LETTER TO THE EDITOR

Why Would Cavanaugh Vote to Reject Multi-Million Dollar COVID-19 Relief Funds?

On Wednesday, Aug. 29, 2021, the Pinal County Supervisor for the mountain area and District 1 voted with two other conservative members of the board to reject \$3.4 million (from the State of Arizona and federal government) that was to be used for COVID-19 relief and vaccinations.

Even though Mr. Kevin Cavanaugh has previously cast some other questionable votes for the Tri Community and the Copper Basin area, I have refrained from commenting. But when it comes to a deadly disease like COVID-19 I have to speak up.

You may want to call Mr. Cavanaugh at the Mammoth office at 520-866-7830 and ask him to please reconsider his vote. Many rural constituents are depending on this

funding. They don't want to suffer or die of COVID-19.

Panthers go up against 'beast of a team'; fall hard to Mogollon 6-65

By Nathaniel A. Lopez
Superior Sun

Last Friday, the Superior football team traveled to play against the number one team in the state, the Mogollon Mustangs. Unfortunately, the Panthers weren't able to return home with the victory. The final scoreboard read 6-65.

"As a team, we are young and have a ton of work to do," Commented head coach Joshua Denhalter. "We are coaching character and chemistry, and excellence is

our goal. Mogollon gave an example to our boys of what that can look like. I am proud of our team competing, and when Mogollon's young guys came in, it was a good matchup."

The coach went on to praise some of his players for their performances on Friday. David Drennan was referred to as a "stud" who helps carry the offense, with Friday being no exception. David racked up yards, and even found himself in the end-zone. Nick Mendoza was called a leader for the offense and the defense. Offensive and defensive lineman, Eli Smith was a physical force to be reckoned

with.

"Mogollon is a beast of a team, that 100% would compete in 3A this year," said coach Denhalter. "Hats off to their staff, program, and community. Those kids are well coached, disciplined, and have put in the work on the field and in the weight room. They also carry themselves with extreme class and sportsmanship. I am grateful the opportunity our young team had to compete with excellence."

The Panthers will host the San Manuel Miners on Friday, Sept. 10, with a kick-off time of 7 p.m.

Reminder: US 60 to close Sept. 12-17 between Superior and Miami; crews will work 24 hours a day to shift highway to new bridge

Motorists who travel on US 60 between Superior and Miami need to begin planning for a full closure of the highway from Sept. 12-17 while crews with the Arizona Department of Transportation realign the roadway to meet with the new Pinto Creek bridge.

During the 5-day closure, motorists should expect an extra hour of travel and a 10 percent grade as traffic is detoured onto state routes 77 and 177 through Winkelman. Eastbound traffic in Superior will be directed onto SR 177, and westbound traffic will be redirected at the west end of Miami.

Motorists with a destination in the closed segment of US 60 will be allowed to pass the closure points, but no vehicles will be allowed between Top-of-the-World and Pinto Valley Mine Road.

The closure is scheduled to begin at 10 p.m. Sunday, Sept. 12, and end at noon Friday, Sept. 17. The closure is subject to change based on weather.

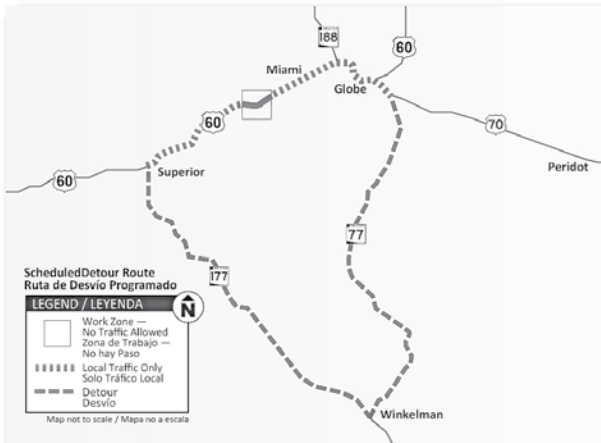

While ADOT has worked to minimize the impact of the bridge replacement project, the extended closure is required because of the work involved with shifting the highway roughly 30 feet while also raising it 8 feet to align with the new structure. Crews will work 24 hours a day during the closure.

The work that will take place during the closure represents a major milestone in the two-year, \$22.7 million project to replace the 72-year-old bridge. Once traffic is shifted onto the nearly 700-foot long bridge, construction crews will begin the process of removing the old structure and restoring the project site.

Also, drivers should expect a 4-hour closure in

October when crews take down the old bridge. Through the rest of the year, occasional lane restrictions will be required as crews haul away remnants of the old bridge and complete other roadway improvements.

More information about the project is available at azdot.gov/PintoCreekBridge.

Copper Corridor Communities Seeing Increase of COVID-19 Cases

Recently, State and National media have reported an increase in positive COVID-19 Cases. The communities of the Copper Corridor have also started to see an increase in positive cases. The new Delta variant of COVID-19 has been reported as highly transmissible. The CDC and other health officials warn that those who are not vaccinated should continue to practice physical distancing, wear masks in public and avoid crowded places and is also strongly recommending everyone wear a mask indoors and in group settings.

Governor Doug Ducey has signed executive orders that prohibit Cities and Towns from mandating mask wearing, limiting restaurant capacity or other enacting other physical distancing requirements. At this time there is no indication that there will be any restrictions put into place. Local schools are also prohibited from requiring masks be worn on campus.

COVID Vaccines are readily available at local clinics in the region including Cobre Valley Clinics in Superior and Kearny, Pinal County Public Health and Sun Life Clinics. Other chain pharmacies such as Walgreens, grocery store pharmacies and CVS also have vaccines available.

We last reported daily COVID-19 case increased on Aug. 31, 2021. Above is a chart showing our last reported number and the current number of total cases for each of the Copper Corridor communities through Sept. 6, 2021. Keep in mind that zip code data also includes unincorporated areas around a community. For instance, Riverside/Kelvin area is included in the Kearny zip code. Aravaipa and Dudleyville are included in the Winkelman zip codes, etc.

Those experiencing COVID-19 symptoms should seek testing and quarantine until they can confirm a negative test.

Working together, we can slow the spread of the virus across the Copper Corridor. Wear a mask in public, remain physically distant (6ft apart or more), practice good hygiene (wash your hands frequently, sanitize high touch areas) and stay home if you are not feeling well.

Town of Superior celebrating 45 years of incorporation with events

Sept. 7, 2021 is the 45th anniversary of the Town of Superior's Incorporation. The Town originally began their efforts to incorporate in 1964 but the actual incorporation election did not happen until 1974. The town was officially incorporated on Sept. 7, 1974.

To celebrate this milestone the Town of Superior will be sharing tidbits of history on the Town's Facebook page and will also be hosting a few celebratory events concluding with the Town's first ever State of the Town Address hosted by Rebuild Superior Inc. on Thursday, Oct. 7, 2021 at 5:30 p.m.

The Town is working with the Superior Chamber of Commerce to recognize the many businesses who have remained in operation since 1976. There are sixteen businesses, churches and non-profits that are still in operation today. They will be recognized at the Chamber of Commerce Breakfast meeting on Wednesday, September 15, 2021, doors will open at 7:30 a.m. with breakfast beginning at 8 a.m. RSVPs are required, please call Rick Cartier at 602-561-0807 by Friday, Sept. 10, 2021. There is a \$20 fee for breakfast.

On Sunday, Sept. 19, the Town will celebrate the dedication of the Besich Park stage. The event begins at 4 p.m. with a dedication ceremony, followed by a

performance by the Superior Dance Company and a concert out door dance with Power Drive Band from 5 to 8 p.m. There is no charge to attend the concert.

Culminating the month long celebration will be the State of the Town Address given by Mayor Mila Besich on Thursday, Oct. 7, 2021 at 5:30 p.m. The event will be held at the Besich Park Stage on Main Street and will also include a performance by Superior Dance Company. This event is open to the public and is hosted by Rebuild Superior Inc. Rebuild Superior Inc is raising money through sponsorships that also help fund a wide variety of community development projects.

In April 2020, COVID-19 brought much of Arizona's economy to a screeching halt. All businesses not deemed "essential" were ordered closed by Arizona's governor Doug Ducey.

The lockdown continued for nearly two months. When Gov. Ducey finally gave the go ahead to reopen, businesses slowly began the road to recovery. Even those listed as "essential" had a challenge with this economic recovery.

Many small businesses and non-profits in Arizona didn't survive the lockdown. The businesses that did survive are hanging on as best they can. *Copper Area News* wanted to give something back to the local business community as a thank you for supporting us through these troubled times. Our newspapers (*Copper Basin News*, *Superior Sun* and

San Manuel Miner) have been featuring local businesses and non-profits since the beginning of 2021, encouraging our readers to Shop at Home, stay local and support our local businesses. To date, *Copper Area News* has featured 104 businesses and groups in the Copper Corridor.

Local restaurants faced some of the toughest challenges when the pandemic hit; they were forced to reduce their services to take out only and limit their capacity when they were finally allowed to re-open.

Authentic and delicious Italian Food can be found right here in Superior at the DeMarco's Italian Restaurant located at 433 W. Highway 60. Their menu features everything from classic Italian dinners, such as spaghetti and meatballs, chicken parmigiana, fettuccine and

lasagna. Each meal includes a side salad and one of their homemade dinner rolls.

Their menu also includes a variety of hot and cold sub sandwiches, pizza, salads and they also have burgers. The Green Chile Philly Cheesesteak sub is local variation of an east coast favorite, it is spicy! They offer dining in and take out orders. They also have a variety of appetizers like buffalo chicken wings, fried ravioli and several desert choices such as cannolis and they have a large selection of ice cream.

For those hosting large family gatherings, they can also offer family style servings for your events.

DeMarcos is open seven days a week from 10:30 a.m. to
