a website that is updated every other day with the latest COVID-19 statistics. <https://www.pinalcountyaz.gov/publichealth/CoronaVirus/Pages/Home.aspx>.

The citizens of Pinal County should have the choice about providing their data to the federal government. **A DECISION BETWEEN YOU AND YOUR DOCTOR**

Medical care is personal, and ALL medical decisions should be made between you and your doctor. You are a person, not a policy. Too often lawmakers in Washington

think of Americans as tools to be manipulated for policy ends. Instead of creating more freedom for Americans, politicians, limit freedom through one-size-fits-all policy.

The federal dollars would not have improved medical care, the dollars were essentially directed at creating a Vaccine Czar in Pinal County.

Item 5. Requirements.

The Intergovernmental Agreement requires, "The activities in this Contract shall be performed...for the purpose of increasing immunization coverage levels of children...and adults...in both public and private sectors of health care." The way the grant attempts to increase immunization levels is through a marketing plan, with cash giveaways and other incentives.

Missing from all of this is a medical doctor's opinion that the vaccine is necessary for you. Immunizations may be good for most but not for all. What if a person has cancer or other ailment which prevents them from receiving the vaccine? According to the NIH:

Patients with blood-related cancers often have dysfunctional immune systems, and as a result they're just not able to respond as well to the COVID-19 vaccine as other people," said Elad Sharon, M.D., M.P.H., a senior investigator at NCI, who was not involved in the new studies but is leading a clinical trial testing COVID-19 vaccines in people being treated for cancer.

Now the federal government is creating vaccine mandates for all. Federal employees will take the place of your doctor and tell you what medicine to receive or not receive. Of course, these decisions won't be based upon your individual medical needs but the needs of equity and one-size-fits-all policy. Like most of these rules, they will apply to you and your family, not to elite politicians, or apparently to Federal Postal Workers.

From the time the vaccines were made available, I

## LETTER TO THE EDITOR

# Chairman Offers Apology for Vote

On Sept. 1, 2021, the Pinal County Board of Supervisors acting as the board of directors for the Public Health District meeting turned down 3.2 million dollars of federal grant money to help the county with the COVID-19 pandemic. In my opinion, this decision was shocking and disappointing. I'm sorry.

The purpose of the grant was to ensure greater accessibility of COVID-19 vaccines throughout the public health district, now and in the future. Why my colleagues could not see the benefits to our constituents would need to be asked of them. I believe the decision to turn down the agenda item for the grant revolved around two things, misleading information from a fellow supervisor, and the term "equity".

To begin, during the Sept. 1 Board of Supervisors meeting, it was mentioned that 320,800 of our constituents have been vaccinated. This misleading information was presented in the public meeting and also placed on a public blog by Pinal County Supervisor Kevin Cavanaugh, District 1. This deceptive statement was intentional to create a false perception to show that majority of Pinal County residents have been fully vaccinated; however, that is the furthest from the truth.

The 320,800 number presented by Supervisor Cavanaugh was reflective of the amount of vaccines administered, not the total of people fully vaccinated. According to the Arizona Department of Health and Human Services, only 165,160 citizens in Pinal County are fully vaccinated. I am not sure why a Supervisor's office with a staff of five does not understand the concept that the major vaccines Pinal County distributed requires two doses to be considered fully vaccinated.

The second issue that appeared in the discussion was the word "equity". This word has created strife in this country and in everyday dialogue. Equity is a word I do not fully understand as it is commonly viewed with multiple interpretations.

I was taught the meaning of equity as a term of "net worth" described in economics and accounting as, assets, minus liabilities, equals equity. I also view equity as the measure of value in relationships built. After my research, equity in my perspective as it relates to this issue is fairness, which I would define as "equality".

The word "equity" has become a divisive word that has inflicted animosity among our country and county. Ultimately, I believe it was the driving force as to why the grant was

denied. Had a different word been used to identify the role, I firmly believe the agenda item would have passed.

As an elected official, I am given the charge to represent my constituents, not to impose my personal beliefs or philosophy that would impede on a worthy opportunity for the people I represent. I will make it a priority to secure the finances needed to ensure our residents get the vaccine, no matter their location or socio-economic status. Opportunity is the one thing that our country will grant you, and I will fight to ensure each citizen in our county has the opportunity to get vaccinated.

In the future, let's hope my colleagues understand our mission and job as county supervisors, which is to create and facilitate policy that is conducive to our constituent needs. We must do our best to represent the people who elected us. Collectively, we need to put aside our personal beliefs to overlook the divisive verbiage and focus on the foundation of this grant, and that is to provide critical resources to meet the needs of public health, now and in the future. Moving forward, I will explore our options as a county to implement a similar program that will afford the opportunity to anyone who wants to get a vaccine, and to get one in the comfort of their own community.

I am optimistic that we will all come to an understanding and prioritize public health. There should be no room for personal agendas when dealing with the health and wellness of all the great citizens of Pinal County. If you are interested in further discussing my stance on the issue, please feel free to contact my office at (520) 866-7401. Thank you and God Bless.

Recently, State and National media have reported an increase in positive COVID-19 Cases. The communities of the Copper Corridor have also started to see an increase in positive cases. The new Delta variant of COVID-19 has been reported as highly transmissible. The CDC and other health officials warn that those who are not vaccinated should continue to practice physical distancing, wear masks in public and avoid crowded places and is also strongly recommending everyone wear a mask indoors and in group settings.

Governor Doug Ducey has signed executive orders that prohibit Cities and Towns from mandating mask wearing, limiting restaurant capacity or other enacting other physical distancing requirements. At this time there is no indication that there will be any restrictions put into place. Local schools are also prohibited from requiring masks be worn on campus.

COVID Vaccines are readily available at local clinics in the region including Cobre Valley Clinics in Superior and Kearny, Pinal County Public Health and Sun Life Clinics. Other chain pharmacies such as Walgreens, grocery store pharmacies and CVS also have vaccines available.

We last reported daily COVID-19 case increased on Sept. 6, 2021. Above is a chart showing our last reported number and the current number of total cases for each of the Copper Corridor communities through Sept. 13, 2021. Keep in mind that zip code data also includes unincorporated areas around a community. For instance, Riverside/Kelvin area is included in the Kearny zip code. Aravaipa and Dudleyville are included in the Winkelman zip codes, etc.

Those experiencing COVID-19 symptoms should seek testing and quarantine until they can confirm a negative test.

**Working together, we can slow the spread of the virus across the Copper Corridor. Wear a mask in public, remain physically distant (6ft apart or more), practice good hygiene (wash your hands frequently, sanitize high touch areas) and stay home if you are not feeling well.**

# Resolution Copper offsets its operations with renewable energy certificates

The Resolution Copper project purchased enough renewable energy certificates (RECs) to offset 100% of its electrical usage in 2020.

Through an agreement between Rio Tinto Kennecott and Rocky Mountain Power (RMP), Resolution Copper acquired 55,000 megawatt-hours of renewable energy certificates (RECs) from two wind generation plants. The transaction received formal recognition in a final Green-e verification audit report approved by the Center for Resource Solutions (CRS). Resolution Copper has also initiated discussions to

purchase additional RECs to cover all its electrical requirements for 2021.

As the project progresses and energy demand increases, Resolution Copper will explore the opportunity to expand such arrangements, including with the Salt River Project (SRP) and its solar plants in Arizona. In 2022, Resolution Copper will complement its RECs by deriving a quarter of its current power requirements directly from SRP's new 100-megawatt solar plant currently being built in Eloy, AZ.

"We're proud to partner with forward-looking companies like Resolution Copper who are dedicated to reducing

carbon emissions on a grand scale," said Jonah Roehl, Senior Manager of Key Accounts at SRP. "Our joint sustainability commitments help create a path for a clean energy future in Arizona."

These arrangements and agreements draw Resolution Copper closer to abiding by its net-zero carbon footprint commitment prior to the beginning of the mine's operations. "By supporting clean energy, we will significantly reduce emissions and produce copper while lowering our carbon footprint. It's just one of the many ways we're working to reduce our overall impact

on the environment," said Resolution Copper Project Director Andrew Lye.

As a future copper producer, Resolution Copper recognizes its role in providing the building blocks for America's clean energy future. Copper itself is essential to build clean energy technology, including wind turbines, solar panels, transmission lines, energy storage systems and electric vehicles.

Until the mine reaches net-zero carbon emissions, Resolution Copper is committed to continue seeking carbon neutral pathways to offset its energy consumption.

Quarterback Nico Velasquez threw for 219 yards and three touchdowns.

Noah Huerta had 219 receiving yards with three touchdowns. Defensive back Ralphie Valencia had two interceptions.

San Manuel was able to head home victorious once more, with a final score

of 38-0. Now holding a 3-0 record, the Miners are scheduled to travel and face Valley Union on Friday, Sept. 17, with kickoff at 7 p.m.

“Our team did good, but we still have some work to do,” commented head coach Ernie Ivy. “We are going to work on our game plan for their O and D. It should be a good game.”

**Author’s note:** Due to an online statistics error, the information that was provided to the *Miner* for the San Manuel v. Duncan game article was incorrect. San Manuel still won, but the game did not go into overtime. San Manuel was up 24-8 at halftime, and by the end of the fourth quarter, the Miners won 38-8.

spent hours on the phone with the Public Health Director making sure that communities in District One had access to them and my staff in the Mammoth Office facilitated scheduling as people became increasingly

frustrated with busy signals and hours on hold with the "Central Appointment Desk." Vaccines should be made readily available to those who want them.  
**LOCAL DECISIONS, LOCAL CHOICE**

I believe that you have a Constitutionally recognized, God-given right to decide on your own medical care. These decisions MUST stay local. The other alternative is to have policy-makers in Washington decide what is best for you and your family. In order to keep these decisions local, I need your continued support to fight against Washington. I need you to write to the two Supervisors who want Washington to decide what medical care you should receive. Washington politics and federal policy can be a distraction to many people. They are distracting us from participating locally where our freedoms are being taken, one bad policy at a time. Bad Washington policies are being slipped into our housing policies, public health codes, and local ordinances. PLEASE

**DON'T BE DISTRACTED.** Think locally or else you will risk losing your freedoms.

I would also like to respond to Pete Rios' Letter to the Editor published on Sept. 8, 2021. As many of you know Pete was the Supervisor from District 1, who was never a qualified elector of District 1 in accordance with State Law. He claimed to live in Dudleyville by maintaining an empty residence when in fact he always lived in Apache Junction, which is District 2. His residence is in Apache Junction, he sent his children to school in Apache Junction, and received his mail there. Arizona Law requires that a Board of Supervisor, "shall be qualified electors of their supervisory district." A.R.S. § 11-211(A).

The purpose of this rule is so the people will elect someone from their own community, knows the local issues, and literally lives with their political decisions. For 12 years Pete mismanaged and underserved our communities, raised tax rates to the highest levels allowable by law, and developed a bad reputation among his constituents, which is no doubt why the voters rejected him. My office is actually managing issues and serving our communities, and in my first eight months have successfully reduced the property tax rate. I helped bring jobs to San Manuel, and continue to work toward bringing a grocery store to San Manuel.

This week we are announcing a fiber network of over 320 miles of high-capacity internet cable to schools and libraries and to homes throughout the Copper Corridor. This is

# Support Local: Family First Pregnancy Care Center and Family Diaper Bank

In April 2020, COVID-19 brought much of Arizona's economy to a screeching halt. All businesses not deemed "essential" were ordered closed by Arizona's governor Doug Ducey.

The lockdown continued for nearly two months. When Gov. Ducey finally gave the go ahead to reopen, businesses slowly began the road to recovery. Even those

listed as "essential" had a challenge with this economic recovery.

Many small businesses and non-profits in Arizona didn't survive the lockdown. The businesses that did survive are hanging on as best they can. *Copper Area News* wanted to give something back to the local business community as a thank you for supporting us through these troubled times.

Our newspapers (*Copper Basin News*, *Superior Sun* and *San Manuel Miner*) have been featuring local businesses and non-profits since the beginning of 2021, encouraging our readers to Shop at Home, stay local and support our local businesses. To date, *Copper Area News* has featured 107 businesses and groups in the Copper Corridor.

As the COVID-19 Pandemic took its toll, businesses, families and even local non-profits had to adjust their strategies to keep their missions moving forward while working through the pandemic. Meetings were moved to Zoom and fundraisers had to become creative as in-person events were not allowed.

Family First Pregnancy Care Center and Diaper Bank is a non-profit organization that supports pregnant woman, young families, and teens. They opened in 2007 and have been operation for 17 years. They provide services, programs, and classes for those in need of them.

"Family First is a faith-based organization to provide help, hope, and assistance to those who need it," said Center director Clare Grochocki.

The classes Family First provides include but are not limited to: parenting, life skills, prenatal, toddler, fatherhood, special needs and Bible foundation. Classes like parenting and prenatal are part of a program where

you earn credits to purchase items from their store. These items are donated and are gently used or brand new. Family First also has provides pregnancy tests, material assistance and a story time program for toddlers.

Family First is also a diaper bank. A diaper bank is a place where people can donate and request diapers for those who have poor bladder control such as babies and the disabled. At the diaper bank, you can leave donations of diapers and disposal underwear.

The center hosts a program called 'Ten for Teens'. 'Ten for Teens' is a support group for young teenagers to help prepare teens for the future by keeping them in school, providing a safe space to talk, and providing job training. Teens can volunteer to help give back to their community and be able to be accountable to each other.

The center is open Monday to Wednesday, from 9:30 a.m. to 4:30 p.m. The Oracle location is at 1575 West American Ave. You can contact them at (520) 896-9545. You can donate online at [www.familyfirstpcc.org](http://www.familyfirstpcc.org). Material donations are welcome at the building.

Starting Sept. 24 and going until Oct. 1, there will be a special online fundraiser at [www.32auctions.com](http://www.32auctions.com). Go online and check out the items offered in the silent auction. By doing so, you will be supporting a very worthy local organization.

an almost 9-million-dollar project which will supply high speed internet throughout Superior, Kearny, Dudleyville, Mammoth, San Manuel, and Oracle. This was a campaign promise that I delivered on in only eight months on the job because we made it a priority! Pete, on the other hand,

had no notable accomplishments aside from a high-speed chase from a Sheriff's Deputy.

My office has also demanded more accountability and policing throughout the Copper Corridor. At the Board of Supervisor's Meeting a little more than a

week ago, I not only asked that salaries of Sheriff's Deputies be raised more than requested by our Sheriff, but I also asked our county manager if this money could be tied to keeping more deputies in the Copper Corridor. I demand action and accountability from my office and all

county officers. Pete on the other hand accomplished little in twelve years, much less than I have accomplished in eight months.

The Court has set a Continued Initial hearing on the 26th day of October, 2021 at 1:30 p.m. and a Publication hearing on the 23rd day of November, 2021, at 1:30 p.m., at the Pinal County Superior Court, 971 North Jason Lopez Circle, Florence, Arizona 85132, before the Honorable Daniel A. You are advised that your failure to personally appear in court at the initial hearing, pretrial conference, status conference or dependency adjudication, without good cause shown, may result in a finding that you have waived your legal rights and have admitted the allegations in the Petition. In addition, if you fail to appear, without good cause, the hearing may go forward in your absence and may result in an adjudication of dependency, termination of your parental rights or the establishment of a permanent guardianship based upon the record and the evidence presented to the court, as well as an order of paternity, custody, or change of custody in a consolidated family law matter and an order for child support if paternity has been established. 5. Notice is given that DCS is proposing to substantiate any allegations of abuse and/or neglect contained in the dependency petition for placement in the DCS Central Registry. The DCS Central Registry is a confidential list of DCS findings that tracks abuse and neglect. If the court finds your children dependent based upon allegations of abuse and/or neglect contained in the dependency petition, you will be placed in the DCS Central Registry. See A.R.S. § 8-804. 6.
