LETTER TO THE EDITOR

Why Would Cavanaugh Vote to Reject Multi-Million Dollar COVID-19 Relief Funds?

On Wednesday, Aug. 29, 2021, the Pinal County Supervisor for the mountain area and District 1 voted with two other conservative members of the board to reject \$3.4 million (from the State of Arizona and federal government) that was to be used for COVID-19 relief and vaccinations.

Even though Mr. Kevin Cavanaugh has previously cast some other questionable votes for the Tri Community and the Copper Basin area, I have refrained from commenting.

But when it comes to a deadly disease like COVID-19 I have to speak up.

You may want to call Mr. Cavanaugh at the Mammoth office at 520-866-7830 and ask him to please reconsider his vote. Many rural constituents are depending on this funding. They don't want to suffer or die of COVID-19.

Support Local: Kearny Koyotes 4-H Club

In April 2020, COVID-19 brought much of Arizona's economy to a screeching halt. All businesses not deemed "essential" were ordered closed by Arizona's governor Doug Ducey.

The lockdown continued for nearly two months. When Gov. Ducey finally gave the go ahead to reopen, businesses slowly began the road to recovery. Even those listed as "essential" had a challenge with this economic recovery.

Many small businesses and non-profits in Arizona didn't survive the lockdown. The businesses that did survive are hanging on as best they can. *Copper Area News* wanted to give something back to the local

business community as a thank you for supporting us through these troubled times. Our newspapers (*Copper Basin News*, *Superior Sun and San Manuel Miner*) have been featuring local businesses and non-profits since the beginning of 2021, encouraging our readers to Shop at Home, stay local and support our local businesses. To date, *Copper Area News* has featured 104 businesses and groups in the Copper Corridor.

As the COVID-19 Pandemic took its toll, businesses, families and even local non-profits had to adjust their strategies to keep their missions moving forward while working through the pandemic. Meetings

were moved to Zoom and fundraisers had to become creative as in-person events were not allowed.

The 4-H Club serves many communities, rural and urban, throughout the United States of America. Yet, in each area, as in Pinal County, the 4-H Club is adapted to suit the needs of the local community.

Lobos hold their own against #2 Williams; Vikings post win over Hayden 44-58

By Nathaniel A. Lopez
Copper Basin News

Last Friday, the Hayden football team competed at home against the number two team in the state, Williams.

The first quarter started off with both teams loading the scoreboard with points. The Lobos were able to put up 14 points, but the Vikings nearly doubled that with 22 points. The rest of the game was a battle of catching up. During the second quarter, the Vikings began their point gap, ending it 16 points ahead of the Lobos. Hayden was able to shrink that gap during the third quarter, posting 18 points for that quarter, decreasing the score gap to a 6-point difference for the final quarter. The Lobos' defense struggled to hold down the Vikings' offense, allowing them to post 14 points in the final quarter. The Lobos' offense pushed through and put 6 points on the board for the last quarter, resulting in a close loss with a final score of 44-58.

"Much improved play from our team," commented head coach John Estrada. "It's been a rough week playing numbers one and two in the state. We're a little banged up, but I'm happy where we're at. Williams was big and tough, (and) I'm proud of the way the boys performed. Our real season starts on Friday. We just need to work hard and believe in what our coaching staff is teaching. Hard work will get us there!"

Hayden is scheduled to play away at Lincoln Prep. Kickoff is at 7 p.m.

Ray will also be playing away this week. They are set to play Cicero Prep with kickoff at 7 p.m. Ray is coming from a week off after Baboquivari cancelled its season, leaving Ray with a bye week.

KEARNY KOYOTES

encouraging members to take an interest in the betterment of their community.

Youths can participate in a wide range of projects, from cooking, citizenship, aerospace science, shooting sports, animal husbandry and more.

Kearny Koyotes 4-H Club is currently enrolling members. To join, the child must be at least 8 years of age and not over the age of 18 before Jan. 1, 2022. Substituting the ages to reflect the program, this same rule applies for the Clover Bud program for youths who are 5 through 7 years of age.

Arizona 4-H now enrolls youth and adults into any program through an online enrollment system called Zingbooks, found at 4h.zsuite.org. If you call Patti Bingham, your local 4-H Community Club leader, at 520-610-0205 she will help guide you through the system.

4-H Clubs, like many groups during this pandemic, have had to adapt to this ever changing world.

In May 2020, the University of Arizona Cooperative Extension released its 'Guide for 4-H Club and Project Meetings: COVID-19 Mitigation, which can be found online for those who wish to download it: tinyurl.com/3tydy4y6.

The guide begins by telling 4-H Volunteers "... you are responsible for the health and wellness of the members, parents, and other volunteers..." before going into a description of social distancing and mitigation effort "best practices" to follow.

Including a statement that "Postponing or not holding events is the best way to prevent contamination and transmission of this disease. However, as we establish the new normal and begin

in-person programming mitigation efforts are required to ensure the 4-H program does not contribute to spreading the disease."

Much information and suggestion follows on how to stay up to date on information from the CDC, keep club members far enough apart, and even how to make sure handouts and doorknobs are touched the least amount possible.

A statement on '4-h. org' says, in part, "We recognize it can be stressful for parents and families to find resources available to maintain a sense of normalcy and make sure kids don't get off track in their daily development.

And, while some schools are implementing a virtual learning plan, others don't have the resources to continue student lessons. 4-H is provided to providing free and low cost online and print educational resources to support 4-H'ers and families while schools and clubs remain closed."

4-H Club has a FOURWARD fund to help children who may have the talent and drive to succeed, but do not have (as yet) the opportunity to find out what they are capable of and blossom into who they can be.

With 4-H At Home, there are hands-on learning

Main Street, Ste. 220 Logan, UT 84321 (435) 248-2230 Office Chris@CRC-Law Attorney for Respondent IN THE FIRST JUDICIAL DISTRICT COURT IN AND FOR CACHE COUNTY, STATE OF UTAH 135 N. 100 W. LOGAN, UT 84321 FRANK ALBERT CONTRERAS, Petitioner, v. SHANNON MULLINEAUX, Respondent. PETITION TO TERMINATE PARENTAL RIGHTS OF PETITIONER Civil No. 144100312 Honorable Angela Fonesbeck Commissioner Christina Wilson COMES NOW, SHANNON MULLINEAUX ("Respondent") by and through counsel, Christopher M. Guymon of THE CONFLICT RESOLUTION CENTER, and complains and alleges of FRANK ALBERT CONTRERAS ("Petitioner") as follows: JURISDICTION AND VENUE 1. Residency: The Petitioner and the minor children herein are actual bona fide resident(s) of Cache County, State of Utah, and have been for more than six months immediately prior to the filing of this Petition. 2. Jurisdiction: This Court has continued subject matter jurisdiction over this matter pursuant to UTAH CODE ANN. §§ 78A-5-102 and 78B-13-101 et seq. 3. Venue: Venue is appropriate in this Court pursuant to UTAH CODE ANN. § 78B-3-307, as Utah is the "home state" in which the minor children have lived with Respondent for six (6) consecutive months. GENERAL BACKGROUND 4. The parties were never married one to another but have two (2) minor children together as issue of the relationship, namely: D.C. born September 25, 2009, and M.C., born July 29, 2010. 5. Pursuant to UTAH CODE ANN. § 78A-6-505(1)(a), the Petitioner, the biological Mother, resides at 148 South 300 East, Logan, Utah 84321, and has for at least 30 days prior to the filing of this action. 6. Pursuant to UTAH CODE ANN. § 78A-6-505(1)(b), the minor children's full names are: Dominic Contreras, born 9/25/2009, and Mitchell Contreras, born 7/29/2010. 7. Pursuant to UTAH CODE ANN. § 78A-6-505(1)(c), the minor children are the sons of the Petitioner. 8. Pursuant to UTAH CODE ANN. § 78A-6-505(1)(d), the Respondent Father's full name is Frank Albert Contreras, born October 1959, and Petitioner is unaware of Respondent's current address. However, per the attached True People Search, it is possible that Respondent lives in Arizona. 9. Pursuant to UTAH CODE ANN. § 78A-6-505(1)(f), the Petitioner asserts that the Respondent has abandoned the minor children pursuant to UTAH CODE ANN. § 78A-6-507(1), which states in whole or in part, "Subject to the provisions and requirements of Section 78A-6-503, and if the Court finds strictly necessary, the Court may terminate all parental rights, from the child's point of view, is strictly necessary, the court may terminate all parental rights with respect to the parent if the court finds any one of the following: (a) that the parent has abandoned the child; (b) that the parent has neglected or abused the child; (c) that the parent is unfit or incompetent..." 10. Respondent has also failed to pay any support towards the care of the minor child, pursuant to UTAH CODE ANN. § 78A-6-507(1)(f)(i) which states in whole or in part, "Subject to the protections and requirements of Section 78A-6-503, and if the Court finds strictly necessary, the Court may terminate all parental rights with respect to a parent if the Court finds any one of the following, (f)(i), to support or communicate with the child." 11. It is clear that the Respondent has abandoned his children and it is in the best interest of the minor children to terminate any parental relationship between the minor children and the Respondent. EVIDENCE OF GROUNDS 12. Pursuant to UTAH CODE ANN. § 78A-6-508(1)(b), it states in whole or in part, "In determining whether a parent or parents have abandoned a child, it is prima facie evidence of abandonment that the parent or parents: have failed to communicate with the child by mail, telephone, or otherwise for six months." 13. In this case the Respondent has been absent for most of the minor children's lives and has made no attempt to communicate or locate the minor children for well over six (6) months and Petitioner has no personal knowledge of Respondent's whereabouts, however based upon a TruePeople Search it is possible that Respondent lives in Arizona. 14. Respondent has not contributed to the care of the minor children financially or in any other fashion for the last few years. Which is further evidence of abandonment WHEREFORE, Petitioner prays for judgment upon Respondent as follows: 1. For an Order of Termination of Respondent's Parental Rights to become final upon signing and entry by the Court; 2. For relief granted in accordance with this Petition; and 3. For such other and further relief this Court deems just and equitable. DATED NOVEMBER 25, 2020. /s/ Christopher M. Guymon Christopher M. Guymon Esq.
