OBITUARIES

Michael A. Martinez

Michael A. Martinez, or "Mike," suddenly ascended into heaven on Saturday, Sept. 11, 2021. The oldest of 3 siblings, he was born in Oakland, California on Oct. 3, 1939 to Manuela and Mike Martinez. He is survived by his wife, Manuela "Nellie" Martinez; children, Monica (Owensby) Martinez, Steven (Renee) Martinez and Leticia Martinez; many grandchildren, Chelsea, Sophia, Gabriel, Amelia, Danny, Paul, Michelle, Katrina, and Rich; and great-grandchildren. He is preceded in death by his mother Manuela, his brothers Richard and Ralph, his daughter Angie, and son Mike Jr, and grandchildren Anthony and Mikey.

As a young boy he was always curious about instruments, so much so he took clarinet lessons to broaden his horizons, even winning a few competitions along the way. To help pay for the lessons, Mike became a paper boy and had a dedicated route he would take to deliver the Oakland Tribune. Those days of paper routes led him on many adventures, including going to Oakland A's baseball games by winning tickets through work raffles. Always curious to learn more about the world, he often spoke of his favorite place to sit and read books, which would be on the bay's end, "watching the tide roll away" reading about everything from literature to engineering, no subject was off limits.

When he moved to Winkelman, Arizona with his mother and brothers, he then became a mighty Lobo and was a bat boy for the baseball teams through high school. He would often be seen throughout town with his beloved brother Richard, spending many good days hanging out at the river playing music and fishing, which was one of his favorite hobbies. It was also during this time that Mike held a job as a bag boy at a local grocery store, and movie theater usher in Hayden's bustling town, eventually leading him to work as a janitor at Kennecott at the young age of 19. He was also a brown belt in Martial Arts and proudly displayed every certificate in his home — we think it was to send a message. He continued his education by taking night classes at Central Arizona College, and at the age of 54 he proudly graduated with his Associate of Arts degree. During his 50+ year tenure at Asarco, he went on to advance and become the Metallurgical Technician of the plant, a position that required great intelligence and foresight. So

when he retired, it was well deserved.

Meeting Manuela, or "Nellie" as most know her, at a dance was by chance, and he would often say it was the best chance he ever took. After a few years of courtship and engagement, Mike and Nellie married in a small wedding in Tucson, Arizona. Spending 47 loving years together, it was rare to see one without the other laughing or just talking about the day ahead. In this marriage came 3 children, Monica, Steven, and Leticia. Spending time with them was one of his favorite parts of life. Whether it was overhauling the engine on his Jeep truck, fishing in the local rivers or Roosevelt Lake, or hunting all over the mountains near and far, he had one of his kids beside him learning how to do these things with him. The greatest and most endearing accomplishment in his life was being a family man who showed consistent love and support for his loved ones, and continuous gentle love for his sweetheart Nellie.

He loved going to the movies, or watching one at home, playing his guitar daily while learning new songs, tinkering around outside on his prized Willy's Jeep and taking visitors of the family on adventures into the canyon. It was almost as if those first experiences for everyone else was the first time he was seeing new things as well; he was always so excited to experience new things. He was also a dedicated member of the church choir, and playing in the band was a highlight of his life, because he felt he was performing with his community, for his community, with God as an audience.

What we will miss most about his existence is not able to be summarized in a passage. For the rest of our lives, we will remember his endearing smile and glimmering eyes, sense of humor, warm hugs and forehead kisses in moments we need that comfort. We were lucky to know and love Mike, Dad, Tio Mike, Tata Mike, who walked the earth for 81 years with intention to make those around him better every day. That in itself is a blessing that could only come from God, and one we will forever be thankful for.

Peter R. Santa Maria

Peter R. Santa Maria passed away Sept. 13, 2021 on his transplanted kidney's one year anniversary. Peter was born Nov. 17, 1949 in Ray-Sonora, Arizona to parents Pedro and Dolores Santa Maria.

He was preceded in death by his parents, his younger sister Carmen, and his grandson Ryan Estrada.

He is survived by his loving wife of 39 years, Phyllis; his children, Stephanie, Racquel, and Matthew; his grandchildren and great-grandchildren; brother, Robert; and grand-kitties. He was a proud uncle and a friend to many.

Peenee was an accomplished guitar player. He loved to play and sing for people. In high school he played with the Unknown 5 and Me and the Other Half. Later he played with La Gente, La Gente Nueva, and Amistad. He was a lifelong Lobo and enjoyed watching football games.

Being a third generation miner, he worked for ASARCO for 46 years, first as a laborer, then carpenter, and finally retired as the plant blacksmith. He was very proud to be part of USW 886.

He loved going to movies and sporting events with his family.

A funeral service will be held at St Joseph's Catholic Church on Sept. 25, 2021 (9-9:30 a.m. visitation, 9:30-10 a.m. Rosary, 10 a.m. Mass). The family would like to honor Peter's wishes and belief in the CDC guidelines to practice social distancing, mask wearing, and participation in the vaccine. Please do not attend the services if you are feeling ill. For your safety, and the safety of the family, masks will be mandatory. We kindly request that you refrain from any physical condolences at the service. Please note that a maximum capacity is set at 80 people and a celebration of life and internment will be announced at a later date.

In lieu of flowers, the family requests that gifts be made in honor of Peter to the Kidney Transplant Fund at Banner University Medical Center-Tucson. Donations may be mailed to Banner Health Foundation, 2901 N. Central Avenue, Suite 160, Phoenix, AZ 85012. https://www.bannerhealthfoundation.org/ (602.747.GIVE (4483).

LETTER TO THE EDITOR

Cavanaugh Responds to Supervisor Miller

Before I begin my response to Supervisor Stephen Miller taking a knee in support of the CDC's bad policy, I would like to address him attacking my staff. I hired four of the hardest working people in Pinal County. Each week they read over one-thousand pages of law, regulations, opinions, and research just to get me prepared for a single Meeting with the Board of Supervisors; notwithstanding the numerous phone calls and constituent comments and issues handled through my office. We work closely together, and I see them as family. For an elected official, especially the Chairman of the Pinal County Board of Supervisors, to attack and disparage my staff is unprofessional and certainly not in accordance with the stated values of Pinal County. In a preparation brief, a staff member quoted a statistic directly from the Pinal Health Department website page that failed to clearly distinguish a count of vaccinated persons versus vaccines delivered, and I referenced that statistic in a meeting. You had the opportunity to address your understanding of the statistic in the Board meeting, but you were unprepared Mr. Miller. You could have walked across the hall to my office after the meeting, emailed me, or called me to discuss the perceived error, but you chose to write an editorial instead and sew the same type of discord you practiced with other Supervisors during the past eight years. My staff deserves an apology, Mr. Miller, and I hope you have the integrity to deliver one.

Beware of false knowledge; it is more dangerous than ignorance. - George Bernard Shaw.

The Pinal County Board Rightly Rejected Federal Government Policy

The people of Pinal County elected a Board of Supervisors to represent local interests not the interests of Washington, D.C. Chairman Miller's apology posted on September 17, 2021, is a continuation of take-a-knee politics. Why do I say this? The 'Equity' grant that the Pinal County Board of Supervisors rejected, is a continuation of a political movement that came to national prominence in 2016 when a professional football player began kneeling to protest alleged police brutality. That movement spurned the "Defund the Police Movement" which led to mass riots, burned out buildings, and the take-over of a city block in Seattle.

Whether purposefully or ignorantly,

Supervisor Miller has embraced the assumptions of this flawed political ideology. As evidence of this, Supervisor Miller, in his Justin Trudeau-esq' apology letter states: "Equity is a word I do not fully understand as it is commonly viewed with multiple interpretations."² It is through this type of ignorance that the federal government takes control of local governments, police departments, school boards, and now public health departments. Research would have shown the Chairman that President Biden defined how "equity" shall be interpreted throughout his administration in an Executive Order signed on the day of his inauguration, Jan. 20, 2021.³ The relevant text of the Executive Order states:

Sec. 2. Definitions. For purposes of this order: (a) The term "equity" means the consistent and systematic fair, just, and impartial treatment of all individuals, including individuals who belong to underserved communities that have been denied such treatment, such as Black, Latino, and Indigenous and Native American persons, Asian Americans and Pacific Islanders and other persons of color; members of religious minorities; lesbian, gay, bisexual, transgender, and queer (LGBTQ+) persons; persons with disabilities; persons who live in rural areas; and persons otherwise adversely affected by persistent poverty or inequality.

The Purpose of the Grant Was to Turn Pinal Citizens into a Political Product

The purpose of the grant rejected by the Pinal County Board of Supervisors had nothing to do with unequal access to vaccines in Pinal County; in fact, there is no evidence that vaccines are inequitably distributed in Pinal County. The real purpose of the grant was to create a Vaccine Equity Coordinator position in Pinal County in exchange for a small portion of the funds, and to transfer the remaining millions to some unknown private contractor. The federal government cares little how the money is spent, as long as the Equity Position was established. Why? Section 9 of the Executive Order tells us:

Sec. 9. Establishing an Equitable Data Working Group. Many Federal datasets are not disaggregated by race, ethnicity, gender, disability, income, veteran status, or other key demographic variables. This lack of data has cascading effects and impedes efforts to measure and advance

equity. A first step to promoting equity in Government action is to gather the data necessary to inform that effort (emphasis added).

The real reason is to gather citizen data to establish, not discover, inequity. The grant would also have allowed fund recipients to begin to identify individuals who choose to remain un-vaccinated pursuant to their private health decisions in likely preparation for a future vaccine mandate. Other grant-supporting documents state that COVID-19 risk factors are present because of racism and systemic discrimination. In other words, the Vaccine Equity Coordinator is required, because of alleged inequity despite the federal government's admitted lack of data, to support this claim in Pinal County. To further President Biden's political objectives, he needs to divide Americans one against another under the guise of 'equity.' Notably, the rejected grant forbids the use of funds for actual vaccinations. Why did Supervisor Miller leave this out of his apology letter? The grant language includes attractive phrases like "greater accessibility", but the rest of the document can be easily interpreted as 'less privacy, less choice, less freedom, and divisive politics.'

Thomas Jefferson once said, "To compel a man to furnish funds for the propagation of ideas he disbelieves and abhors is sinful and tyrannical." As long as I am a Supervisor, I will fight for the best interests of you, the residents of Pinal County, not the Biden administration, or anyone else who seeks to divide our communities on the basis of race, sexual orientation, or socioeconomic status. The people of my District are my friends,

my neighbors, for whom I am honored to serve with no matter their station in life, political party, sexual orientation, color, or other federal data sub-set. The COVID virus is blind to data subsets.

Pinal County Needs Leadership

Pinal County needs local leadership not acquiescence to federal mandates. As Peter Drucker once said, "Management is doing things right; leadership is doing the right things." The right thing for Pinal County is to solve local problems with local solutions. Leadership is not the blind acceptance of money; real leadership creates solutions.

The Pinal County Public Health Department has done a fantastic job, under the circumstances, of providing access to vaccines within the County having facilitated more than 50 places for vaccine access.

As a Supervisor, I personally wanted to ensure that there were no people who wanted the COVID-19 vaccine but could not get one, so I sent my staff to canvass the district and conduct an anonymous study. After speaking with hundreds of citizens we have found zero residents so far who wanted the vaccine but could not get it. This is real evidence that the Health Department is distributing vaccines in an equitable manner. For Supervisor Miller to suggest that our Public Health Department is violating the law, or distributing vaccines in a way to disadvantage people of color, LGBTQ+ community, or the economically disadvantaged, is divisive to all who believe his thoughtless and politically panicked rhetoric.

The residents of Pinal County demand real

Hayden shuts out Cicero Prep; up next is Homecoming

By Nathaniel A. Lopez
Copper Basin News

The Hayden football team faced off against Cicero Prep on Friday, Sept. 17, and did the Lobos ever put up a show for their hometown audience, shutting them out 44-0.

Jando Lorona started the game returning the opening kick for a 78-yard touchdown. Mory Cruz started at Quarterback, giving the Lobos 100 yards of rushing, 105 yards of passing, and totaling 4 touchdowns. Brandon Garner Jr. did work on both sides during the game: 3 catches for 100 yards and 3 touchdowns. On defense Garner had 8 tackles, 1 assist, and 3 interceptions.

“Our team did great despite the circumstances they faced, I am proud of all of them,” commented coach Armand Cruz. “We are expecting a tough game from Tempe Prep, they are a passing team, and we will need to be ready.”

The Lobos will host the Tempe Prep Knights on Friday, Sept. 24, at the high-school football field, with a kick-off time set for 7 p.m. Expect another show, folks. This game is Hayden’s Homecoming and the team has something to prove (even if it’s just to COVID-19 for cancelling last year’s Homecoming).

This year’s Homecoming Royalty will be crowned at halftime.

OPINION

Vaccinated Athletes Save Hayden High School Sport Season

As both a principal and superintendent, I received the call I feared the most this past Friday afternoon. Yes, Mr. Gregorich, one of your student athletes tested positive for COVID-19. At that time a lot of things are going through my head. What do we need to do next? How many students will I need to quarantine? Do we need to cancel the games?

I know how much my students are looking forward to playing and canceling a game can risk making it to the post season. It would be devastating to our athletes that have waited so long to play. I know how important sports are to our students and parents in rural Arizona.

With that said, I want to give special thanks to our Hayden High School student athletes and parents who were vaccinated, which allowed this past Friday night games to be played and may have saved our post season dreams. The good news is that our students that are vaccinated can continue athletics without being quarantined. It sure made a difference this weekend and will allow us to continue our fall sport season.

So far this year, Hayden High School had been spared from COVID-19. I can’t say that anymore. I knew it was a matter of time with the COVID-19 positivity rate in our county and community. Friday afternoon I received the call that set-in motion lots of phone calls to some very disappointed players and parents.

The district school medical assistant, Marisa Gallego’s work begins when a positive case was reported to the school and the wheels are set in motion. She contacts the county COVID-19 contract tracing team to determine which students must be quarantined and how long they will need to isolate. The team reviews classroom seating charts to determine who is in close contact with the student that tested positive and who will need to be quarantined. The district mitigation plan follows the Gila County Health Services, CDC, and AIA COVID-19 guidance.

The district is a certified COVID-19 rapid testing site

which is an effective tool to fight COVID-19. We have tested many students, staff, and community members over the past six months, which has saved time and prevented further COVID-19 exposure.

I know there is fear about the vaccination because of misled politicians and misinformation campaigns. Please, listen to the medical experts that say without a doubt, that the COVID-19 vaccine can prevent infection, reduce the risk of severe illness and death. As a school leader, I highly recommend and encourage all students, staff, parents, and community members to be vaccinated as soon as possible to keep our students in school and our athletes on the field.

We are hosting our seventh onsite COVID-19 clinic on Wednesday, Sept. 29, between 10 a.m. and 1 p.m. The vaccination is available FREE to all school age children 12 and older. Parents must be present with children under 18 years of age. For a reservation, please contact Gila County Health Services at 928-910-4009.

Recently, State and National media have reported an increase in positive COVID-19 Cases. The communities of the Copper Corridor have also started to see an increase in positive cases. The new Delta variant of COVID-19 has been reported as highly transmissible. The CDC and other health officials warn that those who are not vaccinated should continue to practice physical distancing, wear masks in public and avoid crowded places and is also strongly recommending everyone wear a mask indoors and in group settings.

Governor Doug Ducey has signed executive orders that prohibit Cities and Towns from mandating mask wearing, limiting restaurant capacity or other enacting other physical distancing requirements. At this time there is no indication that there will be any restrictions put into place. Local schools are also prohibited from requiring masks be worn on campus.

COVID Vaccines are readily available at local clinics in the region including Cobre Valley Clinics in Superior and Kearny, Pinal County Public Health and Sun Life Clinics. Other chain pharmacies such as Walgreens, grocery store pharmacies and CVS also have vaccines available.

We last reported daily COVID-19 case increased on Sept. 13, 2021. Above is a chart showing our last reported number and the current number of total cases for each of the Copper Corridor communities through Sept. 20, 2021. Keep in mind that zip code data also includes unincorporated areas around a community. For instance, Riverside/Kelvin area is included in the Kearny zip code. Aravaipa and Dudleyville are included in the Winkelman zip codes, etc.

Those experiencing COVID-19 symptoms should seek testing and quarantine until they can confirm a negative test.

Working together, we can slow the spread of the virus across the Copper Corridor. Wear a mask in public, remain physically distant (6ft apart or more), practice good hygiene (wash your hands frequently, sanitize high touch areas) and stay home if you are not feeling well.

solutions, which is why I presented a flexible and scalable plan to our Public Health Department to handle current and future outbreaks or pandemics to facilitate actual delivery of vaccines, educational materials, and mobile medical services in the County - potentially using a portion of the 90 million-dollars in COVID funding already allocated, or other funds, but without the embedded political ideology and waste. The mobile vaccine contractors we have used so far have charged up to \$20,000 per day, and on at least one occasion and reportedly didn't vaccinate a single person – a waste of citizen's money by any measure.

SHANNON MULLINEAUX, Respondent. AMENDED PETITION TO TERMINATE PARENTAL RIGHTS OF PETITIONER Civil No. 144100312 Honorable Angela Fomesbeck Commissioner Christina Wilson COMES NOW, SHANNON MULLINEAUX ("Respondent") by and through counsel, Christopher M. Guymon of THE CONFLICT RESOLUTION CENTER, and complains and alleges of FRANK ALBERT CONTRERAS ("Petitioner") as follows: JURISDICTION AND VENUE 1. Residency: The Petitioner and the minor children herein are actual bona fide resident(s) of Cache County, State of Utah, and have been for more than six months immediately prior to the filing of this Petition. 2. Jurisdiction: This Court has continued subject matter jurisdiction over this matter pursuant to UTAH CODE ANN. §§ 78A-5-102 and 78B-13-101 et seq 3. Venue: Venue is appropriate in this Court pursuant to UTAH CODE ANN. § 78B-3-307, as Utah is the "home state" in which the minor children have lived with Respondent for six (6) consecutive months. GENERAL BACKGROUND 4. The parties were never married one to another but have two (2) minor children together as issue of the relationship, namely: D. C. born September 25, 2009, and M. C., born July 29, 2010. 5. Pursuant to UTAH CODE ANN. § 78A-6-505(1)(a), the Petitioner, the biological Mother, resides at 148 South 300 East, Logan, Utah 84321, and has for at least 30 days prior to the filing of this action. 6. Pursuant to UTAH CODE ANN. § 78A-6-505(1)(b), the minor children's full names are: Dominic Contreras, born 9/25/2009 and Mitchell Contreras, born 7/29/2010. 7. Pursuant to UTAH CODE ANN. § 78A-6-505(1)(c), the minor children are the sons of the Petitioner. 8. Pursuant to UTAH CODE ANN. § 78A-6-505(1)(d), the Respondent Father's full name is Frank Albert Contreras, born October 1984, and Petitioner is unaware of Respondent's current address. However, per the attached True People Search, it is possible that Respondent lives in Arizona. 9. Pursuant to UTAH CODE ANN. § 78A-6-505(1)(f), the Petitioner asserts that the Respondent has abandoned the minor children pursuant to UTAH CODE ANN. § 78A-6-507(1), which states in whole or in part, "Subject to the provisions and requirements of Section 78A-6-503, and if the Court finds strictly necessary, the Court may terminate all parental rights, from the child's point of view, is strictly necessary, the court may terminate all parental rights with respect to the parent if the court finds any one of the following: (a) that the parent has abandoned the child; (b) that the parent has neglected or abused the child; (c) that the parent is unfit or incompetent;..." 10. Respondent has also failed to pay any support towards the care of the minor child, pursuant to UTAH CODE ANN. § 78A-6-507(1)(f)(i) which states in whole or in part, "Subject the protections and requirements of Section 78A-6-503, and if the Court finds strictly necessary, the Court may terminate all parental rights with respect to a parent if the Court finds any one of the following, (f) (i), to support or communicate with the child." 11. It is clear that the Respondent has abandoned his children and it is in the best interest of the minor children to terminate any parental relationship between the minor children and the Respondent. EVIDENCE OF GROUNDS 12. Pursuant to UTAH CODE ANN. § 78A-6-508(1)(b), it states in whole or in part, "In determining whether a parent or parents have abandoned a child, it is prima facie evidence of abandonment that the parent or parents: have failed to communicate with the child by mail, telephone, or otherwise for six months." 13. In this case the Respondent has been absent for most of the minor children's lives and has made no attempt to communicate or locate the minor children for well over six (6) months and Petitioner has no personal knowledge of Respondent's whereabouts, however based upon a TruePeople Search it is possible that Respondent lives in Arizona. 14. Respondent has not contributed to the care of the minor children financially or in any other fashion for the last few years. Which is further evidence of abandonment WHEREFORE, Petitioner prays for judgment upon Respondent as follows: 1. For an Order of Termination of Respondent's Parental Rights to become final upon signing and entry by the Court; 2. For relief granted in accordance with this Amended Petition; and 3. For such other and further relief this Court deems just and equitable. DATED NOVEMBER 30, 2020. /s/ Christopher M. Guymon Christopher M. Guymon Esq. LETTER TO THE EDITOR

Rios Responds to Cavanaugh, Miller Letters

This is in response to Mr. Cavanaugh's letter of Sept. 15, 2021.

The supervisor attempts to partially explain his negative vote on \$3.4 million for COVID-19 vaccines. He states that the grant would "forbid ANY money from being spent on actual vaccines!" Well, yes! One should NOT spend any grant money on vaccines that are provided FREE to the recipients and County!

In a letter to the editor on the same date by Pinal County Chairman Steve Miller, the chairman outlines Mr. Cavanaugh's conniving attempts to mislead the board and the public... "his deceptive statement was intentional... the furthest from the truth."

As to Mr. Cavanaugh's statements and attempts to rewrite Rios' history, I can only say, all this as a matter of public record. Cavanaugh is entitled to his own opinion, but is NOT entitled to his own trumped-up set of facts.

The Rios residency issue has been around for over 30 years and was resolved favorably by the Superior Courts, the State Attorney's General Office and the county attorney's office. It's OK for people to own multiple properties/homes so long as the primary one is in the district that one represents.

As to me voting to raise property taxes, I voted overwhelmingly with the rest of the board to reduce them year after year. Again it's public record.

As to fiber optics and Wi-Fi, better paved roads, bridges, complimentary landfill vouchers, etc., all were

initiated under the Rios administration.

As to the reference to a high-speed chase from a sheriff's deputy, it only happened in the short circuited synopsis of Mr. Cavanaugh's brain. Lack of medication?

It's quite clear in Pinal County Chairman Steve Miller's letter that Cavanaugh is a problem.

I do thank Republican

Chairman Steve Miller for seeking other funding sources to help ensure that the residents of Eastern Pinal County and the whole county are protected from the deadly COVID-19 virus, by making healthcare professionals and free vaccines available.

Pursuant to UTAH CODE ANN. § 78A-6-505(1)(d), the Respondent Father's full name is Frank Albert Contreras, born October 1959, and Petitioner is unaware of Respondent's current address. However, per the attached True People Search, it is possible that Respondent lives in Arizona. 9. Pursuant to UTAH CODE ANN. § 78A-6-505(1)(f), the Petitioner asserts that the Respondent has abandoned the minor children pursuant to UTAH CODE ANN. § 78A-6-507(1), which states in whole or in part, "Subject to the provisions and requirements of Section 78A-6-503, and if the Court finds strictly necessary, the Court may terminate all parental rights, from the child's point of view, is strictly necessary, the court may terminate all parental rights with respect to the parent if the court finds any one of the following: (a) that the parent has abandoned the child; (b) that the parent has neglected or abused the child; (c) that the parent is unfit or incompetent;..." 10. Respondent has also failed to pay any support towards the care of the minor child, pursuant to UTAH CODE ANN. § 78A-6-507(1)(f)(i) which states in whole or in part, "Subject to the protections and requirements of Section 78A-6-503, and if the Court finds strictly necessary, the Court may terminate all parental rights with respect to a parent if the Court finds any one of the following, (f)(i), 'to support or communicate with the child.'" 11. It is clear that the Respondent has abandoned his children and it is in the best interest of the minor children to terminate any parental relationship between the minor children and the Respondent. EVIDENCE OF GROUNDS 12. Pursuant to UTAH CODE ANN. § 78A-6-508(1)(b), it states in whole or in part, "In determining whether a parent or parents have abandoned a child, it is prima facie evidence of abandonment that the parent or parents: have failed to communicate with the child by mail, telephone, or otherwise for six months." 13. In this case the Respondent has been absent for most of the minor children's lives and has made no attempt to communicate or locate the minor children for well over six (6) months and Petitioner has no personal knowledge of Respondent's whereabouts, however based upon a TruePeople Search it is possible that Respondent lives in Arizona. 14. Respondent has not contributed to the care of the minor children financially or in any other fashion for the last few years. Which is further evidence of abandonment WHEREFORE, Petitioner prays for judgment upon Respondent as follows: 1. For an Order of Termination of Respondent's Parental Rights to become final upon signing and entry by the Court; 2. For relief granted in accordance with this Petition; and 3. For such other and further relief this Court deems just and equitable. DATED NOVEMBER 25, 2020. /s/ Christopher M. Guymon Christopher M. Guymon Esq. THE CONFLICT RESOLUTION CENTER Attorney for Respondent CERTIFICATE OF SERVICE On this Monday, November 25, 2020 the undersigned certifies that a true and correct copy of the foregoing AMENDED PETITION TO TERMINATE PARENTAL RIGHTS OF PETITIONER was sent to the following interested parties via the following methods: First Judicial Juvenile Court - GreenFiling electronic Filing System Frank Albert Contreras - Respondent - Personal Service 12432 W. September 19 Read-A-Thon

Sunday, Sept. 19, the Read-A-Thon fundraiser begins! We held it late last year because of COVID, but September is recognized as 'Literacy Month'. This fundraiser will go on for 2 weeks. Each Elementary student will get a reading log and sponsor log to raise money for their reading minutes. All monies will go towards future events/incentives for the students by the PTO.

September 25 Soccer Game

Saturday, Sept. 25, we will be hosting the concession stand at the MSM Community Schools soccer game during the day at the Ray HS football field. Our menu is TBD, but in the last few years we have made different burro options, along with snacks, plenty of drinks, and candies.

September 27 General PTO Meeting To Be Held

On Monday, Sept. 27, a General PTO Meeting will be held at 6:30 p.m. at the PTO room: Ray USD Campus Room #604. This meeting is open to the public. Please email raybearcatspto@gmail.com if you have any questions.

September 30 Hero of the Month & Bonfire

Thursday, Sept. 30, the PTO will recognize a 'Hero of the Month' (like student of the month). Every month, at the end we will give a prize and certificate for their hard work. Also on Sept 30, the Ray High School should be having the bonfire if the restrictions are lifted. The PTO will possibly be involved in that with some sort of activity/incentive.

October 14 School Board Meeting

We encourage participation at ALL school board meetings. It is important that, as a community, we know what is going on in our schools.
